Committee/Subcommittee hearing bill: Natural Resources & Disasters Subcommittee

Representative Benarroch offered the following:

Amendment (with title amendment)

Between lines 123 and 124, insert:

(8) Nothing in this act shall be construed to authorize access to private property without the express written consent of the landowner. Participation in any carbon sequestration program or activity recommended by the task force shall be strictly voluntary. Landowners shall not be penalized or denied access to other state programs for declining to participate. Any future regulatory framework or enforcement mechanism related to carbon sequestration shall require explicit legislative approval.
