House Memorial

A memorial to the Congress of the United States,
urging Congress to impel the United States National
Guard Bureau to examine the resource allocations of
the Florida National Guard and allow an increase in
its force structure.

WHEREAS, the number of soldiers and airmen allocated to
each state's National Guard, known as its "force structure," is
determined by the United States National Guard Bureau in
Washington, D.C., and

WHEREAS, with approximately 21 million residents, Florida
is the third most populous state in the nation but nevertheless
has a force structure of just over 12,000 Guardsmen, and its
ratio of one Guardsman for every 1,833 residents ranks 53rd
among the 54 states and territories of the United States which
have a National Guard component, and

WHEREAS, due to the unprecedented events of 2020 and 2021,
including COVID-19 response in addition to natural disasters and
overseas deployments, the Florida National Guard expended the
same number of workdays within 18 months as it had expended
within the previous 20 years, and

WHEREAS, the Florida National Guard continues to meet its
mission goals; however, the shortage of these invaluable
"citizen soldiers," combined with the state's growing population
and increased need for National Guard activation and response, has resulted in the repeated deployment of the same soldiers, which ultimately leads to their excessive fatigue and negatively impacts recruitment, retention, and readiness, and

WHEREAS, the United States National Guard Bureau's report, "Impact of U.S. Population Trends on National Guard Force Structure," released to Congress in April of 2021, acknowledges the aforementioned concerns within Florida and other regions, stating, "...the National Guard may need to evaluate re-allocating mission sets to other geographic areas to keep pace with changing demographics across the country," NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Florida Legislature respectfully urges the United States Congress to impel the United States National Guard Bureau to examine the resource allocations of the Florida National Guard and allow an increase in its force structure.

BE IT FURTHER RESOLVED that the Secretary of State dispatch copies of this memorial to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Florida delegation to the United States Congress.
