AND INSERT:

From the funds in Specific Appropriation 1288A, \$10 million in nonrecurring funds from the General Revenue Fund is provided to establish a Community Violence Intervention and Prevention Grant program. The department shall award grants to nonprofit organizations and community-based partnerships that serve communities disproportionately impacted by violence to implement or expand violence reduction programs. These programs may include, but are not limited to, hospital-based violence intervention programs, street outreach or interrupter programs, group violence intervention programs, and school-based intervention programs that have demonstrated effectiveness in reducing homicide and group violence. The department may also award grants to programs that provide targeted prevention and intervention services to assist those disproportionately at-risk of violence, particularly programs designed to interrupt cycles of violence, re-injury, and retaliation.

Line item amendments are accepted as part of the amendatory process. However, due to the necessity of using computerized systems this may entail a different placement within a budget entity or the renumbering of the specific appropriation items.
