3 **Amendment**

4 Remove lines 751-757 and insert:

5 b. The charter school operator must guarantee enrollment  
6 to students currently attending or who would have otherwise  
7 attended or been zoned for the school. The school district shall  
8 consult and negotiate with the charter school every 3 years to  
9 determine whether realignment of the attendance zone is  
10 appropriate to ensure that students residing closest to the  
11 school are provided guaranteed enrollment.
