3 **Amendment**

4 Remove lines 287-306 and insert:
5 products that are made free from forced labor. For purposes of
6 this subsection, the term "forced labor" means work or service
7 exacted from any person, including a minor, under the menace of
8 a penalty for nonperformance and for which the worker does not
9 offer himself or herself voluntarily or an activity that
10 violates s. 787.06.
