1 Committee/Subcommittee hearing bill: Commerce Committee
 2 Representative Botana offered the following:

3

4 **Amendment**

5 Remove lines 157-217 and insert:

6 verify the integrity of all components that are recommended or
 7 specified by the manufacturer ~~or metal fatigue~~ at least annually.

8 The nondestructive testing ~~for metal fatigue~~ must be conducted
 9 more often than annually if required by any rule adopted under
 10 this section, by the manufacturer of the amusement ride, or by
 11 the professional engineer or qualified inspector executing the
 12 affidavit of nondestructive testing. The nondestructive testing
 13 ~~for metal fatigue~~ must consist at least of visual nondestructive
 14 testing, as well as nonvisual nondestructive testing ~~for metal~~
 15 ~~fatigue~~, which must be conducted on the components of the
 16 amusement ride as required by any rule adopted under this

Amendment No.1

17 section, by the manufacturer of the amusement ride, or by the
18 professional engineer or qualified inspector executing the
19 affidavit of nondestructive testing.

20 (b) When specified by the manufacturer, nonvisual
21 nondestructive testing must be used to verify the integrity of
22 components that, due to their design, location, installation, or
23 a combination thereof, cannot be adequately evaluated by other
24 means.

25 (c)-(b) Nondestructive testing ~~testings~~ must be performed
26 by a technician who meets the requirements prescribed by
27 department rule.

28 (d)-(e) An affidavit of nondestructive testing, on a form
29 prescribed by department rule, must state, at a minimum, all of
30 the following:

31 1. That the amusement ride was inspected in person by the
32 affiant.

33 2. That all of the manufacturer's nondestructive testing
34 requirements and recommendations are current.

35 3. That the nondestructive testing was performed by a
36 qualified nondestructive testing technician.

37 4. The components of the amusement ride for which the
38 manufacturer has recommended or required nondestructive testing.

39 5. The type of nondestructive testing required or
40 recommended by the manufacturer.

Amendment No.1

41 6. The frequency of the nondestructive testing required or
42 recommended by the manufacturer.

43 7. The components of the amusement ride for which the
44 affiant, in addition to the manufacturer's requirements and
45 recommendations, has recommended or required nondestructive
46 testing.

47 8. The type of nondestructive testing required or
48 recommended by the affiant in addition to the manufacturer's
49 requirements and recommendations. If the affiant does not
50 require or recommend additional nondestructive testing, the
51 affiant must affirm that the manufacturer's requirements are
52 sufficient for the safe operation of the amusement ride.

53 9. The frequency of the nondestructive testing as required
54 or recommended by the affiant.

55 10. That visual nondestructive testing is adequate for the
56 amusement ride to be in ~~general~~ conformance with the
57 requirements of this section and all applicable rules, ~~only~~ if
58 only visual nondestructive testing is required ~~or recommended~~ by
59 the manufacturer or the affiant.

60 11. That the amusement ride is in conformance with the
61 requirements of this section and all applicable department
62 rules.

63 12. Whether the amusement ride has undergone a major
64 modification and, if so, the name of the manager, owner, or

Amendment No.1

65 operator who authorized the modification and the date the
66 modification took place.

67 13. That the amusement ride and its components are in
68 conformance with the service life, if the manufacturer has
69 provided a service life for such ride and its components.
70
