A bill to be entitled

An act relating to dental care; amending s. 409.906, F.S.; authorizing Medicaid reimbursement for dental services provided by mobile dental units owned by, operated by, or having contractual agreements with specified entities; defining the term "mobile dental unit"; amending s. 466.007, F.S.; deleting an obsolete date; revising licensure examination requirements for dental hygienists to authorize applicants to demonstrate certain clinical skills on a live patient rather than only on a manikin; authorizing the Board of Dentistry to require persons applying to take the dental hygiene examination to maintain medical malpractice insurance in certain amounts; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Paragraph (c) of subsection (1) and subsection (6) of section 409.906, Florida Statutes, are amended to read: 409.906 Optional Medicaid services. - Subject to specific appropriations, the agency may make payments for services which are optional to the state under Title XIX of the Social Security Act and are furnished by Medicaid providers to recipients who are determined to be eligible on the dates on which the services

Page 1 of 7

were provided. Any optional service that is provided shall be provided only when medically necessary and in accordance with state and federal law. Optional services rendered by providers in mobile units to Medicaid recipients may be restricted or prohibited by the agency. Nothing in this section shall be construed to prevent or limit the agency from adjusting fees, reimbursement rates, lengths of stay, number of visits, or number of services, or making any other adjustments necessary to comply with the availability of moneys and any limitations or directions provided for in the General Appropriations Act or chapter 216. If necessary to safeguard the state's systems of providing services to elderly and disabled persons and subject to the notice and review provisions of s. 216.177, the Governor may direct the Agency for Health Care Administration to amend the Medicaid state plan to delete the optional Medicaid service known as "Intermediate Care Facilities for the Developmentally Disabled." Optional services may include:

(1) ADULT DENTAL SERVICES.-

- 2. Owned by, operated by, or having a contractual arrangement with a federally qualified health center and complying with Medicaid's federally qualified health center specifications as a federally qualified health center provider.
- 3. Rendering dental services to Medicaid recipients, 21 years of age and older, at nursing facilities.
- 4. Owned by, operated by, or having a contractual agreement with a state-approved dental educational institution or an accredited dental hygiene program.
- 5. Owned by, operated by, or having a contractual relationship with the Department of Children and Families.
- 6. Owned by, operated by, or having a contractual relationship with the Department of Juvenile Justice.
- 7. Owned by, operated by, or having a contractual relationship with a nonprofit community health center.
- 8. Owned by, operated by, or having a contractual relationship with a federally approved Head Start center.
- 9. Owned by, operated by, or having a contractual relationship with a school-based prevention program as defined in s. 466.003(15).

For purposes of this paragraph, the term "mobile dental unit"

means a nonfacility structure in which dental equipment used in

the practice of dentistry is transported to and used on a

Page 3 of 7

temporary basis at an out-of-office location.

- (6) CHILDREN'S DENTAL SERVICES.—The agency may pay for diagnostic, preventive, or corrective procedures, including orthodontia in severe cases, provided to a recipient under age 21, by or under the supervision of a licensed dentist. The agency may also reimburse a health access setting as defined in s. 466.003 for the remediable tasks that a licensed dental hygienist is authorized to perform under s. 466.024(2). Services provided under this program include treatment of the teeth and associated structures of the oral cavity, as well as treatment of disease, injury, or impairment that may affect the oral or general health of the individual. However, Medicaid will not provide reimbursement for dental services provided by in a mobile dental unit, except for a mobile dental unit:
- (a) Owned by, operated by, or having a contractual agreement with the Department of Health and complying with Medicaid's county health department clinic services program specifications as a county health department clinic services provider.
- (b) Owned by, operated by, or having a contractual arrangement with a federally qualified health center and complying with Medicaid's federally qualified health center specifications as a federally qualified health center provider.
- (c) Rendering dental services to Medicaid recipients, 21 years of age and older, at nursing facilities.

A practical or clinical examination approved by the board. The examination shall be the Dental Hygiene Examination produced by the American Board of Dental Examiners, Inc., (ADEX) or its successor entity, if any, if the board finds that the successor entity's clinical examination meets or exceeds the provisions of this section. The board shall approve the ADEX Dental Hygiene Examination if the board has attained and continues to maintain representation on the ADEX House of Representatives, the ADEX Dental Hygiene Examination Development Committee, and such other ADEX Dental Hygiene committees as the board deems appropriate through rulemaking to ensure that the standards established in this section are maintained organizationally. The ADEX Dental Hygiene Examination or the examination produced by its successor entity is a comprehensive examination in which an applicant must demonstrate skills within the dental hygiene scope of practice on a live patient or a manikin that has typodont teeth with simulated dentition and calculus as approved by the Commission on Dental Competency Assessments and any other components that the board deems necessary for the applicant to successfully demonstrate competency for the purpose of licensure. The board may require any person applying to take the examination to practice dental hygiene in this state to maintain medical malpractice insurance
