I. Summary:

CS/SB 936 extends the repeal date to July 1, 2027, for future review and repeal of the Florida Development Finance Corporation.

The bill also extends the repeal date to October 1, 2027, for future review and repeal of the Florida Endowment for Vocational Rehabilitation (The Able Trust), which is a direct-support organization for the Division of Vocational Rehabilitation in the Department of Education.

The bill has no fiscal impact on state revenues or expenditures.

This bill is effective July 1, 2023.

II. Present Situation:

Florida Development and Finance Corporation

The Florida Development Finance Corporation (FDFC) was formed by the Florida Development Finance Corporation Act of 1993 and is designated as a state-wide, special development financing authority for economic development purposes.¹ Its purpose is to assist new and existing businesses and organizations (for-profit and not-for-profit) with access to capital through financing that promotes business activity, job creation, and an improved standard of

¹ Section 288.9604, F.S.

living for the citizens of Florida.² The primary mechanism for accessing the capital markets is through tax-exempt and taxable bonds.³

The FDFC was conceived through the efforts of the Enterprise Florida Capital Partnership, whereby the newly created Enterprise Florida would be a public-private partnership to address the needs outlined in a report by the Florida Department of Commerce and the Florida Chamber of Commerce titled Cornerstone. The four main areas of focus would include:⁴

- The commercialization of university research and development.
- Job training.
- Access to capital (Capital Partnership).
- Distribution systems.

The FDFC is governed by a Board of Directors (Board). The FDFC Board consists of seven directors with the Secretary of Economic Opportunity serving as the chair of the Board and the director of the Division of Bond Finance of the State Board Administration serving as the director of the Board. The remaining five directors are appointed by the Governor, subject to the confirmation of the Senate. The appointed directors serve a four-year term of office and can be reappointed. At three of the appointed directors must have experience in finance, and one of the directors must have experience in economic development.⁵

The FDFC has been helping Florida business for 30 years, created over 8,900 jobs, and has over 180 closings.⁶

The authorizing statute for the FDFC is scheduled for repeal on July 1, 2023, unless reviewed and reenacted by the Legislature.⁷

Citizen Support Organizations and Direct-Support Organizations

Citizen support organizations (CSOs) and direct-support organizations (DSOs) are statutorily created private entities that are generally required to be non-profit corporations, and are authorized to carry out specific tasks in support of public entities or public causes. The functions and purpose of a CSO or DSO are prescribed by its enacting statute and, for most, by a written contract with the agency the CSO or DSO was created to support.

CSO and DSO Transparency and Reporting Requirements

In 2014, the Legislature created s. 20.058, F.S., establishing a comprehensive set of transparency and reporting requirements for CSOs and DSOs that are created or authorized pursuant to law or

executive order and created, approved, or administered by a state agency.⁸ Specifically, the law requires each CSO and DSO to annually submit, by August 1, the following information related to its organization, mission, and finances to the agency it supports:⁹

- The name, mailing address, telephone number, and website address of the organization;
- The statutory authority or executive order that created the organization;
- A brief description of the mission of, and results obtained by, the organization;
- A brief description of the organization's plans for the next three fiscal years;
- A copy of the organization's code of ethics; and
- A copy of the organization's most recent federal Internal Revenue Service (IRS) Return of Organization Exempt from Income Tax form (Form 990).¹⁰

Each agency receiving the above information must make the information available to the public through the agency's website. If the CSO or DSO maintains a website, the agency's website must provide a link to the website of the CSO or DSO.¹¹ Additionally, any contract between an agency and a CSO or DSO must be contingent upon the CSO or DSO submitting and posting the information.¹² If a CSO or DSO fails to submit the required information for two consecutive years, the agency must terminate the contract with the CSO or DSO.¹³ The contract must also include a provision for ending operations and returning state-issued funds to the state if the authorizing statute is repealed, the contract is terminated, or the organization is dissolved.¹⁴

By August 15 of each year, the agency must report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Office of Program Policy Analysis and Government Accountability (OPPAGA) the information provided by the CSO or DSO. The report must also include a recommendation by the agency, with supporting rationale, to continue, terminate, or modify the agency's association with each CSO or DSO.¹⁵

Finally, a law creating or authorizing the creation of a CSO or DSO must state that the creation or authorization for the CSO or DSO is repealed on October 1 of the fifth year after enactment, unless reviewed and saved from repeal by the Legislature. CSOs and DSOs in existence prior to July 1, 2014, must be reviewed by the Legislature by July 1, 2019.¹⁶

CSO and DSO Audit Requirements

Section 215.981, F.S., requires each CSO and DSO created or authorized pursuant to law with annual expenditures in excess of \$100,000 to provide for an annual financial audit of its accounts

The audit report must be submitted within nine months after the end of the fiscal year to the Auditor General and to the state agency the CSO or DSO supports.

Additionally, the Auditor General may conduct audits or other engagements of the accounts and records of the CSO or DSO, pursuant to his or her own authority, or at the direction of the Legislative Auditing Committee.¹⁸ The Auditor General is authorized to require and receive any records from the CSO or DSO, or its independent auditor.¹⁹

CSO and DSO Ethics Code Requirement

Section 112.3251, F.S., requires a CSO or DSO created or authorized pursuant to law to adopt its own ethics code. The ethics code must contain the specified standards of conduct and disclosures provided in ss. 112.313 and 112.3143(2), F.S. A CSO or DSO may adopt additional or more stringent standards of conduct and disclosure requirements and must conspicuously post its code of ethics on its website.²⁰

Division of Vocational Rehabilitation

Vocational Rehabilitation (VR) is a federal-state program that helps people who have physical or mental disabilities get or keep a job. VR is committed to helping people with disabilities find meaningful careers.²¹

The Division of Vocational Rehabilitation (DVR) is one of several divisions within the Department of Education (DOE).²² The DVR is the administrative unit designated at the state level to ensure compliance with the Vocational Rehabilitation Act of 1973, as amended.²³ The DVR's mission is "to help people with disabilities find and maintain employment and enhance their independence."²⁴

Florida Endowment Foundation for Vocational Rehabilitation

In 1990, the Legislature created the Florida Endowment Foundation for Vocational Rehabilitation (Foundation or The Able Trust²⁵) as a direct-support organization of the DVR within the DOE for the purpose of encouraging public and private support to enhance vocational

¹⁷ The independent audit requirement does not apply to a CSO or DSO for a university, district board of trustees of a community college, or district school board. Additionally, the expenditure threshold for an independent audit is \$300,000 for a CSO or DSO for the Department of Environmental Protection and the Department of Agriculture and Consumer Services.

rehabilitation and employment of citizens who are disabled.²⁶ The Able Trust endowment fund was created as a long-term, stable, and growing source of revenue to be administered by the Foundation as a direct-support organization of the DVR.²⁷

The Foundation operates under contract with the DVR to exclusively raise funds; submit requests and receive grants from the Federal Government, the state, private foundations, and individuals; and to receive, hold, and administer property.

The authorizing statute for the Foundation is scheduled for repeal on October 1, 2023, unless reviewed and reenacted by the Legislature.²⁸

Legislative Findings and Recommendations

Senate professional staff reviewed documents related to the Foundation for compliance with accountability and authorizing statutes. The Foundation appears to be substantially in compliance with such statutes. Findings and recommendations are summarized below.

Foundation Compliance with Accountability Requirements

- The Foundation must submit specified information to the Department of Education (DOE) by August 1.²⁹
Finding: The Foundation submitted the information by the specified deadline.³⁰
- The DOE must make the information received from the Foundation available to the public through the agency’s website. If the Foundation maintains a website, the DOE’s website must provide a link to the Foundation’s website.³¹
Finding: The DOE includes a link to The Able Trust on the Division of Vocational Rehabilitation (DVR) webpage, but the required report is only available through the Florida Fiscal Portal.³²
Recommendation: Provide a link to the required report³³ directly on the DOE website.
- The DOE must report, by August 15 of each year, to the Governor, Legislature, and OPPAGA the information provided by the Foundation. The report must also include a recommendation by the DOE, with supporting rationale, to continue, terminate, or modify the DOE’s association with the Foundation.³⁴

- The contract between the Foundation and the DVR must include a provision for the orderly cessation of operations and reversion to the state of state funds held in trust by the organization within 30 days after its authorizing statute is repealed, the contract is terminated, or the organization is dissolved.³⁶

Finding: The current contract includes a provision regarding the orderly cessation of operations and includes a provision regarding the reversion of state funds within 45 days.³⁷

Recommendation: The contract should include a provision specifying 30 days, rather than 45 days, for the reversion of state funds.
 - The Foundation's Code of Ethics must be conspicuously posted on the Foundation's website,³⁸ and must address specified standards of conduct.³⁹

Finding: The Able Trust Code of Ethics is posted and includes required provisions.⁴⁰

The audit report must be submitted within 9 months after the end of the fiscal year to the Auditor General and to the DOE.⁴¹

Finding: The Able Trust has provided for an audit for the 2021-2022 fiscal year within the specified timeframe.⁴²

Foundation Compliance with Authorizing Requirements

- The Foundation must separately account for funds received from state sources⁴³ from bequests, gifts, grants, and donations. Earnings on funds received from state sources and funds received from public or private sources must also be accounted for separately.⁴⁴

Finding: The Able Trust has separately accounted⁴⁵ for revenues⁴⁵ and earnings on funds⁴⁶ between state and private sources.

- The Foundation must have a contract with the DVR, and must:⁴⁷
 - Be a Florida corporation not for profit.
 - Be organized and operated exclusively to raise funds; to submit requests and receive grants from the Federal Government, the state, private foundations, and individuals; to receive, hold, and administer property; and to make expenditures to or for the benefit of the VR programs approved by the Foundation board of directors.
Finding: The Able Trust contract with the DVR meets this requirement.⁴⁸
- The Able Trust contract with the DVR must provide information relating to the articles of incorporation, governance, conditions for expenditures of state revenues, and a reversion of state funds following a cessation of operations.⁴⁹ In addition, as a part of the contract, the Foundation must submit an annual budget for approval to the DVR, which may not approve such annual budget that does not comply with requirements relating to administrative costs.⁵⁰
Finding: The Able Trust contact with the DVR complies with this requirement.⁵¹ Additionally, the annual budget for Fiscal Year 2022 was approved by the DVR and complies with the requirement that administrative costs be limited to 15 percent of total expenditures.⁵²
- The Foundation must comply with requirements relating to confidential and exempt donor records and client information and exemptions from public meetings at which donor or client information is discussed.⁵³
Finding: The Able Trust has not had any donations since 2019 which were confidential and/or exempt. However, the Able Trust has ensured that donor confidentiality is respected by asking donors to indicate their preference to remain anonymous on their donor form.⁵⁴ On May 8, 2023, the Able Trust Bylaws, Ethics, and Policy Committee will meet to begin a comprehensive review of statutory requirements and determine gaps in existing Able Trust policy.⁵⁵
- The Foundation is administered by a 9-member board of directors (board) qualified for membership on the board and appointed by the Governor to two 3-year terms.⁵⁶
Finding: The composition of the Able Trust board meets this requirements.⁵⁷

III. Effect of Proposed Changes:

The Florida Development Finance Corporation

CS/SB 936 extends the repeal date to July 1, 2027, for future review and repeal of the Florida Development Finance Corporation (FDFC). The extenuation of the repeal date will provide for the continuation of FDFC's support of Florida's economic development.

The Florida Endowment for Vocational Rehabilitation

The bill extends the repeal date to October 1, 2027, for future review and repeal of the Florida Endowment for Vocational Rehabilitation (The Able Trust). This extenuation of the repeal date will provide for the continuation of programs administered by The Able Trust, which include, but are not limited to, the following programs.

High School High Tech Program

The Able Trust High School High Tech (HSHT) program is designed to provide high school students with all types of disabilities the opportunity to explore jobs or postsecondary education leading to technology-related careers. HSHT programming is based on the nationally recognized and evidenced-based Guideposts for Success. Students are provided a wide variety of opportunities to explore in-demand industries and careers through education tours, work-based experiences, workshops, and career mentoring.⁸³

During the 2021-2022 school year, HSHT served 1,076 students with disabilities in 39 Florida counties. 756 students participated in career-based work experiences. The HSHT program achieved a graduation rate of 99 percent of all participating seniors with 80 percent of graduates attaining post-secondary education or employment.⁸⁴

Project Venture
