1 A bill to be entitled
2 An act relating to Medicaid enrollees with sickle cell
3 disease; creating s. 409.9129, F.S.; requiring the
4 Agency for Health Care Administration to conduct a
5 biennial review of Medicaid enrollees with sickle cell
6 disease to determine if the available covered
7 medications, treatment, and services are adequate to
8 meet their needs; providing minimum requirements for
9 the review; requiring the agency to submit a report of
10 its findings to the Governor, the Legislature, the
11 Office of Minority Health and Health Equity, and the
12 Rare Disease Advisory Council by a specified date
13 every 2 years; requiring the agency to publish the
14 report on its website in an easily accessible manner;
15 requiring the agency to develop its review and report
16 in consultation with a certain dedicated sickle cell
17 disease medical treatment and research center;
18 providing an effective date.
19

20 Be It Enacted by the Legislature of the State of Florida:
21

22 Section 1. Section 409.9129, Florida Statutes, is created
23 to read:

24 409.9129 Biennial review of Medicaid enrollees with sickle
25 cell disease.—

26 (1) Every two years, the agency shall conduct a review of
27 Medicaid enrollees to determine if the available covered
28 medications, treatment, and services are adequate to meet the
29 needs of enrollees who are diagnosed with sickle cell disease

30 and whether the agency should seek coverage of additional
31 medications, treatment, or services to adequately meet their
32 needs.

33 (2) Using data collected under the Medicaid program from
34 the preceding 2-year period, the agency's review must provide
35 for all of the following, at a minimum:

36 (a) The total number of Medicaid enrollees diagnosed with
37 sickle cell disease.

38 (b) The age and other demographic characteristics of
39 Medicaid enrollees diagnosed with sickle cell disease.

40 (c) Health care utilization patterns and total
41 expenditures, both pharmaceutical and medical, for services
42 provided by the Medicaid program for all enrollees diagnosed
43 with sickle cell disease.

44 (d) Of the enrollees diagnosed with sickle cell disease,
45 the number of enrollees who experienced two or more emergency
46 room visits or two or more hospital inpatient admissions in a
47 12-month period, including the length of stay and the total
48 related expenditures, both medical and pharmaceutical, for those
49 enrollees.

50 (e) The number of clinical treatment programs available for
51 the care of Medicaid enrollees which are specifically designed
52 or certified to provide health care coordination and health care
53 access for individuals with sickle cell disease and the number
54 of those clinical treatment programs contracted, per region,
55 with managed care plans.

56 (f) An assessment of the agency's existing payment
57 methodologies for approved treatment or drug products for the
58 treatment of sickle cell disease in the inpatient setting and

16-01044-23

59 whether such payment methodologies result in barriers to access.
60 If barriers to access are identified, an assessment of whether
61 such methodologies may be modified or improved through the
62 adoption of revised or new policies.

63 (3) By November 1, 2024, and every 2 years thereafter, the
64 agency shall submit a report of its findings and recommendations
65 from the preceding 2-year review to the Governor, the President
66 of the Senate, the Speaker of the House of Representatives, the
67 Office of Minority Health and Health Equity, and the Rare
68 Disease Advisory Council. The agency shall also publish the
69 report on its website in a manner easily accessible by the
70 public.

71 (4) The agency shall develop its review and report in
72 consultation with a dedicated sickle cell disease medical
73 treatment and research center that maintains a sickle cell
74 patient database and tracks sickle cell disease outcome
75 measures.

76 Section 2. This act shall take effect July 1, 2023.
