

1                                   A bill to be entitled  
 2           An act relating to health education information;  
 3           amending s. 1002.20, F.S.; requiring school districts  
 4           to ensure information on their website relating to  
 5           reproductive health and disease education is accurate  
 6           and up-to-date within a specified timeframe; requiring  
 7           school districts to send a notification to parents  
 8           that such information is available within a specified  
 9           timeframe; providing an effective date.

10

11 Be It Enacted by the Legislature of the State of Florida:

12

13           Section 1. Paragraph (d) of subsection (3) of section  
 14           1002.20, Florida Statutes, is amended to read:

15           1002.20 K-12 student and parent rights.—Parents of public  
 16           school students must receive accurate and timely information  
 17           regarding their child's academic progress and must be informed  
 18           of ways they can help their child to succeed in school. K-12  
 19           students and their parents are afforded numerous statutory  
 20           rights including, but not limited to, the following:

21           (3) HEALTH ISSUES.—

22           (d) *Reproductive health and disease education.*—A public  
 23           school student whose parent makes written request to the school  
 24           principal shall be exempted from the teaching of reproductive  
 25           health or any disease, including HIV/AIDS, in accordance with s.

HB 817

2023

26 | 1003.42 (5) .

27 |       1. Each school district shall, on the district's website  
28 | homepage, notify parents of this right and the process to  
29 | request an exemption. The homepage must include a link for a  
30 | student's parent to access and review the instructional  
31 | materials, as defined in s. 1006.29(2), used to teach the  
32 | curriculum.

33 |       2. Each school district shall, at least 30 days before  
34 | instruction on reproductive health and any disease, including  
35 | HIV/AIDS, is given, ensure that the district website is accurate  
36 | and up-to-date regarding the information specified in  
37 | subparagraph 1., and shall send a notification to parents by  
38 | physical or electronic means that such information is available.

39 |       Section 2. This act shall take effect July 1, 2023.
