10 pressure-reducing, or pressure-control valves.

11 (b) "Contractor" means a person qualified to engage in the
12 business of fire sprinkler systems contracting pursuant to a
13 certificate or registration issued by the department under s.
14 633.318.

15 (c) "Fire sprinkler system project" means a fire protection
16 system alteration of a total of 20 or fewer fire sprinklers that
17 have the same K-factor which does not result in a change of
18 hazard classification or an increased system coverage area, or
19 the installation or replacement of an equivalent fire
