461 to a controller which specifies the consumer rights that the
462 consumer wishes to exercise. With respect to the processing of
463 personal data belonging to a known child, a parent or legal
464 guardian of the child may exercise these rights on behalf of the
465 child.

466 (2) A controller shall comply with an authenticated
467 consumer request to exercise any of the following rights:

468 (a) To confirm whether a controller is processing the
469 consumer's personal data and to access the personal data.

470 (b) To correct inaccuracies in the consumer's personal
471 data, taking into account the nature of the personal data and
472 the purposes of the processing of the consumer's personal data.

473 (c) To delete any or all personal data provided by or
474 obtained about the consumer.

475 (d) To obtain a copy of the consumer's personal data in a

476 portable and, to the extent technically feasible, readily usable
477 format if the data is available in a digital format.

478 (e) To opt out of the processing of the personal data for
479 purposes of:

480 1. Targeted advertising;

481 2. The sale of personal data; or

482 3. Profiling in furtherance of a decision that produces a
483 legal or similarly significant effect concerning a consumer.

484 (f) To opt out of the collection of sensitive data,
485 including precise geolocation data, or the processing of such
486 data.

487 (g) To opt out of the collection of personal data collected
488 through the operation of a voice recognition feature.

489 Section 8. Section 501.706, Florida Statutes, is created to
490 read:

491 501.706 Controller response to consumer requests.—

492 (1) Except as otherwise provided by this part, a controller
493 shall comply with a request submitted by a consumer to exercise
494 the consumer's rights pursuant to s. 501.705, as provided in
495 this section.

496 (2) A controller shall respond to the consumer request
497 without undue delay, which may not be later than 45 days after
498 the date of receipt of the request. The controller may extend
499 the response period once by an additional 15 days when
500 reasonably necessary, taking into account the complexity and
501 number of the consumer's requests, so long as the controller
502 informs the consumer of the extension within the initial 45-day
503 response period, together with the reason for the extension.

504 (3) If a controller cannot take action regarding the

505 consumer's request, the controller must inform the consumer
506 without undue delay, which may not be later than 45 days after
507 the date of receipt of the request, of the justification for the
508 inability to take action on the request and provide instructions
509 on how to appeal the decision in accordance with s. 501.707. A
510 controller is not required to comply with a consumer request
511 submitted under s. 501.705 if the controller cannot authenticate
512 the request. However, the controller must make a reasonable
513 effort to request that the consumer provide additional
514 information reasonably necessary to authenticate the consumer
515 and the consumer's request. If a controller maintains a self-
516 service mechanism to allow a consumer to correct certain
517 personal data, the controller may deny the consumer's request
518 and require the consumer to correct his or her own personal data
519 through such mechanism.

520 (4) A controller must provide the consumer with notice
521 within 60 days after the request is received that the controller
522 has complied with the consumer's request as required in this
523 section.

524 (5) A controller shall provide information or take action
525 in response to a consumer request free of charge, at least twice
526 annually per consumer. If a request from a consumer is
527 manifestly unfounded, excessive, or repetitive, the controller
528 may charge the consumer a reasonable fee to cover the
529 administrative costs of complying with the request or may
530 decline to act on the request. The controller bears the burden
531 of demonstrating for purposes of this subsection that a request
532 is manifestly unfounded, excessive, or repetitive.

533 (6) A controller who has obtained personal data about a

181372

534 consumer from a source other than the consumer is considered in
535 compliance with a consumer's request to delete that personal
536 data pursuant to s. 501.705(2)(c), by doing any of the
537 following:

538 (a) Deleting the personal data, retaining a record of the
539 deletion request and the minimum data necessary for the purpose
540 of ensuring that the consumer's personal data remains deleted
541 from the business's records, and not using the retained data for
542 any other purpose under this part.

543 (b) Opting the consumer out of the processing of that
544 personal data for any purpose other than a purpose exempt under
545 this part.

546 Section 9. Section 501.707, Florida Statutes, is created to
547 read:

548 501.707 Appeal.—

549 (1) A controller shall establish a process for a consumer
550 to appeal the controller's refusal to take action on a request
551 within a reasonable period of time after the consumer's receipt
552 of the decision under s. 501.706(3).

553 (2) The appeal process must be conspicuously available and
554 similar to the process for initiating action to exercise
555 consumer rights by submitting a request under s. 501.705.

556 (3) A controller shall inform the consumer in writing of
557 any action taken or not taken in response to an appeal under
558 this section within 60 days after the date of receipt of the
559 appeal, including a written explanation of the reason or reasons
560 for the decision.

561 Section 10. Section 501.708, Florida Statutes, is created
562 to read:

563 501.708 Waiver or limitation of consumer rights
564 prohibited.—Any provision of a contract or agreement which
565 waives or limits in any way a consumer right described by s.
566 501.705, s. 501.706, or s. 501.707 is contrary to public policy
567 and is void and unenforceable.

568 Section 11. Section 501.709, Florida Statutes, is created
569 to read:

570 501.709 Submitting consumer requests.—

571 (1) A controller shall establish two or more methods to
572 enable consumers to submit a request to exercise their consumer
573 rights under this part. The methods must be secure, reliable,
574 and clearly and conspicuously accessible. The methods must take
575 all of the following into account:

576 (a) The ways in which consumers normally interact with the
577 controller.

578 (b) The necessity for secure and reliable communications of
579 these requests.

580 (c) The ability of the controller to authenticate the
581 identity of the consumer making the request.

582 (2) A controller may not require a consumer to create a new
583 account to exercise the consumer's rights under this part but
584 may require a consumer to use an existing account.

585 (3) A controller shall provide a mechanism on its website
586 for a consumer to submit a request for information required to
587 be disclosed under this part. A controller that operates
588 exclusively online and has a direct relationship with a consumer
589 from whom the controller collects personal data may also provide
590 an e-mail address for the submission of requests.

591 Section 12. Section 501.71, Florida Statutes, is created to

181372

592 read:

593 501.71 Controller duties.—

594 (1) A controller shall:

595 (a) Limit the collection of personal data to data that is
596 adequate, relevant, and reasonably necessary in relation to the
597 purposes for which it is processed, as disclosed to the
598 consumer; and

599 (b) For purposes of protecting the confidentiality,
600 integrity, and accessibility of personal data, establish,
601 implement, and maintain reasonable administrative, technical,
602 and physical data security practices appropriate to the volume
603 and nature of the personal data at issue.

604 (2) A controller may not do any of the following:

605 (a) Except as otherwise provided by this part, process
606 personal data for a purpose that is neither reasonably necessary
607 nor compatible with the purpose for which the personal data is
608 processed, as disclosed to the consumer, unless the controller
609 obtains the consumer's consent.

610 (b) Process personal data in violation of state or federal
611 laws that prohibit unlawful discrimination against consumers.

612 (c) Discriminate against a consumer for exercising any of
613 the consumer rights contained in this part, including by denying
614 goods or services, charging different prices or rates for goods
615 or services, or providing a different level of quality of goods
616 or services to the consumer. A controller may offer financial
617 incentives, including payments to consumers as compensation, for
618 processing of personal data if the consumer gives the controller
619 prior consent that clearly describes the material terms of the
620 financial incentive program and provided that such incentive

621 practices are not unjust, unreasonable, coercive, or usurious in
622 nature. The consent may be revoked by the consumer at any time.

623 (d) Process the sensitive data of a consumer without
624 obtaining the consumer's consent, or, in the case of processing
625 the sensitive data of a known child, without processing that
626 data with the affirmative authorization for such processing by a
627 known child who is between 13 and 18 years of age or in
628 accordance with the Children's Online Privacy Protection Act, 15
629 U.S.C. ss. 6501 et seq. for a known child under the age of 13.

630 (3) Paragraph (2) (c) may not be construed to require a
631 controller to provide a product or service that requires the
632 personal data of a consumer which the controller does not
633 collect or maintain or to prohibit a controller from offering a
634 different price, rate, level, quality, or selection of goods or
635 services to a consumer, including offering goods or services for
636 no fee, if the consumer has exercised the consumer's right to
637 opt out under s. 501.705(2) or the offer is related to a
638 consumer's voluntary participation in a bona fide loyalty,
639 rewards, premium features, discounts, or club card program.

640 (4) A controller that operates a search engine shall make
641 available, in an easily accessible location on the webpage which
642 does not require a consumer to log in or register to read, an
643 up-to-date plain language description of the main parameters
644 that are individually or collectively the most significant in
645 determining ranking and the relative importance of those main
646 parameters, including the prioritization or deprioritization of
647 political partisanship or political ideology in search results.
648 Algorithms are not required to be disclosed nor is any other
649 information that, with reasonable certainty, would enable

650 deception of or harm to consumers through the manipulation of
651 search results.

652 Section 13. Section 501.711, Florida Statutes, is created
653 to read:

654 501.711 Privacy notices.-

655 (1) A controller shall provide consumers with a reasonably
656 accessible and clear privacy notice, updated at least annually,
657 that includes all of the following information:

658 (a) The categories of personal data processed by the
659 controller, including, if applicable, any sensitive data
660 processed by the controller.

661 (b) The purpose of processing personal data.

662 (c) How consumers may exercise their rights under s.
663 501.705(2), including the process by which a consumer may appeal
664 a controller's decision with regard to the consumer's request.

665 (d) If applicable, the categories of personal data that the
666 controller shares with third parties.

667 (e) If applicable, the categories of third parties with
668 whom the controller shares personal data.

669 (f) A description of the methods specified in s. 501.709,
670 by which consumers can submit requests to exercise their
671 consumer rights under this part.

672 (2) If a controller engages in the sale of personal data
673 that is sensitive data, the controller must provide the
674 following notice: "NOTICE: This website may sell your sensitive
675 personal data." The notice must be posted in accordance with
676 subsection (1).

677 (3) If a controller engages in the sale of personal data
678 that is biometric data, the controller must provide the

181372

679 following notice: "NOTICE: This website may sell your biometric
680 personal data." The notice must be posted in accordance with
681 subsection (1).

682 (4) If a controller sells personal data to third parties or
683 processes personal data for targeted advertising, the controller
684 must clearly and conspicuously disclose that process and the
685 manner in which a consumer may exercise the right to opt out of
686 that process.

687 (5) A controller may not collect additional categories of
688 personal information or use personal information collected for
689 additional purposes without providing the consumer with notice
690 consistent with this section.

691 Section 14. Section 501.712, Florida Statutes, is created
692 to read:

693 501.712 Duties of processor.—

694 (1) A processor shall adhere to the instructions of a
695 controller and shall assist the controller in meeting or
696 complying with the controller's duties under this section and
697 the requirements of this part, including the following:

698 (a) Assisting the controller in responding to consumer
699 rights requests submitted pursuant to ss. 501.705 and 501.709,
700 by using appropriate technical and organizational measures, as
701 reasonably practicable, taking into account the nature of
702 processing and the information available to the processor.

703 (b) Assisting the controller with regard to complying with
704 the requirement relating to the security of processing personal
705 data and to the notification of a breach of security of the
706 processor's system under s. 501.171, taking into account the
707 nature of processing and the information available to the

708 processor.

709 (c) Providing necessary information to enable the

710 controller to conduct and document data protection assessments

711 under s. 501.713.

712 (2) A contract between a controller and a processor governs

713 the processor's data processing procedures with respect to

714 processing performed on behalf of the controller. The contract

715 must include all of the following information:

716 (a) Clear instructions for processing data.

717 (b) The nature and purpose of processing.

718 (c) The type of data subject to processing.

719 (d) The duration of processing.

720 (e) The rights and obligations of both parties.

721 (f) A requirement that the processor:

722 1. Ensure that each person processing personal data is

723 subject to a duty of confidentiality with respect to the data;

724 2. At the controller's direction, delete or return all

725 personal data to the controller as requested after the provision

726 of the service is completed, unless retention of the personal

727 data is required by law;

728 3. Make available to the controller, upon reasonable

729 request, all information in the processor's possession necessary

730 to demonstrate the processor's compliance with this part;

731 4. Allow, and cooperate with, reasonable assessments by the

732 controller or the controller's designated assessor; and

733 5. Engage any subcontractor pursuant to a written contract

734 that requires the subcontractor to meet the requirements of the

735 processor with respect to the personal data.

736 (3) Notwithstanding subparagraph (2)(f)4., a processor may

181372

737 arrange for a qualified and independent assessor to conduct an
738 assessment of the processor's policies and technical and
739 organizational measures in support of the requirements under
740 this part using an appropriate and accepted control standard or
741 framework and assessment procedure. The processor shall provide
742 a report of the assessment to the controller upon request.

743 (4) This section may not be construed to relieve a
744 controller or a processor from the liabilities imposed on the
745 controller or processor by virtue of its role in the processing
746 relationship as described by this part.

747 (5) A determination as to whether a person is acting as a
748 controller or processor with respect to a specific processing of
749 data is a fact-based determination that depends on the context
750 in which personal data is to be processed. A processor that
751 continues to adhere to a controller's instructions with respect
752 to a specific processing of personal data remains in the role of
753 a processor.

754 Section 15. Section 501.713, Florida Statutes, is created
755 to read:

756 501.713 Data protection assessments.—

757 (1) A controller shall conduct and document a data
758 protection assessment of each of the following processing
759 activities involving personal data:

760 (a) The processing of personal data for purposes of
761 targeted advertising.

762 (b) The sale of personal data.

763 (c) The processing of personal data for purposes of
764 profiling if the profiling presents a reasonably foreseeable
765 risk of:

181372

766 1. Unfair or deceptive treatment of or unlawful disparate
767 impact on consumers;

768 2. Financial, physical, or reputational injury to
769 consumers;

770 3. A physical or other intrusion on the solitude or
771 seclusion, or the private affairs or concerns, of consumers, if
772 the intrusion would be offensive to a reasonable person; or

773 4. Other substantial injury to consumers.

774 (d) The processing of sensitive data.

775 (e) Any processing activities involving personal data which
776 present a heightened risk of harm to consumers.

777 (2) A data protection assessment conducted under subsection
778 (1) must do all of the following:

779 (a) Identify and weigh the direct or indirect benefits that
780 may flow from the processing to the controller, the consumer,
781 other stakeholders, and the public against the potential risks
782 to the rights of the consumer associated with that processing,
783 as mitigated by safeguards that can be employed by the
784 controller to reduce such risks.

785 (b) Factor into the assessment:

786 1. The use of deidentified data;

787 2. The reasonable expectations of consumers;

788 3. The context of the processing; and

789 4. The relationship between the controller and the consumer
790 whose personal data will be processed.

791 (3) The disclosure of a data protection assessment in
792 compliance with a request from the Attorney General pursuant to
793 s. 501.72 does not constitute a waiver of attorney-client
794 privilege or work product protection with respect to the

181372

795 assessment and any information contained in the assessment.

796 (4) A single data protection assessment may address a
797 comparable set of processing operations which include similar
798 activities.

799 (5) A data protection assessment conducted by a controller
800 for the purpose of compliance with any other law or regulation
801 may constitute compliance with the requirements of this section
802 if the assessment has a reasonably comparable scope and effect.

803 (6) This section applies only to processing activities
804 generated on or after July 1, 2023.

805 Section 16. Section 501.714, Florida Statutes, is created
806 to read:

807 501.714 Deidentified data, pseudonymous data, and aggregate
808 consumer information.-

809 (1) A controller in possession of deidentified data shall
810 do all of the following:

811 (a) Take reasonable measures to ensure that the data cannot
812 be associated with an individual.

813 (b) Maintain and use the data in deidentified form. A
814 controller may not attempt to reidentify the data, except that
815 the controller may attempt to reidentify the data solely for the
816 purpose of determining whether its deidentification processes
817 satisfy the requirements of this section.

818 (c) Contractually obligate any recipient of the
819 deidentified data to comply with this part.

820 (d) Implement business processes to prevent the inadvertent
821 release of deidentified data.

822 (2) This part may not be construed to require a controller
823 or processor to do any of the following:

824 (a) Reidentify deidentified data or pseudonymous data.
825 (b) Maintain data in an identifiable form or obtain,
826 retain, or access any data or technology for the purpose of
827 allowing the controller or processor to associate a consumer
828 request with personal data.
829 (c) Comply with an authenticated consumer rights request
830 under s. 501.705 if the controller:
831 1. Is not reasonably capable of associating the request
832 with the personal data or it would be unreasonably burdensome
833 for the controller to associate the request with the personal
834 data;
835 2. Does not use the personal data to recognize or respond
836 to the specific consumer who is the subject of the personal data
837 or associate the personal data with other personal data about
838 the same specific consumer; and
839 3. Does not sell the personal data to a third party or
840 otherwise voluntarily disclose the personal data to a third
841 party other than a processor, except as otherwise authorized by
842 this section.
843 (3) The consumer rights enumerated under s. 501.705(2), and
844 controller duties imposed under s. 501.71, do not apply to
845 pseudonymous data or aggregate consumer information in cases in
846 which the controller is able to demonstrate that any information
847 necessary to identify the consumer is kept separate and is
848 subject to effective technical and organizational controls that
849 prevent the controller from accessing the information.
850 (4) A controller that discloses pseudonymous data,
851 deidentified data, or aggregate consumer information shall
852 exercise reasonable oversight to monitor compliance with any

853 contractual commitments to which the data or information is
854 subject and shall take appropriate steps to address any breach
855 of the contractual commitments.

856 Section 17. Section 501.715, Florida Statutes, is created
857 to read:

858 501.715 Requirements for sensitive data.—

859 (1) A person who meets the requirements of s.
860 501.702(9)(a)1, (a)2., and (a)3. for the definition of a
861 controller may not engage in the sale of personal data that is
862 sensitive data without receiving prior consent from the consumer
863 or, if the sensitive data is of a known child, without
864 processing that data with the affirmative authorization for such
865 processing by a known child who is between 13 and 18 years of
866 age or in accordance with the Children's Online Privacy
867 Protection Act, 15 U.S.C. ss. 6501 et seq. for a known child
868 under the age of 13.

869 (2) A person in subsection (1) who engages in the sale of
870 personal data that is sensitive data must provide the following
871 notice: "NOTICE: This website may sell your sensitive personal
872 data."

873 (3) A person who violates this section is subject to the
874 penalty imposed under s. 501.72.

875 Section 18. Section 501.716, Florida Statutes, is created
876 to read:

877 501.716 Exemptions for certain uses of consumer personal
878 data.—

879 (1) This part may not be construed to restrict a
880 controller's or processor's ability to do any of the following:

881 (a) Comply with federal or state laws, rules, or

181372

882 regulations.

883 (b) Comply with a civil, criminal, or regulatory inquiry,
884 investigation, subpoena, or summons by federal, state, local, or
885 other governmental authorities.

886 (c) Investigate, establish, exercise, prepare for, or
887 defend legal claims.

888 (d) Provide a product or service specifically requested by
889 a consumer or the parent or guardian of a child, perform a
890 contract to which the consumer is a party, including fulfilling
891 the terms of a written warranty, or take steps at the request of
892 the consumer before entering into a contract.

893 (e) Take immediate steps to protect an interest that is
894 essential for the life or physical safety of the consumer or of
895 another individual and in which the processing cannot be
896 manifestly based on another legal basis.

897 (f) Prevent, detect, protect against, or respond to
898 security incidents, identity theft, fraud, harassment, malicious
899 or deceptive activities, or any illegal activity.

900 (g) Preserve the integrity or security of systems or
901 investigate, report, or prosecute those responsible for breaches
902 of system security.

903 (h) Engage in public or peer-reviewed scientific or
904 statistical research in the public interest which adheres to all
905 other applicable ethics and privacy laws and is approved,
906 monitored, and governed by an institutional review board or
907 similar independent oversight entity that determines:

908 1. Whether the deletion of the information is likely to
909 provide substantial benefits that do not exclusively accrue to
910 the controller;

181372

911 2. Whether the expected benefits of the research outweigh
912 the privacy risks; and

913 3. Whether the controller has implemented reasonable
914 safeguards to mitigate privacy risks associated with research,
915 including any risks associated with reidentification.

916 (i) Assist another controller, processor, or third party in
917 complying with the requirements of this part.

918 (j) Disclose personal data disclosed when a consumer uses
919 or directs the controller to intentionally disclose information
920 to a third party or uses the controller to intentionally
921 interact with a third party. An intentional interaction occurs
922 when the consumer intends to interact with the third party, by
923 one or more deliberate interactions. Hovering over, muting,
924 pausing, or closing a given piece of content does not constitute
925 a consumer's intent to interact with a third party.

926 (k) Transfer personal data to a third party as an asset
927 that is part of a merger, an acquisition, a bankruptcy, or other
928 transaction in which the third party assumes control of all or
929 part of the controller, provided that the information is used or
930 shared in a manner consistent with this part. If a third party
931 materially alters how it uses or shares the personal data of a
932 consumer in a manner that is materially inconsistent with the
933 commitments or promises made at the time of collection, it must
934 provide prior notice of the new or changed practice to the
935 consumer. The notice must be sufficiently prominent and robust
936 to ensure that consumers can easily exercise choices consistent
937 with this part.

938 (2) This part may not be construed to prevent a controller
939 or processor from providing personal data concerning a consumer

181372

940 to a person covered by an evidentiary privilege under the laws
941 of this state as part of a privileged communication.

942 (3) This part may not be construed as imposing a
943 requirement on controllers and processors which adversely
944 affects the rights or freedoms of any person, including the
945 right of free speech.

946 (4) This part may not be construed as requiring a

1046 501.72 Enforcement and implementation by the Department of
1047 Legal Affairs.—

1048 (1) A violation of this part is an unfair and deceptive
1049 trade practice actionable under part II of this chapter solely
1050 by the Department of Legal Affairs. If the department has reason
1051 to believe that a person is in violation of this section, the
1052 department may, as the enforcing authority, bring an action
1053 against such person for an unfair or deceptive act or practice.
1054 For the purpose of bringing an action pursuant to this section,
1055 ss. 501.211 and 501.212 do not apply. In addition to other

1056 remedies under part II of this chapter, the department may
1057 collect a civil penalty of up to \$50,000 per violation. Civil
1058 penalties may be tripled for any of the following violations:

1071 of an alleged violation, the department may grant a 45-day
1072 period to cure the alleged violation and issue a letter of
1073 guidance. The 45-day cure period does not apply to an alleged
1074 violation of paragraph (1)(a). The department may consider the
1075 number and frequency of violations, the substantial likelihood
1076 of injury to the public, and the safety of persons or property
1077 in determining whether to grant 45 calendar days to cure and the
1078 issuance of a letter of guidance. If the alleged violation is
1079 cured to the satisfaction of the department and proof of such
1080 cure is provided to the department, the department may not bring
1081 an action for the alleged violation but in its discretion may
1082 issue a letter of guidance that indicates that the person will
1083 not be offered a 45-day cure period for any future violations.
1084 If the person fails to cure the alleged violation within 45

1085 calendar days, the department may bring an action against such
1086 person for the alleged violation.

1087 (3) Any action brought by the department may be brought
1088 only on behalf of a Florida consumer.

1107 may act on a consumer's behalf.

1108 (6) The department may collaborate and cooperate with other
1109 enforcement authorities of the Federal Government or other state
1110 governments concerning consumer data privacy issues and consumer
1111 data privacy investigations if such enforcement authorities have
1112 restrictions governing confidentiality at least as stringent as
1113 the restrictions provided in this section.

181372

1114 (7) Liability for a tort, contract claim, or consumer
1115 protection claim unrelated to an action brought under this
1116 section does not arise solely from the failure of a person to
1117 comply with this part.

1118 (8) This part does not establish a private cause of action.

1119 (9) The department may employ or use the legal services of
1120 outside counsel and the investigative services of outside
1121 personnel to fulfill the obligations of this section.

1123 section, any person who meets the definition of controller as
1124 defined in this part who collects, shares, or sells the personal
1125 data of Florida consumers is considered to be engaged in both
