The Appropriations Committee on Education (Collins) recommended the following:

Senate Amendment (with title amendment)

Delete everything after the enacting clause
and insert:

Section 1. Present subsection (2) of section 1013.13,
Florida Statutes, is redesignated as subsection (3), and a new
subsection (2) is added to that section, to read:

1013.13 Coordination of school safety information;
construction design documents.—

(2) In order to facilitate efficient emergency response,

901742

11 there shall be created the School Mapping Data Grant Program
12 within the Department of Education. Each school district, in
13 consultation with the sheriff's office having jurisdiction, may
14 apply to receive funds from the program to provide school
15 mapping data for every public school building in the district.
16 The school district shall use the funds to satisfy all or some
17 of the requirements of this section, which may include procuring
18 a vendor to do so. The entity producing the data is responsible
19 for providing the data to the applicable county and district
20 school boards and to the appropriate local, state, and federal
21 public safety agencies for use in response to emergencies.

22 (a) School mapping data must be provided in an electronic
23 or a digital format to assist first responders in responding to
24 emergencies at schools.

25 (b) The school mapping data provided must:

26 1. Be compatible with software platforms used by local,
27 state, and federal public safety agencies that provide emergency
28 services to the specific school for which the data is provided
29 without requiring such agencies to purchase additional software
30 or requiring a fee to view or access the data;

31 2. Be compatible with security software platforms in use by
32 the specific school for which the data is provided without
33 requiring the local law enforcement agencies or school districts
34 to purchase additional software or requiring a fee to view or
35 access the data;

36 3. Be in a printable format and, if requested in addition
37 to paragraph (a), be in a digital file format that can be
38 integrated into interactive mobile platforms in use;

39 4. Be verified for accuracy by a walk-through of school

- 40 buildings and grounds;
41 5. Be oriented true north;
42 6. Be overlaid on current aerial imagery;
43 7. Contain site-specific labeling that matches the
44 structure of school buildings, including room labels, hallway
45 names, and external door or stairwell numbers and locations of
46 hazards, critical utility locations, key boxes, automated
47 external defibrillators, and trauma kits;
48 8. Contain site-specific labeling that matches the school
49 grounds, including parking areas, athletic fields, surrounding
50 roads, and neighboring properties; and
51 9. Be overlaid with gridded x/y coordinates.

52 Section 2. This act shall take effect July 1, 2023.
