IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

D. State Tax or Fee Increases:

None.

E. Other Constitutional Issues:

None identified.

V. Fiscal Impact Statement:**A. Tax/Fee Issues:**

None.

B. Private Sector Impact:

A veteran who submits a business filing to the Department of State (DOS) will not have to pay a filing fee for certain filings.

A veteran who is certified at 50 percent disabled, and applies for a hunting, fishing, or saltwater fishing license or permit, will receive the license or permit without the payment of a state fee.

A veteran who is in training at a University of Florida's (UF) Institute of Food and Agricultural Sciences (IFAS) location within Florida may be eligible for an educational stipend from FIFV.

C. Government Sector Impact:

CS/SB 1666 may have an indeterminate, significant negative fiscal impact on state expenditures and revenues.

Expansion of Florida is for Veterans (Veterans Florida) duties and the Veterans Employment and Training Services Program within the Florida Department of Veterans Affairs (FDVA) may have an insignificant fiscal impact on the FDVA's Veterans Florida program. The FDVA is currently appropriated \$2 million in both the House and Senate proposed Fiscal Year 2024-2025 General Appropriation Acts to continue their duties. The FDVA's Veterans Florida may request funding in future fiscal years as the program expands.²⁷

Exemption of certain filing fees for veterans related to business incorporations and associated filings currently range from \$25 to \$965 per filing. The Department of State (DOS) estimates it would be difficult to determine the fiscal impact on the DOS's revenues. However, based on Florida having the third largest population of veterans in the nation, and referencing 2023 business filing types statistics, the impact to DOS's revenues may be as much as \$9.3 million in nonrecurring revenues.²⁸

Exemption of state fees on hunting, freshwater fishing, and saltwater fishing licenses each currently cost \$15.50 for a veteran who is certified at 50 percent disabled. The Florida Fish and Wildlife Conservation Commission (FWC) projects an indeterminate, negative fiscal impact on FWC revenues and could result in reduced grant funding from

the federal Wildlife and Sport Fish Restoration Program as exempt license holders cannot be counted towards license certification. Also, the FWC would need to implement the exemption from paying fees for recreational hunting and fishing licenses and permits for disabled veterans, including changes to the GoOutdoorsFlorida licensing system, communicating changes to tax collectors and subagents, and performing online verifications. The FWC can absorb this within existing resources.²⁹

School districts may also experience an indeterminate fiscal impact to meet the bill's requirements. In section 6 of the bill, school districts would be required to provide two 45-minute lessons for middle and high school students in public schools on the history and importance of Veterans' Day and Memorial Day.

VI. Technical Deficiencies:

None.

VII. Related Issues:
