The Committee on Fiscal Policy (Grall) recommended the following:

Senate Amendment (with title amendment)

Delete lines 120 - 125

and insert:

(b) The Criminal Justice Standards and Training Commission shall require by rule that all law enforcement officers receive instruction on the policies and procedures for administering a lethality assessment as part of basic recruit training or as part of the required instruction for continued employment. A law enforcement officer may not administer a lethality assessment to

345950

11 a victim if the officer has not received training on
12 administering a lethality assessment. All of the following
13 requirements for training on administering a lethality
14 assessment must be met by October 1, 2026:

15 1. Commission-approved basic recruit training programs
16 required by s. 943.13(9) and continuing training or education
17 required by s. 943.135 must incorporate the training required by
18 this subsection.

19 2. All law enforcement officers must successfully complete
20 the training required by this subsection, including officers who
21 received an exemption from completing the commission-approved
22 basic recruit training program under s. 943.131, as part of
23 their basic recruit training or the continued training or
24 education required under s. 943.135(1), as applicable. An
25 officer's employing agency must place the officer's
26 certification on inactive status if the officer fails to
27 complete the training required under this subsection. The
28 officer's certification will remain inactive until the officer
29 completes the training and the officer's employing agency
30 notifies the commission that he or she has completed the
31 training.

34 And the title is amended as follows:

35 Delete lines 22 - 27

36 and insert:

37 to the Legislature by a specified date; requiring the
38 Criminal Justice Standards and Training Commission to
39 require by rule that law enforcement officers receive

345950

40 instruction on the policies and procedures for
41 administering a lethality assessment as part of basic
42 recruit training or required instruction for continued
43 employment; prohibiting a law enforcement officer from
44 administering a lethality assessment if he or she has
45 not received specified training; requiring that basic
46 recruit training programs and continuing training or
47 education requirements incorporate such training, and
48 that all law enforcement officers successfully
49 complete such training, by a specified date; requiring
50 law enforcement agencies to place officers'
51 certification on inactive status if they fail to
52 timely complete the required training; providing that
53 such officers' certification remains inactive until
54 they complete the training and their employing agency
55 notifies the commission of such completion; requiring
56 law
