Representative Roth offered the following:

Amendment (with directory and title amendments)

Between lines 342 and 343, insert:

(18) Process county-level election data. Each supervisor must ensure and certify that election data from the elections systems in his or her county is provided to the secretary weekly, in order for the secretary to properly evaluate and oversee the supervisor's election information systems. The Florida driver license number or Florida identification card number and the last four digits of the social security number for each voter on record must be populated into the voter registration records.
