I. Summary:

SB 948 defines the term “immediate relative” for purposes of the existing Divine Nine specialty license plate and expands eligibility for the purchase of the specialty plate to a member’s immediate relative and motor vehicle lessees.

The Divine Nine specialty license plates consist of plates authorized for the nine member organizations of the National Pan-Hellenic Council. Each organization’s plate has a unique logo, graphic, or colors, as well as distribution specific to the individual organization.

The bill will take effect July 1, 2024.

II. Present Situation:

Divine Nine Specialty License Plates

In 2020, the Department of Highway Safety and Motor Vehicles (DHSMV) was authorized to create the Divine Nine specialty license plates.¹ The Divine Nine specialty license plates consist of plates authorized for the nine member organizations of the National Pan-Hellenic Council.²

The nine member organizations include:

- Alpha Phi Alpha Fraternity;
- Alpha Kappa Alpha Sorority;
- Kappa Alpha Psi Fraternity;
- Omega Psi Phi Fraternity;

¹ Chapter 2020-181, Laws of Fla., creating s. 320.08058(101), F.S.

² The National Pan-Hellenic Council’s purpose is to foster cooperative actions of its members in dealing with matters of mutual concern and to promote the well-being of its fraternities and sororities. See National Pan-Hellenic Council, *About the NPHC*, <https://www.nphcq.com/about> (last visited December 20, 2023).

- Delta Sigma Theta Sorority;
- Phi Beta Sigma Fraternity;
- Zeta Phi Beta Sorority;
- Sigma Gamma Rho Sorority; and
- Iota Phi Theta Fraternity.

Each organization's plate has a unique logo, graphic, or colors, as well as distribution specific to the individual organization.³ However, plate sales are combined as one Divine Nine specialty license plate for the purpose of meeting the minimum license plate sales threshold and for determining the license plate limit.⁴

The plate has a \$25 annual use fee. The revenue generated through the sale of the plate is distributed to following recipient organizations: the United Negro College Fund, Inc., for college scholarships for Florida residents attending Florida's historically black colleges and universities; the Association to Preserve African American Society, History and Tradition, Inc.; and to additional organizations as specified to promote community awareness and action through educational, economic, and cultural service activities within the state.⁵

To be eligible for issuance of a Divine Nine specialty license plate, a person must be a Florida resident, the registered owner of a motor vehicle, and a member of the applicable organization.⁶

III. Effect of Proposed Changes:

The bill amends s. 320.08058 (101), F.S., to expand eligibility for issuance of the Divine Nine specialty license plates. The bill provides eligibility for such plates to an organization member's immediate relative and to motor vehicle lessees.

The bill defines "immediate relative" as a spouse, domestic partner, or child of a member. Proof of relationship will be established by providing a marriage license, domestic partnership agreement, birth certificate, or record of adoption. Motor vehicle lessees will be required to provide a lease agreement and the vehicle identification number for the motor vehicle that is being leased.
