

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Eskamani offered the following:

Amendment

Remove line 130 and insert:

before scheduling the appointment. Further, a health care provider must, at the time of objection or as soon as practicable thereafter, post in the lobby of his or her office and on the website of his or her practice and provide in written form before appointments, all specific health care services to which the health care provider has a conscience-based objection. A health care provider who is
