

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Cross offered the following:

Amendment (with title amendment)

Remove lines 51-56 and insert:

(1) The department, in coordination with the Department of Environmental Protection and the Department of Health, shall conduct a peer-reviewed study to evaluate the suitability of using phosphogypsum as a construction aggregate material as defined in s. 337.0261(1), including the potential impacts of such use on human health and the environment. The study must use samples from Florida-derived phosphogypsum.
