- 23 409.147 Florida Children's Initiatives.—
 24 (1) LEGISLATIVE FINDINGS AND INTENT.—
 25 (a) The Legislature finds that:

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

26 | 1. There are neighborhoods in this ~~the~~ state where the
27 | infrastructure and opportunities that middle-class communities
28 | take for granted are nonexistent or so marginal that they are
29 | ineffective.

30 | 2. In many instances, children living in these
31 | neighborhoods are not read to by an adult on a regular basis and
32 | attend a prekindergarten education program at a much lower rate
33 | than children in other communities. These children experience
34 | below-average performance on standardized tests and graduate
35 | from high school in fewer numbers. Most of these children are
36 | eligible for the free or reduced-price school lunch program.

37 | 3. Children in these neighborhoods often suffer from high
38 | rates of asthma, a higher risk of lead poisoning, higher rates
39 | of childhood obesity, ~~and~~ inadequate health care, and they are
40 | routinely exposed to violence and crime.

41 | 4. In spite of these obstacles, these neighborhoods are
42 | many times home to strong individuals and institutions that are
43 | committed to making a difference in the lives of children and
44 | their families.

45 | (2) POLICY AND PURPOSE.—It is the policy of this state to
46 | provide the necessary means to assist local communities, the
47 | children and families who live in those communities, and the
48 | private sector in creating a sound educational, social, and
49 | economic environment. To achieve this objective, the state
50 | intends to provide investments sufficient to encourage community

51 partners to commit financial and other resources to severely
52 disadvantaged areas. The purpose of this section is to establish
53 a process that clearly identifies the severely disadvantaged
54 areas and provides guidance for developing a new social service
55 paradigm that systematically coordinates programs that address
56 the critical needs of children and their families and for
57 directing efforts to rebuild the basic infrastructure of the
58 community. The Legislature, therefore, declares the creation of
59 Florida Children's Initiatives, through the collaborative
60 efforts of government and the private sector, to be a public
61 purpose.

62 (3) DEFINITIONS.—As used in this section, the term:

63 (c) "Planning team" means a Florida Children's Initiative
64 planning team established under this section.

65 (d) "Resident" means a person who lives in or operates a
66 small community-based business or organization within the
67 boundaries of a Florida ~~the~~ Children's Initiative.

68 (4) FLORIDA CHILDREN'S INITIATIVE NOMINATING PROCESS.—A
69 county or municipality, or a county and one or more
70 municipalities together, may apply to the Ounce to designate an
71 area as a Florida Children's Initiative after the governing
72 body:

73 (a) Adopts a resolution that:

74 1. Finds that an area exists in such county or
75 municipality, or in the county and one or more municipalities,

76 that chronically exhibits extreme and unacceptable levels of
 77 poverty, unemployment, physical deterioration, as well as
 78 limited access to quality educational, health care, and social
 79 services.

80 2. Determines that the rehabilitation, conservation, or
 81 redevelopment, or a combination thereof, of the area is
 82 necessary for ~~in the interest of~~ improving the health, wellness,
 83 education, living conditions, and livelihoods of the children
 84 and families who live in the county or municipality.

85 3. Determines that the revitalization of the area can
 86 occur only if this ~~the~~ state and the private sector invest
 87 resources to improve infrastructure and the provision of
 88 services.

89 (b) Establishes a ~~children's initiative~~ planning team as
 90 provided in subsection (5).

91 (c) Develops and adopts a strategic community plan as
 92 provided in subsection (6).

93 (d) Identifies or creates a not-for-profit corporation ~~not~~
 94 ~~for profit~~ as provided in subsection (7).

95 (5) FLORIDA CHILDREN'S INITIATIVE PLANNING TEAM.—

115 in subsection (4), the working groups shall develop objectives
