27 | 365.1755 Emergency telephone number; automatic location
 28 | identification; wireless providers.-

29 | (1) As used in this section:

30 | (a) "Account holder" means a person who is legally
 31 | responsible and who enters into an agreement with a wireless
 32 | telephone service provider for the purchase of a wireless
 33 | telephone.

34 | (b) "Automatic location identification" means the
 35 | automatic display at the Public Safety Answering Point of the
 36 | caller's mobile telephone number, the address or location of the
 37 | wireless telephone, and supplementary emergency services
 38 | information.

39 | (c) "Emergency" means a situation, physical condition, or
 40 | method of operation which presents imminent danger of death or
 41 | serious physical or mental harm to a person.

42 | (d) "Family or household member" means spouses; former
 43 | spouses; persons related by blood or marriage; persons who are
 44 | presently residing together as if a family or who have resided
 45 | together in the past as if a family; and persons who are parents
 46 | of a child in common regardless of whether they have been
 47 | married. Except for persons who have a child in common, the
 48 | family or household members must be currently residing or have
 49 | in the past resided together in the same single dwelling unit.

50 | (e) "Mobile telephone number" means the telephone number

51 assigned to a wireless telephone at the time of initial
52 activation.

53 (f) "Wireless services provider" means a person who
54 provides services using licensed or unlicensed spectrum, whether
55 at a fixed location or mobile, using wireless facilities.

56 (2) In the event of an actual or perceived emergency, a
57 wireless provider shall, immediately upon the request of an
58 account holder, provide automatic location identification of any
59 of the account holder's wireless telephones on their account.

60 (3) Automatic location identification services shall be
61 provided through a unique and well-advertised emergency number
62 created by the wireless services provider. There shall be no
63 wait times for persons who call the emergency number and the
64 account holder shall not be placed on hold at any time.

65 (4) Any automatic location identification information
66 provided by the wireless provider shall be verbally provided and
67 graphically transmitted to the account holder's wireless
68 telephone he or she is calling from, regardless of whether the
69 automatic location identification service has been activated or
70 deactivated on the wireless telephone, except as provided in
71 section (5).

72 (5) A family or household member of an account holder who
73 uses the account holder's wireless telephone may contact the
74 wireless provider and request a temporary block, not to exceed
75 30 days, on the account holder's ability to be provided with

HB 983

2023

76 automatic location identification services or information. The
77 request shall be confidential and may not be provided to the
78 account holder.

79 (6) A wireless provider may charge a fee for automatic
80 location identification services at no more than \$5 per request.

81 Section 2. This act shall take effect July 1, 2023.
