5 same zoning district. However, the local government may consider  
6 the impact of new and replacement development on the coastal  
7 area and current infrastructure in the zoning district when  
8 determining the requirements for new and replacement structures  
9 in such zoning district in accordance with s. 163.3177(6)(g) and  
10 s. 163.3178(1). The proposed replacement structure is subject to  
11 the density and infrastructure requirements that would be  
12 applicable to a proposed new structure on a similarly situated  
13 parcel in the same zoning district.
