20247054er

204 Statutes, is amended to read:

205 159.608 Powers of housing finance authorities.—A housing
206 finance authority shall constitute a public body corporate and
207 politic, exercising the public and essential governmental
208 functions set forth in this act, and shall exercise its power to
209 borrow only for the purpose as provided herein:

210 (10) (a) To make loans or grant surplus funds to
211 corporations that qualify as not-for-profit corporations under
212 s. 501(c) (3) of the Internal Revenue Code of 1986, as amended,
213 and under the laws of this state, for the development of
214 affordable housing; and

215 (b) To do anything necessary or appropriate to further the
216 purpose for which a housing finance authority is established,
217 pursuant to s. 159.602, including, as further described in s.
218 159.08751 ~~s. 159.8075~~, the power to issue mortgage credit
219 certificates to the extent allocation is available for that
220 purpose to qualifying individuals in lieu of issuing qualified
221 mortgage bonds pursuant to ss. 25, 143, and 146 of the Internal
222 Revenue Code of 1986, as amended, or a combination of the two.
223 Mortgage credit certificates may not be issued on December 30 or
224 December 31 of any year.

225 Section 2. Section 159.802, Florida Statutes, is amended to
226 read:

227 159.802 Purpose; legislative findings and intent.—

228 (1) The purpose of this part is to allocate the state
229 volume limitation imposed on private activity bonds under s. 146
230 of the Code. A ~~no~~ private activity bond subject to the
231 limitation in s. 146 of the Code may not ~~shall~~ be issued in this

233 to this part.

235 activity bonds are used to finance improvements, projects, and
236 programs that serve important public purposes and benefit the
237 social and economic well-being of the people of this state. The
238 Legislature recognizes that the exemption of interest on private
239 activity bonds from federal income taxation and the concomitant
240 reduced interest costs have been central to the marketability of
241 such bonds.

242 (3) It is the intent of the Legislature that issuers use
243 the state volume limitation in such a manner as to maximize the
244 amount of private activity bonds that may be issued in this
245 state which will benefit the social and economic well-being of
246 the people of this state by increasing the number of
247 improvements, projects, and programs that may be financed in a
248 given year and that, to the extent that any portion of state
249 volume limitation allocated to an issuer is carried forward, it
250 be used to issue private activity bonds before its expiration.

462 division must be evaluated for compliance with this part. Any
463 notice of intent to issue that conforms to the requirements of
464 s. 159.8051 is eligible to receive a confirmation and must be

20247054er

465 approved, subject to the availability of a sufficient amount of
466 state volume limitation in the appropriate pool. Each business
467 day, the division shall compute the state volume limitation in
468 the pools for which approved notices of intent to issue were
469 received on the previous business day. The division shall issue
470 confirmations, subject to the availability of a sufficient
471 amount of state volume limitation in the appropriate pool. The
472 amount of confirmation, if there is sufficient state volume
473 limitation available to the issuer in the appropriate pool, must
474 be in the amount requested in the approved notice of intent to
475 issue. If the amount of state volume limitation available to the
476 issuer in the appropriate pool is less than the amount requested
477 in the approved notice of intent to issue, the division must
478 issue confirmations in the order of priority established in
479 paragraph (b) until the available state volume limitation in
480 each such applicable pool is exhausted. The division shall
481 maintain continuous records of the cumulative amount of state
482 volume limitation for which confirmations have been granted
483 pursuant to this section.

484 (b) If the division determines that the aggregate amount of
485 state volume limitation requested in notices of intent to issue
486 received by noon of the previous business day exceeds the state
487 volume limitation available to such issuers in the applicable
488 pool, the division must assign a consecutive number to the
489 notice of intent to issue requesting allocation from such pool,
490 draw such numbers randomly to establish the priority of each
491 such notice of intent to issue, and issue confirmations in the
492 order of priority until the available state volume limitation in
493 such pool is exhausted. If the amount of state volume limitation

20247054er

494 in the appropriate pool is insufficient to issue a confirmation
495 in the amount requested for the prioritized notice of intent to
496 issue, the division must issue a confirmation in the amount of
497 the state volume limitation available and place the balance of
498 the request on a pending list for such pool. The unfilled
499 portion of any such notice of intent to issue and any notices of
500 intent to issue for which there was insufficient state volume
501 limitation to issue a confirmation must be placed on the pending
502 list for the appropriate pool in the priority order established
503 in this paragraph.

504 (c) To the extent that state volume limitation subsequently
505 becomes available for allocation in a pool, notices of intent
506 placed on the pending list for that pool pursuant to paragraph
507 (b) must be given priority for the next available volume
508 limitation for that year before any notices of intent to issue
509 requesting allocation from that pool received by the division
510 after that day's random selection. On September 30 of each year,
511 any unfilled notices of intent to issue on the pending lists for
512 the economic development allocation pool or the affordable
513 housing allocation pools must be rejected and the issuer may
514 file a new notice of intent to issue with the division to
515 request a confirmation from the state allocation pool to be
516 considered pursuant to this subsection. On November 30 of each
517 year, any unfilled notices of intent to issue on the pending
518 lists for the state allocation pool must be rejected and the
519 issuer may file a new notice of intent to issue with the
520 division to request a carryforward confirmation to be considered
521 pursuant to s. 159.8101(3).

522 (2) Each confirmation issued pursuant to s. 159.8061, s.

20247054er

523 159.8062, s. 159.8063, or s. 159.8071 expires and ceases to be
524 effective on November 30 of the year in which it was issued,
525 unless the issuer obtains a carryforward confirmation pursuant
526 to s. 159.8101(2).

527 (3) A confirmation only assures an issuer of an allocation
528 of state volume limitation in such amount and for such purpose
529 as set forth therein until the expiration thereof. Each
530 confirmation granted pursuant to subsection (1) must include the
531 following information:

532 (a) The issuer to which the allocation of state volume
533 limitation is made.

534 (b) The amount of the allocation of state volume limitation
535 granted to the issuer.

536 (c) The project and type of qualified bond for which bonds
537 using such allocation of state volume limitation may be issued.

538 (d) The date on which the confirmation expires.

539 (e) A statement that the allocation of state volume
540 limitation is conditional and may not be considered final until
541 and unless the issuer files an issuance report pursuant to s.
542 159.8053.

543 (4) (a) A confirmation is effective as to private activity
544 bonds issued in an amount less than the amount set forth in such
545 confirmation only if the aggregate amount issued pursuant to
546 such confirmation is not less than 90 percent of the amount set
547 forth therein, together with the amounts of any carryforward
548 confirmation an issuer has for such purpose and any
549 supplementary confirmation, after subtracting any portion
550 thereof which the issuer has elected to convert for the issuance
551 of mortgage credit certificates.

20247054er

552 (b) A confirmation is not effective as to private activity
553 bonds issued in an amount in excess of the amount set forth in
554 such confirmation. An issuer wishing to issue private activity
555 bonds in an amount in excess of the amount set forth in a
556 confirmation must obtain a supplementary confirmation before the
557 issuance of such bonds by filing a supplementary notice of
558 intent to issue with the division. A supplementary notice of
559 intent to issue must specify the prior confirmation to which it
560 applies and must also include all items required in s.
561 159.8051(2). Such supplementary notice of intent to issue must
562 be filed in accordance with s. 159.814 by or on behalf of the
563 issuer to whom the confirmation was issued. The division shall
564 evaluate supplementary notices of intent to issue for compliance
565 with this part, and, to the extent sufficient state volume
566 limitation is available, the division shall issue a
567 supplementary confirmation pursuant to subsection (1). The
568 amount of state volume limitation allocated in a supplementary
569 confirmation may be added to a prior confirmation for the same
570 project to provide an aggregate allocation of state volume
571 limitation for the issuance of private activity bonds for that
572 project. A supplementary confirmation does not alter the
573 expiration date of the initial confirmation.

574 (c) Upon the expiration of the confirmation, or at any time
575 before such expiration that the issuer notifies the division
576 that the allocation of state volume limitation in such
577 confirmation is no longer necessary, the division shall cancel
578 such confirmation and the allocation of state volume limitation
579 provided therein must be made available for reallocation
580 pursuant to this part.

581 Section 9. Section 159.8053, Florida Statutes, is created
582 to read:

583 159.8053 Issuance reports; final certification of
584 allocation.—

585 (1) Except for an allocation of state volume limitation
586 that has been converted to the issuance of mortgage credit
587 certificates pursuant to s. 159.80751, no portion of the state
588 volume limitation may be allocated before the filing of an
589 issuance report with the division by or on behalf of the issuer
590 issuing bonds no later than the date on which the confirmation
591 for such bonds expires. An issuer's failure to file an issuance
592 report before the expiration of a confirmation will result in
593 the loss of such state volume limitation, regardless of whether
594 the issuer has issued bonds pursuant to such confirmation.

595 (2) Each issuance report must include all of the following
596 information:

597 (a) The name of the issuer issuing such bonds.

598 (b) The confirmation pursuant to which the bonds are being
599 issued.

600 (c) The amount of state volume limitation used by such
601 issuance.

602 (d) The name and series designation of the bonds.

603 (e) The principal amount of bonds issued.

604 (f) The date of issuance and the amount of proceeds
605 distributed at issuance.

606 (g) The purpose for which the bonds were issued, including
607 the private business or entity that will benefit from or use the
608 proceeds of the bonds; the name of the project, if known; the
609 location of the project; whether the project is an acquisition

20247054er

610 of an existing facility or new construction; and the number
611 products manufactured or the number of residential units, if
612 applicable.

613 (h) The name, role, and contact information of the person
614 submitting the issuance report.

615 (3) At issuance, any portion of the state volume limitation
616 granted in such confirmation that is unissued, except in the
617 case of a carryforward confirmation, immediately reverts to the
618 pool from which the allocation was made and must be made
619 available for reallocation.

620 (4) Following the timely filing of an issuance report, the
621 director of the division shall sign the final certification of
622 allocation. The final certification of allocation may not be
623 issued before the timely receipt of an issuance report pursuant
624 to subsection (1).

625 Section 10. Section 159.806, Florida Statutes, is repealed.

626 Section 11. Section 159.8061, Florida Statutes, is created
627 to read:

628 159.8061 Affordable housing allocation pools.—

629 (1) (a) The following affordable housing allocation pools
630 are hereby established:

631 1. The regional affordable housing allocation pool.

632 2. The statewide affordable housing allocation pool.

633 (b) The affordable housing allocation pools are available
634 solely for issuing confirmations for affordable housing bonds
635 pursuant to the procedures specified in this section and s.
636 159.8052.

637 (2) (a) From January 1 through May 31 of each year, the
638 allocation made pursuant to s. 159.8041(2) (a) must be allocated

20247054er

639 to the regional affordable housing allocation pool and
640 distributed among the regions established in paragraph (b). The
641 allocation distributed to each region must be available solely
642 to issue confirmations for affordable housing bonds to issuers
643 located within such region on a first-come, first-served basis
644 for projects located within such region. The amount of volume
645 limitation distributed to each region within the regional
646 affordable housing allocation pool must be an amount
647 proportional to the ratio of the population of the region to the
648 total population of this state.

649 (b) The following regions are established within the
650 regional affordable housing allocation pool for the purposes of
651 this allocation:

652 1. Region 1, consisting of Bay, Calhoun, Columbia, Dixie,
653 Escambia, Franklin, Gadsden, Gilchrist, Gulf, Hamilton, Holmes,
654 Jackson, Jefferson, Lafayette, Leon, Liberty, Madison, Okaloosa,
655 Santa Rosa, Suwannee, Taylor, Wakulla, Walton, and Washington
656 Counties.

657 2. Region 2, consisting of Alachua, Baker, Bradford, Clay,

664 Sumter Counties.

665 7. Region 7, consisting of Osceola, and Seminole Counties.

666 8. Region 8, consisting of Orange County.

667 9. Region 9, consisting of Brevard, Glades, Highlands,

20247054er

668 Indian River, Martin, Okeechobee, St. Lucie, and Volusia
669 Counties.

670 10. Region 10, consisting of Hillsborough County.

671 11. Region 11, consisting of Charlotte, Collier, DeSoto,
672 Hendry, Lee, Monroe, and Sarasota Counties.

673 12. Region 12, consisting of Palm Beach County.

674 13. Region 13, consisting of Broward County.

675 14. Region 14, consisting of Miami-Dade County.

676 (3) On June 1 of each year, any portion of the allocation
677 made to the regional affordable allocation pool pursuant to
678 subsection (2) for which the division has not issued a
679 confirmation must be added to the statewide affordable housing
680 allocation pool. On and after June 1 of each year, any portion
681 of such allocation for which a confirmation is relinquished by
682 the issuer receiving such allocation before the expiration
683 thereof must be added to the statewide affordable housing
684 allocation pool.

685 (4) From June 1 through September 30 of each year, the
686 statewide affordable housing allocation pool must be available
687 for issuing confirmations for affordable housing bonds to
688 issuers statewide as provided in this subsection.

689 (a) On June 1 of each year, if a sufficient amount of state
690 volume limitation is available in the statewide affordable
691 housing allocation pool, the division must issue confirmations
692 for all notices of intent to issue previously placed on the
693 pending list for the regional affordable housing pool pursuant
694 to s. 159.8052(1)(b) during such year. After confirmations have
695 been issued for all notices of intent to issue previously placed
696 on the pending list for the regional affordable housing pool

20247054er

697 pursuant to s. 159.8052(1)(b), the statewide affordable housing
698 allocation pool must be available to issue confirmations on a
699 first-come, first-served basis. Notwithstanding s.
700 159.8052(1)(c), if the amount of state volume limitation
701 available in the statewide affordable housing allocation pool is
702 insufficient to issue a confirmation for each such notice of
703 intent to issue, the division must issue confirmations in the
704 priority order established in paragraph (b).

705 (b) If the division determines that the aggregate amount
706 requested in the notices of intent to issue placed on the
707 pending list for the regional affordable housing pool pursuant
708 to s. 159.8052(1)(b) during such year exceeds the state volume
709 limitation available in the statewide affordable housing
710 allocation pool on June 1, the division must issue confirmations
711 for any such notices of intent to issue for multifamily
712 affordable housing bonds in the priority order established in
713 this paragraph, and then, subject to the availability of state
714 volume limitation, must issue confirmations for any such notices
715 of intent to issue for single-family affordable housing bonds in
716 the priority order established in this paragraph until the
717 available state volume limitation is exhausted. In establishing
718 the priority of each such notice of intent, the division shall
719 first assign a consecutive number to each such notice of intent
720 to issue for multifamily affordable housing bonds and draw such
721 numbers randomly to establish the priority of each such notice
722 of intent to issue. The division shall assign a consecutive
723 number to each such notice of intent to issue for single-family
724 affordable housing bonds and draw such numbers randomly to
725 establish the priority of each such notice of intent to issue.

726 Section 12. Section 159.8062, Florida Statutes, is created
727 to read:

728 159.8062 Florida housing finance corporation pool.—

729 (1) From January 1 through September 30 of each year, the
730 corporation pool is established and shall be available for the
731 sole purpose of issuing confirmations for affordable housing
732 bonds to the corporation and its assigns pursuant to the
733 procedures specified in s. 159.8052. Before October 1 of any
734 year, the corporation pool is the only pool from which a
735 corporation may receive any allocation of state volume
736 limitation.

737 (2) (a) Notwithstanding s. 159.8051(1), before October 1 of
738 any year, the corporation need not submit a notice of intent to
739 issue or obtain a confirmation for the issuance of affordable
740 housing bonds using the state volume limitation allocated to
741 this pool pursuant to s. 159.8041(2) (b).

742 (b) For affordable housing bonds that the corporation
743 intends to issue on or after October 1 of any year, the
744 corporation must submit a notice of intent to issue no later
745 than September 30 of such year, and the division shall issue a
746 confirmation not exceeding the amount of state volume limitation
747 then available in the corporation pool. The corporation is not
748 subject to the fee required under s. 159.811 for notices of
749 intent to issue submitted pursuant to this paragraph.

750 (3) Prior to June 1 of each year, the corporation may, in
751 its discretion, assign any portion of the state volume
752 limitation in the corporation pool to the affordable housing
753 allocation pools.

754 Section 13. Section 159.8063, Florida Statutes, is created

20247054er

755 to read:

756 159.8063 Economic development allocation pool.—

757 (1) The economic development allocation pool is hereby
758 established and is available for issuing confirmations pursuant
759 to the procedures specified in this section and s. 159.8052.

760 (2) The economic development allocation pool must, at all
761 times, first be available to issue confirmations for those
762 portions of a private activity bond requiring an allocation of
763 state volume limitation under s. 146(m) of the Code and to issue
764 confirmations to state issuers and, thereafter, be available as
765 provided in subsection (3).

766 (3) (a) From January 1 through May 31 of each year, the
767 economic development allocation pool must be available for the
768 sole purpose of issuing confirmations for exempt facility bonds,
769 small issue bonds, student loan bonds, and redevelopment bonds
770 to issuers statewide in the priority order established by the
771 Secretary of Commerce as provided in this paragraph.

772 Notwithstanding s. 159.8052(1), any notice of intent to issue
773 requesting a confirmation from the economic development
774 allocation pool which conforms to the requirements of s.
775 159.8051 and is filed with the division before May 1 must be
776 forwarded to the Secretary of Commerce for review. The Secretary
777 of Commerce shall render a decision on or before May 15 as to
778 the order in which such notices of intent to issue are to
779 receive a confirmation. The division shall issue confirmations
780 for such notices of intent to issue in the order of priority
781 established by the Secretary of Commerce within 3 business days
782 after receipt of such decision.

783 (b) The economic development allocation pool must be

20247054er

784 available from June 1 through September 30 of each year for the
785 sole purpose of issuing confirmations for exempt facility bonds,
786 small issue bonds, student loan bonds, and redevelopment bonds
787 to issuers statewide on a first-come, first-served basis with
788 notification to the Department of Commerce.

789 Section 14. Section 159.807, Florida Statutes, is repealed.

790 Section 15. Section 159.8071, Florida Statutes, is created
791 to read:

792 159.8071 State allocation pool.—The state allocation pool
793 is hereby established and must be available to issue
794 confirmations pursuant to the procedures specified in s.
795 159.8052, and to issue confirmations for bonds to issuers
796 statewide on a first-come, first-served basis for all types of
797 private activity bonds from October 1 through November 30 of
798 each year.

799 Section 16. Section 159.8075, Florida Statutes, is
800 repealed.

801 Section 17. Section 159.80751, Florida Statutes, is created
802 to read:

803 159.80751 Qualified mortgage credit certificates.—

804 (1) On or before November 30 of each year, an issuer may
805 elect in writing to the division to convert all or a portion of
806 its allocation of state volume limitation for single-family
807 affordable housing bonds to mortgage credit certificates,
808 provided such election is made before the expiration date of the
809 confirmation granting such allocation. Each issuer shall provide
810 notice of any election made under this section to the governing
811 body of the county for which the issuer was created. Such
812 election is irrevocable.

20247054er

813 (2) All mortgage credit certificates must be issued under a
814 certification program that is designed to ensure that the
815 requirements of s. 25 of the Code, specifically s. 25(f)(4), are
816 complied with and that meets all requirements adopted by the
817 United States Secretary of the Treasury as set out in applicable
818 regulations. Any potential issuer of mortgage credit
819 certificates must certify in writing to the division that the
820 mortgage credit certification program is certified under s. 25
821 of the Code, specifically s. 25(f)(4).

822 (3) For that portion of the confirmation that an issuer has
823 elected to use for mortgage credit certificates before the
824 expiration thereof, the expiration dates in s. 159.8052(2) do
825 not apply and any unissued mortgage credit certificates will
826 automatically receive a carryforward confirmation.

827 (4) The election referenced in subsection (1) and the
828 certification referenced in subsection (2) must be filed with
829 the division in accordance with s. 159.814. The director of the
830 division is the state official designated to make the
831 certification required by Temporary Regulation 1.25-4T(d) under
832 the Code.

833 Section 18. Section 159.8081, Florida Statutes, is
834 repealed.

835 Section 19. Section 159.8083, Florida Statutes, is
836 repealed.

837 Section 20. Section 159.809, Florida Statutes, is repealed.

838 Section 21. Section 159.8091, Florida Statutes, is created
839 to read:

840 159.8091 Carryforward allocation pool.—

841 (1) The carryforward allocation pool is hereby established.

20247054er

842 The carryforward allocation pool is available for the sole
843 purpose of issuing carryforward confirmations to issuers
844 statewide for projects that are entitled under the Code to a
845 carryforward of state volume limitation past the end of the
846 calendar year pursuant to requests that meet the requirements of
847 s. 159.8101(3).

848 (2) On December 15 of each year, or, if December 15 is not
849 a business day, the first business day thereafter, the division
850 shall issue carryforward confirmations as provided for in
851 subsection (3) until the state volume limitation in the
852 carryforward allocation pool is exhausted.

853 (3) The amount of each carryforward confirmation, if there
854 is sufficient state volume limitation in the carryforward
855 allocation pool, must be the amount requested. If the division
856 determines that the aggregate amount of state volume limitation
857 requested for carryforward confirmations pursuant to this
858 section exceeds the amount available in the carryforward
859 allocation pool, the division must assign a consecutive number
860 to each such request, shall draw such numbers randomly to
861 establish the priority of each request, and shall issue
862 carryforward confirmations until the total amount of state
863 volume limitation is exhausted. Any requests in excess of the
864 state volume limitation may not be given any priority in the
865 following calendar year. If any state volume limitation remains
866 in the carryforward allocation pool after issuing carryforward
867 confirmations for all requests filed pursuant to s. 159.8101,
868 the division must make such remaining state volume limitation
869 available to the corporation to be carried forward for the
870 issuance of affordable housing bonds in subsequent years as

20247054er

871 provided by the Code. Thereafter, any remaining state volume
872 limitation not used as provided in subsection (2) must be
873 carried forward to the next calendar year to the extent
874 permitted by the Code.

875 Section 22. Section 159.81, Florida Statutes, is repealed.

876 Section 23. Section 159.8101, Florida Statutes, is created
877 to read:

878 159.8101 Applications for a carryforward; carryforward
879 confirmations.—

880 (1) Any issuer that wishes to elect to carryforward an
881 allocation of state volume limitation under s. 146(f) of the
882 Code must first request and obtain a carryforward confirmation
883 from the division.

884 (2) The division shall, when requested, issue a
885 carryforward confirmation for those confirmations issued
886 pursuant to this part for those projects that qualify for a
887 carryforward pursuant to s. 146(f) of the Code, provided that
888 such request includes an opinion of bond counsel that such
889 allocation of state volume limitation will be used for a
890 carryforward purpose pursuant to s. 146(f) (5) of the Code and is
891 received by the division at least 3 business days before the
892 expiration of such confirmation.

893 (3) A request for a carryforward confirmation must be made
894 by filing with the division a notice of intent to issue meeting
895 all requirements of this section and s. 159.8051(2). Such
896 request must include an opinion of bond counsel that such
897 allocation of state volume limitation will be used for a
898 carryforward purpose pursuant to s. 146(f) (5) of the Code. All
899 such requests must be timely filed with the division in

20247054er

900 accordance with s. 159.814 by or on behalf of the issuer
901 requesting to carryforward an allocation of state volume
902 limitation.

903 Section 24. Section 159.8105, Florida Statutes, is
904 repealed.

905 Section 25. Subsection (1) of section 159.811, Florida
906 Statutes, is amended to read:

907 159.811 Fees; trust fund.—

908 (1) There shall be imposed a nonrefundable fee on each
