The Committee on Community Affairs (DiCeglie) recommended the following:

Senate Amendment (with directory amendment)

Delete lines 62 - 74

and insert:

provide service to customers. Cost recovery for any renewable natural gas or hydrogen-based fuel infrastructure project sought pursuant to this subsection must be approved by the commission.

(a) In assessing whether cost recovery for any renewable natural gas or hydrogen-based fuel infrastructure projects is appropriate, the commission shall consider whether the projected
