Senator Bradley moved the following:

Senate Amendment

Delete lines 17 - 23

and insert:

(2) The department shall consult with the Department of Children and Families and at least one domestic violence advocacy organization and may consult with the Florida Sheriffs Association, the Florida Police Chiefs Association, and the Florida Partnership to End Domestic Violence to develop the policies, procedures, and training necessary for implementation of a statewide evidence-based lethality assessment. Such

232360

12 policies, procedures, and training must establish how to
13 determine whether a victim and aggressor are intimate partners
14 and establish a statewide process for referring a victim to a
15 certified domestic violence center. By January 1, 2025, the
16 department must adopt a statewide lethality assessment form that
17 includes all the information in paragraph (c). Training on how
18 to administer a lethality assessment and the approved lethality
19 assessment form must be accessible to a law enforcement officer
20 in an online format.
