I. Summary:

SB 996 requires the Department of Highway Safety and Motor Vehicles (DHSMV) to include on the application and renewal forms of a motor vehicle registration, driver license, and identification card an option to make a voluntary contribution of \$1 to Best Buddies International. Such contributions will be distributed monthly from DHSMV to the not-for-profit organization.

The bill will have an indeterminate impact on DHSMV, which will incur programming and implementation costs related to the bill. However, an organization must submit an application fee to defray DHSMV's costs for reviewing the application and developing the voluntary checkoff.

The bill takes effect July 1, 2023.

II. Present Situation:

Voluntary Contributions

The application form for motor vehicle registration and renewal of registration¹ and for an original, renewal, or replacement driver's license or identification card provides a voluntary contributions section that allows applicants to make a donation by checking a box on the form.² According to the DHSMV, there are currently 27 organizations on the motor vehicle registration form and 20 organizations on the driver license application form that an applicant has the opportunity to contribute to.³

¹ As used in this document, the phrase "motor vehicle registration application" refers to the application form for motor vehicle registration and renewal of registration.

² Sections 320.02(16) and 322.08(8), F.S., provide applicants with 21 options for voluntary contributions.

³ DHSMV, *2023 Agency Legislative Bill Analysis: SB 996* (March 20, 2023).

Sections 320.023 and 322.081, F.S., establish the requirements for organizations seeking to establish a voluntary contribution on such forms. Requirements include:

- A request for the particular voluntary contribution being sought, describing the proposed voluntary contribution in general terms;
- An application fee,⁴ not to exceed \$10,000 to defray the DHSMV's cost for reviewing the application and developing the voluntary contribution checkoff, if authorized;
- A marketing strategy outlining short-term and long-term marketing plans for the requested voluntary contribution; and
- A financial analysis outlining the anticipated revenues and the planned expenditures of the revenues to be derived from the voluntary contribution.

This information must be submitted to the DHSMV at least 90 days before the next regular session of the Legislature convenes.⁵ If the voluntary contribution is not approved by the Legislature, the application fee is refunded to the requesting organization.⁶ If the voluntary contribution is approved by the Legislature, the DHSMV must include it when DHSMV reprints such forms.⁷

The DHSMV must discontinue the voluntary contribution if:

- Less than \$25,000 has been contributed by the end of the fifth year.
- Less than \$25,000 is contributed during any subsequent five-year period.⁸

The DHSMV may discontinue the voluntary contribution and distribution of associated proceeds if the organization no longer exists, has stopped providing services authorized to be funded from the voluntary contributions, or pursuant to an organizational recipient's request. Organizations must immediately notify DHSMV to stop warrants for voluntary contributions if any of these conditions exist, and must meet the applicable audit or attestation requirements for any period of operation during the fiscal year.⁹

A voluntary contribution collected and distributed, or any interest earned from those contributions, may not be used for commercial or for-profit activities or for general or administrative expenses, except as authorized by law. The law provides that:¹⁰

- All organizations receiving annual use fee proceeds from DHSMV are responsible for ensuring proceeds are used in accordance with law.
- Any organization not subject to audit pursuant to the Florida Single Audit Act, must annually attest, under penalties of perjury, that such proceeds were used in compliance with law.
- Any voluntary contributions authorized by law are deposited into and distributed from the Motor Vehicle License Clearing Trust Fund to the specified recipients.
- Any organization subject to audit pursuant to the Florida Single Audit Act must submit an audit report in accordance with rules promulgated by the Auditor General. The annual

⁴ State funds may not be used to pay the application fee. See ss. 320.023(1)(b) and 322.081(1)(b), F.S.

⁷ Sections 320.023(3) and 322.081(3), F.S.

attestation shall be submitted to DHSMV within nine months after the end of the organization's fiscal year.

Within 90 days after receiving an organization's audit or attestation, DHSMV must determine if recipients have not complied with the above requirements. If DHSMV determines an organization has not complied or has failed to use the revenues in accordance with law, DHSMV must discontinue the distribution of the revenues to the organization until determining the organization is in compliance. If an organization fails to comply within 12 months after the voluntary contributions are withheld, the proceeds are deposited into the Highway Safety Operating Trust Fund to offset departmental costs.¹¹

The DHSMV is authorized to examine all records pertaining to the use of funds from the voluntary contributions by the organizations.¹²

All organizations seeking to establish a voluntary contribution on a motor vehicle registration application or a driver license and identification card application that are required to operate under the Solicitation of Contributions Act,¹³ must do so before these funds may be distributed.¹⁴
