Following Specific Appropriation 118, DELETE:

From the funds in Specific Appropriation 118, \$2,547,500 in recurring funds and \$12,540,975 in nonrecurring funds from the General Revenue Fund are provided for the new Adult General Education Performance-Based Incentive Funds. The awards to school districts and the Florida College System shall be based upon most recently available performance in adult basic education, high school equivalency, adult high school, and English language acquisition. These funds may only be spent on adult general education programs including the following: continued support or expansion of integrated education and training programs, industry credential attainment for students, instructional and student supports, and other expenses related to adult education program improvement.
