Section 2. The Legislature finds that a proper and legitimate state purpose is served when employees, officers, and retirees of the state and its political subdivisions, and the dependents, survivors, and beneficiaries of such employees, officers, and retirees, are extended the basic protections afforded by governmental retirement systems. These persons must be provided benefits that are fair and adequate and that are managed, administered, and funded in an actuarially sound manner as required by s. 14, Article X of the State Constitution and part VII of chapter 112, Florida Statutes. Therefore, the Legislature determines and declares that this act fulfills an important state interest.

Section 3. This act shall take effect July 1, 2023.
