5 and insert:
6 from the Land Acquisition Trust Fund.

7 1. The governing boards shall consider all of the following
8 criteria in designating a wetland for inclusion on the list:

9 a. The ecological value of the wetland, as determined by
10 the physical and biological components of the environmental
11 system.

187630

12 b. The effect of the wetland on water quality and flood
13 mitigation.

14 c. The ecosystem restoration value of the wetland.

15 d. The inherent susceptibility of the wetland to
16 development due to its geographical location or natural
17 aesthetics.

18 2. Before adopting or amending its list of critical
19 wetlands, each governing board must notify the owner of any
20 property that the district contemplates including on the list.
21 At any time, an owner who wishes to have his or her property
22 removed from the list must submit by certified mail to the
23 district a letter requesting such removal. The letter must
24 indicate that the owner wishes for his or her property to be
25 removed from the list and must sufficiently identify such
26 property to the governing board. The governing board shall
27 approve a removal request that meets the requirements of this
28 subparagraph at its next regularly scheduled meeting.
