clients.

(a) The department must approve any materials used for education under paragraph (1)(d). The department must adopt a policy regarding an objection by a resident of the county to the use of a specific material, which clearly describes a process to handle all objections and provides for resolution. The objection form, as prescribed by the department, and the department's process must be easy to read and understand and be easily accessible on the homepage of the department's website, each

14 subcontractor's website, and each affiliated donor website. The
15 objection form must also identify the department's point of
16 contact and contact information for the submission of an
17 objection. The process must provide the resident the opportunity
18 to provide evidence to the department that the educational
19 material:

20 1. Does not represent medically accurate and cited
21 information.

22 2. Is religious or coercive in nature.

23 3. Misrepresents legal healthcare options.

24 (b) Any material that is subject to an objection must be
25 removed within 5 business days after receipt of the objection
26 and remain unavailable to clients of that location until the
27 objection is resolved. Residents shall have the right to read
28 passages from any material that is subject to an objection. If
29 the educational material is found to have prohibited content,
30 the subcontractor shall discontinue the use of the material.
