Section 1. Subsections (20), (21), and (22) of section
120.52, Florida Statutes, are renumbered as subsections (21),
(22), and (23), respectively, and a new subsection (20) is added
to that section, to read:

120.52 Definitions.—As used in this act:

(20) "Technical change" means a change to a rule or a
statement of estimated regulatory cost that is limited to

2025108er

correcting citations or grammatical, typographical, or similar errors that do not affect the substance of the rule or statement.

Section 2. Subsection (5) is added to section 120.536, Florida Statutes, to read:

120.536 Rulemaking authority; repeal; challenge.—

(5) Unless otherwise expressly authorized by law, a rule may not include a provision whereby the entire rule, or a provision thereof, automatically expires or is repealed on a specific date or at the end of a specified period.

Section 3. Paragraphs (b) and (i) of subsection (1), paragraphs (a), (c), and (d) of subsection (2), paragraphs (a), (b), (d), and (e) of subsection (3), subsection (4), and paragraph (a) of subsection (7) of section 120.54, Florida Statutes, are amended to read:

120.54 Rulemaking.—

(1) GENERAL PROVISIONS APPLICABLE TO ALL RULES OTHER THAN EMERGENCY RULES.—

(b) Whenever an act of the Legislature is enacted which requires implementation of the act by rules of an agency within the executive branch of state government, the agency must publish a notice of rule development ~~such rules shall be drafted and formally proposed~~ as provided in this section within 30 days after the effective date of the law that requires rulemaking and provides a grant of rulemaking authority ~~the times provided in s. 120.74(4) and (5).~~

(i)1. A rule may incorporate material by reference but only as the material exists on the date the rule is adopted. For purposes of the rule, changes in the material are not effective

2025108er

unless the rule is amended to incorporate the changes.

2. An agency rule that incorporates by specific reference another rule of that agency automatically incorporates subsequent amendments to the referenced rule unless a contrary intent is clearly indicated in the referencing rule. A notice of amendments to a rule that has been incorporated by specific reference in other rules of that agency must explain the effect of those amendments on the referencing rules.

3. In rules adopted after December 31, 2010, or reviewed pursuant to s. 120.5435, material may not be incorporated by reference unless:

a. The material has been submitted in the prescribed electronic format to the Department of State and the full text of the material can be made available for free public access through an electronic hyperlink from the rule making the reference in the Florida Administrative Code; or

b. The agency has determined that posting the material on the Internet for purposes of public examination and inspection would constitute a violation of federal copyright law, in which case a statement to that effect, along with the addresses ~~address~~ of the locations at the Department of State and the agency at which the material is available for public inspection and examination, must be included in the notice required by subparagraph (3)(a)1.

4. In rules proposed after July 1, 2025, material may not be incorporated by reference unless:

a. The material has been submitted in the prescribed electronic format to the Department of State and the full text of the material, in a text-searchable format, can be made

2025108er

262 available for free public access through an electronic hyperlink
263 from the rule making the reference in the Florida Administrative
264 Register; or

265 b. The agency has determined that posting the material on
266 the Internet for purposes of public examination and inspection
267 would constitute a violation of federal copyright law, in which
268 case a statement to that effect, along with the addresses of the
269 locations at the Department of State and the agency at which the
270 material is available for public inspection and examination,
271 must be included in the notice required by subparagraph (3)(a)1.

272 5.4. A rule may not be amended by reference only.
273 Amendments must set out the amended rule in full in the same
274 manner as required by the State Constitution for laws.

275 6.5. Notwithstanding any contrary provision in this
276 section, when an adopted rule of the Department of Environmental
277 Protection or a water management district is incorporated by
278 reference in the other agency's rule to implement a provision of
279 part IV of chapter 373, subsequent amendments to the rule are
280 not effective as to the incorporating rule unless the agency
281 incorporating by reference notifies the committee and the
282 Department of State of its intent to adopt the subsequent
283 amendment, publishes notice of such intent in the Florida
284 Administrative Register, and files with the Department of State
285 a copy of the amended rule incorporated by reference. Changes in
286 the rule incorporated by reference are effective as to the other
287 agency 20 days after the date of the published notice and filing
288 with the Department of State. The Department of State shall
289 amend the history note of the incorporating rule to show the
290 effective date of such change. Any substantially affected person

2025108er

may, within 14 days after the date of publication of the notice of intent in the Florida Administrative Register, file an objection to rulemaking with the agency. The objection must ~~shall~~ specify the portions of the rule incorporated by reference to which the person objects and the reasons for the objection. The agency does ~~shall~~ not have the authority under this subparagraph to adopt those portions of the rule specified in such objection. The agency shall publish notice of the objection and of its action in response in the next available issue of the Florida Administrative Register.

7. If an agency updates or makes a change to a document that the agency created and which is incorporated by reference pursuant to paragraph (3)(a) or subparagraph (3)(e)1., the update or change must be coded by underlining new text and striking through deleted text.

8.6. The Department of State may adopt by rule requirements for incorporating materials pursuant to this paragraph.

(2) RULE DEVELOPMENT; WORKSHOPS; NEGOTIATED RULEMAKING.—

(a)1. Except when the intended action is the repeal of a rule, agencies shall provide notice of the development of proposed rules by publication of a notice of rule development in the Florida Administrative Register at least 7 days before providing notice of a proposed rule as required by paragraph (3)(a). The notice of rule development must:

a. ~~shall~~ Indicate the subject area to be addressed by rule development.7

b. Provide a short, plain explanation of the purpose and effect of the proposed rule.7

c. Cite the grant of rulemaking authority for the proposed

2025108er

rule and the law being implemented. ~~specific legal authority for~~
~~the proposed rule, and~~

d. Include the proposed rule number and, if available,
either the preliminary text of the proposed rule and any
incorporated documents ~~rules, if available,~~ or a statement of
how a person may promptly obtain, without cost, a copy of any
preliminary draft of such rule or documents, ~~if available.~~

2. A notice of a proposed rule must be published in the
Florida Administrative Register within 180 days after the most
recent notice of rule development, unless the Legislature
expressly provides a different date. The agency may only exceed
this timeframe if it submits to the committee, at least 7
business days before the end of the 180-day timeframe, a concise
statement that identifies the reasons for the delay in
rulemaking. The agency must update this statement each quarter
thereafter until it has filed a notice of proposed rule in the
applicable matter.

(c) An agency may hold public workshops for purposes of
rule development or information gathering for the preparation of
the statement of estimated regulatory costs. An agency must hold
public workshops, including workshops in various regions of the
state or the agency's service area, for purposes of rule
development if requested in writing by any affected person,
unless the agency head explains in writing why a workshop is
unnecessary. The explanation is not final agency action subject
to review pursuant to ss. 120.569 and 120.57. The failure to
provide the explanation when required may be a material error in
procedure pursuant to s. 120.56(1)(c). When a workshop or public
hearing is held, the agency must ensure that the persons

2025108er

349 responsible for preparing the proposed rule and the statement of
350 estimated regulatory costs, if applicable, are available to
351 explain the agency's proposal and to respond to questions or
352 comments regarding the rule being developed. The workshop may be
353 facilitated or mediated by a neutral third person, or the agency
354 may employ other types of dispute resolution alternatives for
355 the workshop that are appropriate for rule development. Notice
356 of a workshop for rule development or for information gathering
357 for the preparation of a statement of estimated regulatory costs
358 must ~~workshop shall~~ be by publication in the Florida
359 Administrative Register not less than 14 days before ~~prior to~~
360 the date on which the workshop is scheduled to be held and must
361 ~~shall~~ indicate the subject area that ~~which~~ will be addressed;
362 the agency contact person; and the place, date, and time of the
363 workshop.

364 (d)1. An agency may use negotiated rulemaking in developing
365 and adopting rules. The agency should consider the use of
366 negotiated rulemaking when complex rules are being drafted or
367 strong opposition to the rules is anticipated. The agency should
368 consider, but is not limited to considering, whether a balanced
369 committee of interested persons who will negotiate in good faith
370 can be assembled, whether the agency is willing to support the
371 work of the negotiating committee, and whether the agency can
372 use the group consensus as the basis for its proposed rule.
373 Negotiated rulemaking uses a committee of designated
374 representatives to draft a mutually acceptable proposed rule.

375 2. An agency that chooses to use the negotiated rulemaking
376 process described in this paragraph shall publish in the Florida
377 Administrative Register a notice of negotiated rulemaking that

2025108er

includes a listing of the representative groups that will be invited to participate in the negotiated rulemaking process. Any person who believes that his or her interest is not adequately represented may apply to participate within 30 days after publication of the notice. All meetings of the negotiating committee must ~~shall~~ be noticed and open to the public pursuant to ~~the provisions of~~ this chapter. The negotiating committee shall be chaired by a neutral facilitator or mediator.

3. The agency's decision to use negotiated rulemaking, its selection of the representative groups, and approval or denial of an application to participate in the negotiated rulemaking process are not agency action. ~~Nothing in~~ This subparagraph is not intended to affect the rights of a substantially ~~an~~ affected person to challenge a proposed rule developed under this paragraph in accordance with s. 120.56(2).

(3) ADOPTION PROCEDURES.—

(a) *Notices.*—

2. The notice must ~~shall~~ be published in the Florida

2025108er

Administrative Register at least 7 days after the notice of rule
development and at least ~~not less than~~ 28 days before ~~prior to~~
the intended action. The proposed rule, including all material
proposed to be incorporated by reference, must ~~shall~~ be
available for inspection and copying by the public at the time
of the publication of notice. Material proposed to be

subparagraph 1.

5. If any of the information that is required to be
included in the notice under subparagraph 1., other than

2025108er

substantive changes to the rule text, is omitted or is
incorrect, the agency must publish a notice of correction in the
Florida Administrative Register at least 7 days before the
intended agency action. The publication of a notice of
correction does not affect the timeframes for filing the rule
for adoption as set forth in paragraph (e). Technical changes
must be published as a notice of correction.

(b) *Special matters to be considered in rule adoption.*—

1. Statement of estimated regulatory costs.—Before the
adoption, amendment, or repeal of any rule, other than an
emergency rule, an agency is encouraged to prepare a statement
of estimated regulatory costs of the proposed rule, as provided
by s. 120.541. However, an agency must prepare a statement of
estimated regulatory costs of the proposed rule, as provided by
s. 120.541, if:

a. The proposed rule will have an adverse impact on small
business; or

b. The proposed rule is likely to directly or indirectly
increase regulatory costs in excess of \$200,000 in the aggregate
in this state within 1 year after the implementation of the
rule.

The agency must make available any information created or used
by the agency in determining whether a proposed rule meets the
factors listed in sub-subparagraphs a. and b. and such
information shall be a part of the rulemaking record. The agency
must consider in this determination the factors outlined in s.
120.541(2); however, the agency is not required to estimate the
proposed rule's impact to these factors as part of this

2025108er

determination.

2. Small businesses, small counties, and small cities.—

a. Each agency, before the adoption, amendment, or repeal of a rule, shall consider the impact of the rule on small businesses as defined by s. 288.703 and the impact of the rule on small counties or small cities as defined by s. 120.52. Whenever practicable, an agency shall tier its rules to reduce disproportionate impacts on small businesses, small counties, or small cities to avoid regulating small businesses, small counties, or small cities that do not contribute significantly to the problem the rule is designed to address. ~~An agency may define "small business" to include businesses employing more than 200 persons, may define "small county" to include those with populations of more than 75,000, and may define "small city" to include those with populations of more than 10,000, if it finds that such a definition is necessary to adapt a rule to the needs and problems of small businesses, small counties, or small cities.~~ The agency shall consider each of the following methods for reducing the impact of the proposed rule on small businesses, small counties, and small cities, or any combination of these entities:

(I) Establishing less stringent compliance or reporting requirements in the rule.

(II) Establishing less stringent schedules or deadlines in the rule for compliance or reporting requirements.

(III) Consolidating or simplifying the rule's compliance or reporting requirements.

(IV) Establishing performance standards or best management practices to replace design or operational standards in the

2025108er

rule.

(V) Exempting small businesses, small counties, or small cities from any or all requirements of the rule.

b.(I) If the agency determines that the proposed action will affect small businesses ~~as defined by the agency as provided in sub-subparagraph a.~~, the agency shall send written notice of the rule to the rules ombudsman in the Executive Office of the Governor at least 28 days before the intended action.

(II) Each agency shall adopt those regulatory alternatives offered by the rules ombudsman in the Executive Office of the Governor and provided to the agency no later than 21 days after the rules ombudsman's receipt of the written notice of the rule which it finds are feasible and consistent with the stated objectives of the proposed rule and which would reduce the impact on small businesses. When regulatory alternatives are offered by the rules ombudsman in the Executive Office of the Governor, the 90-day period for filing the rule in subparagraph (e)2. is extended for a period of 21 days. An agency shall provide the committee a copy of any regulatory alternative offered to the agency within 7 days after its delivery to the agency. The agency may not file a rule for adoption before such regulatory alternative, if applicable, has been provided to the committee.

(III) If an agency does not adopt all alternatives offered pursuant to this sub-subparagraph, it must ~~shall~~, before rule adoption or amendment and pursuant to subparagraph (d)1., file a detailed written statement with the committee explaining the reasons for failure to adopt such alternatives. Within 3 working

2025108er

days after the filing of such notice, the agency shall send a copy of such notice to the rules ombudsman in the Executive Office of the Governor.

(d) *Modification or withdrawal of proposed rules.*—

1. After the final public hearing on the proposed rule, or after the time for requesting a hearing has expired, if the proposed rule has not been changed from the rule as previously filed with the committee, or contains only technical changes, the adopting agency must ~~shall~~ file a notice to that effect with the committee at least 7 days before ~~prior to~~ filing the proposed rule for adoption. Any change, other than a technical change ~~that does not affect the substance of the rule~~, must be supported by the record of public hearings held on the proposed rule, must be in response to written material submitted to the agency within 21 days after the date of publication of the notice of intended agency action or submitted to the agency between the date of publication of the notice and the end of the final public hearing, or must be in response to a proposed objection by the committee. Any change, other than a technical change, to a statement of estimated regulatory costs requires a notice of change. In addition, ~~when~~ any change, other than a technical change, to is made in a proposed rule text or any material incorporated by reference requires, ~~other than a technical change,~~ the adopting agency to ~~shall~~ provide a copy of a notice of change by certified mail or actual delivery to any person who requests it in writing no later than 21 days after the notice required in paragraph (a). The agency shall file the notice of change with the committee, along with the reasons for the change, and provide the notice of change to persons

2025108er

requesting it, at least 21 days before ~~prior to~~ filing the rule for adoption. The notice of change must ~~shall~~ be published in the Florida Administrative Register at least 21 days before ~~prior to~~ filing the proposed rule for adoption. The notice of change must include a summary of any revision to the statement of estimated regulatory costs required by s. 120.541(1)(c). This subparagraph does not apply to emergency rules adopted pursuant to subsection (4). Material proposed to be incorporated by reference in the notice of change must be made available in the manner prescribed by sub-subparagraph (1)(i)3.a. or sub-subparagraph (1)(i)3.b. and include a summary of substantive revisions to any material proposed to be incorporated by reference in the proposed rule.

2. After the notice required by paragraph (a) and before ~~prior to~~ adoption, the agency may withdraw the proposed rule in whole or in part.

3. After the notice required by paragraph (a), the agency must withdraw the proposed rule if the agency has either failed to adopt it within the prescribed timeframes in this chapter or failed to submit the concise statement required under subparagraph (2)(a)2. If, 30 days after notice by the committee that the agency has failed to either adopt the proposed rule within the prescribed timeframes in this chapter or submit the required statement, the agency has not given notice of the withdrawal of the proposed rule, the committee must notify the Department of State that the date for adoption of the rule or submission of the required statement has expired, and the Department of State must publish a notice of withdrawal of the proposed rule. Within 30 days after the withdrawal, the agency

2025108er

610 must initiate rulemaking again if the mandatory grant of
611 rulemaking authority the agency relied upon as authority to
612 pursue the original rule action is still in effect at the time
613 of the original rule's withdrawal.

614 ~~4.3.~~ After adoption and before the rule becomes effective,
615 a rule may be modified or withdrawn only in the following
616 circumstances:

617 a. When the committee objects to the rule;

618 b. When a final order, which is not subject to further
619 appeal, is entered in a rule challenge brought pursuant to s.
620 120.56 after the date of adoption but before the rule becomes
621 effective pursuant to subparagraph (e)6.;

622 c. If the rule requires ratification, when ~~more than 90~~
623 ~~days have passed since the rule was filed for adoption without~~
624 the Legislature does not ratify ~~ratifying~~ the rule by the
625 adjournment sine die of the regular session immediately
626 following the timely filing for adoption of the rule, in which
627 case the rule must ~~may~~ be withdrawn, and within 90 days after
628 adjournment sine die, the agency:

629 (I) May initiate rulemaking again by publishing the notice
630 required by paragraph (3) (a); or

631 (II) Must initiate rulemaking again by publishing the
632 notice required by paragraph (3) (a), if the mandatory grant of
633 rulemaking authority the agency relied upon as authority to
634 pursue the original rule action is still in effect at the time
635 of the original rule's withdrawal ~~but may not be modified~~; or

636 d. When the committee notifies the agency that an objection
637 to the rule is being considered, in which case the rule may be
638 modified to extend the effective date by not more than 60 days.

2025108er

639 ~~5.4.~~ The agency shall give notice of its decision to
640 withdraw or modify a rule in the first available issue of the
641 publication in which the original notice of rulemaking was
642 published, shall notify those persons described in subparagraph
643 (a)3. in accordance with the requirements of that subparagraph,
644 and must ~~shall~~ notify the Department of State if the rule is
645 required to be filed with the Department of State.

646 ~~6.5.~~ After a rule has become effective, it may be repealed
647 or amended only through the rulemaking procedures specified in
648 this chapter.

649 7. The committee must, within 15 days after the end of each
650 calendar quarter, compile and post on its website a list of each
651 failure by an agency to file a notice of proposed rule within
652 the timeframe prescribed by subparagraph (2)(a)2. that has
653 occurred within the last quarter. The committee's list must
654 provide the following:

655 a. The name of the agency that failed to timely file a
656 notice of proposed rule.

657 b. The website address where the relevant notice of rule
658 development may be found.

659 c. A citation to the applicable grant of rulemaking
660 authority for the proposed rule and the law being implemented.

661 d. If the timeframe for filing a notice of proposed rule
662 prescribed in subparagraph (2)(a)2. has been exceeded but a
663 notice of proposed rule has not been filed, the length of time
664 since the filing of the notice of rule development.

665 e. If the timeframe for filing a notice of proposed rule in
666 subparagraph (2)(a)2. has been exceeded and a notice of proposed
667 rule has been filed, the length of time between the agency

2025108er

668 filing the notice of rule development and the filing of the
669 notice of proposed rule.

670 f. A copy of the agency's concise statement required under
671 subparagraph (2) (a) 2.

672 (e) *Filing for final adoption; effective date.*—

673 1. If the adopting agency is required to publish its rules
674 in the Florida Administrative Code, the agency, upon approval of
675 the agency head, must electronically ~~shall~~ file with the
676 Department of State a three ~~three~~ certified copy ~~copies~~ of the rule it
677 proposes to adopt; one copy of any material incorporated by
678 reference in the rule, certified by the agency; a summary of the
679 rule; a summary of any hearings held on the rule; and a detailed
680 written statement of the facts and circumstances justifying the
681 rule. Agencies not required to publish their rules in the
682 Florida Administrative Code shall file one certified copy of the
683 proposed rule, and the other material required by this
684 subparagraph, in the office of the agency head, and such rules
685 must ~~shall~~ be open to the public.

686 2. A rule may not be filed for adoption less than 28 days
687 or more than 90 days after the notice required by paragraph (a),
688 until 21 days after the notice of change required by paragraph
689 (d), until 14 days after the final public hearing, until 21 days
690 after a statement of estimated regulatory costs required under
691 s. 120.541 has been provided to all persons who submitted a
692 lower cost regulatory alternative and made available to the
693 public, or until the administrative law judge has rendered a
694 decision under s. 120.56(2), whichever applies. When a required
695 notice of change is published before ~~prior to~~ the expiration of
696 the time to file the rule for adoption, the period during which

2025108er

697 a rule must be filed for adoption is extended to 45 days after
698 the date of publication. If notice of a public hearing is
699 published before ~~prior to~~ the expiration of the time to file the
700 rule for adoption, the period during which a rule must be filed
701 for adoption is extended to 45 days after adjournment of the
702 final hearing on the rule, 21 days after receipt of all material
703 authorized to be submitted at the hearing, or 21 days after
704 receipt of the transcript, if one is made, whichever is latest.
705 The term "public hearing" includes any public meeting held by
706 any agency at which the rule is considered. If a petition for an
707 administrative determination under s. 120.56(2) is filed, the
708 period during which a rule must be filed for adoption is
709 extended to 60 days after the administrative law judge files the
710 final order with the clerk or until 60 days after subsequent
711 judicial review is complete.

712 3. At the time a rule is filed, the agency shall certify
713 that the time limitations prescribed by this paragraph have been
714 complied with, that all statutory rulemaking requirements have
715 been met, and that there is no administrative determination
716 pending on the rule.

717 4. At the time a rule is filed, the committee shall certify
718 whether the agency has responded in writing to all material and
719 timely written comments or written inquiries made on behalf of
720 the committee. The department shall reject any rule that is not
721 filed within the prescribed time limits; that does not comply
722 with all statutory rulemaking requirements and rules of the
723 department; upon which an agency has not responded in writing to
724 all material and timely written inquiries or written comments;
725 upon which an administrative determination is pending; or which

2025108er

does not include a statement of estimated regulatory costs, if required.

5. If a rule has not been adopted within the time limits imposed by this paragraph or has not been adopted in compliance with all statutory rulemaking requirements, the agency proposing the rule must ~~shall~~ withdraw the rule and give notice of its action in the next available issue of the Florida Administrative Register.

6. The proposed rule is ~~shall be~~ adopted upon ~~on~~ being filed with the Department of State and becomes ~~become~~ effective 20 days after being filed, on a later date specified in the notice required by subparagraph (a)1., on a date required by statute, or upon ratification by the Legislature pursuant to s. 120.541(3). Rules not required to be filed with the Department of State ~~shall~~ become effective when adopted by the agency head, on a later date specified by rule or statute, or upon ratification by the Legislature pursuant to s. 120.541(3). If the committee notifies an agency that an objection to a rule is being considered, the agency may postpone the adoption of the rule to accommodate review of the rule by the committee. When an agency postpones adoption of a rule to accommodate review by the committee, the 90-day period for filing the rule is tolled until the committee notifies the agency that it has completed its review of the rule.

For the purposes of this paragraph, the term "administrative determination" does not include subsequent judicial review.

(4) EMERGENCY RULES.—

(a) If an agency finds that an immediate danger to the

2025108er

public health, safety, or welfare requires emergency action, or
if the Legislature authorizes the agency to adopt emergency
rules and finds that all conditions specified in this paragraph
are met, the agency may, within the authority granted to the
agency under the State Constitution or delegated to it by the
Legislature, adopt any rule necessitated by the immediate danger
or legislative finding. The agency may adopt a rule by any
procedure which is fair under the circumstances if:

1. The procedure provides at least the procedural
protection given by other statutes, the State Constitution, or
the United States Constitution.

2. The agency takes only that action necessary to protect
the public interest under the emergency procedure.

3. The agency publishes in writing at the time of, or prior
to, its action the specific facts and reasons for finding an
immediate danger to the public health, safety, or welfare and
its reasons for concluding that the procedure used is fair under
the circumstances. In any event, notice of emergency rules,
other than those of educational units or units of government
with jurisdiction in only one or a part of one county, including
the full text of the rules and the agency's findings of
immediate danger, necessity, and procedural fairness or a
citation to the grant of emergency rulemaking authority, must
~~shall~~ be published in the first available issue of the Florida
Administrative Register and provided to the committee along with
any material incorporated by reference in the rules. The
agency's findings of immediate danger, necessity, and procedural
fairness are ~~shall be~~ judicially reviewable.

(b) Rules pertaining to the public health, safety, or

2025108er

welfare must ~~shall~~ include rules pertaining to perishable agricultural commodities or rules pertaining to the interpretation and implementation of the requirements of chapters 97-102 and chapter 105 of the Election Code.

(c) 1. An emergency rule adopted under this subsection may ~~shall~~ not be effective for a period longer than 90 days and may ~~shall~~ not be renewable, except when the agency has initiated rulemaking to adopt rules addressing the subject of the emergency rule and either:

a.1. A challenge to the proposed rules has been filed and remains pending; or

b.2. The proposed rules are awaiting ratification by the Legislature pursuant to s. 120.541(3). If the proposed rule is not ratified during the next regular legislative session, the emergency rule shall expire at adjournment sine die of that regular legislative session. The proposed rule must be withdrawn from ratification in accordance with s. 120.54(3)(d).

2. ~~Nothing in~~ This paragraph does not prohibit ~~prohibits~~ the agency from adopting a rule or rules identical to the emergency rule through the rulemaking procedures specified in subsection (3).

(d) Notice of the renewal of an emergency rule must be published in the Florida Administrative Register before the expiration of the existing emergency rule. The notice of renewal must state the specific facts and reasons for such renewal.

(e) For emergency rules with an effective period greater than 90 days which are intended to replace existing rules, a note must be added to the history note of the existing rule which specifically identifies the emergency rule that is

2025108er

intended to supersede the existing rule and includes the date
that the emergency rule was filed with the Department of State.

(f) Emergency rules must be published in the Florida
Administrative Code.

(g) An agency may supersede an emergency rule in effect
through adoption of another emergency rule before the superseded
rule expires. The reason for adopting the superseding rule must
be stated in accordance with the procedures set forth in
paragraph (a). The superseding rule may not be in effect longer
than the duration of the effective period of the superseded
rule.

(h) An agency may make technical changes to an emergency
rule within the first 7 days after the rule is adopted, and such
changes must be published in the Florida Administrative Register
as a notice of correction.

(i)~~(d)~~ Subject to applicable constitutional and statutory
provisions, an emergency rule becomes effective immediately on
filing, or on a date less than 20 days thereafter if specified
in the rule, if the adopting agency finds that such effective
date is necessary because of immediate danger to the public
health, safety, or welfare.

(j) An agency may repeal an emergency rule before it
expires by providing notice of its intended action in the
Florida Administrative Register. The notice must include the
full text of the emergency rule and a summary thereof; if
applicable, a reference to the rule number; and a short, plain
explanation as to why the conditions specified in accordance
with paragraph (a) no longer require the emergency rule.

(7) PETITION TO INITIATE RULEMAKING.—

2025108er

(a) Any person regulated by an agency or having substantial interest in an agency rule may petition an agency to adopt, amend, or repeal a rule or to provide the minimum public information required by this chapter. The petition must ~~shall~~ specify the proposed rule and action requested. The agency shall provide to the committee a copy of the petition within 7 days after its receipt. No ~~Not~~ later than 30 calendar days following the date of filing a petition, the agency shall initiate rulemaking proceedings under this chapter, otherwise comply with the requested action, or deny the petition with a written statement of its reasons for the denial. The agency shall notify the committee of its intended action or response within 7 days.

Section 4. Paragraph (a) of subsection (1) and subsections (2) and (3) of section 120.541, Florida Statutes, are amended, paragraph (d) is added to subsection (4), and subsections (6) and (7) are added to that section, to read:

120.541 Statement of estimated regulatory costs.—

(1)(a) Within 21 days after publication of the notice required under s. 120.54(3)(a), a substantially affected person may submit to an agency a good faith written proposal for a lower cost regulatory alternative to a proposed rule which substantially accomplishes the objectives of the law being implemented. The proposal may include the alternative of not adopting any rule if the proposal explains how the lower costs and objectives of the law will be achieved by not adopting any rule. If submitted after a notice of change, a proposal for a lower cost regulatory alternative is deemed to be made in good faith only if the person reasonably believes, and the proposal states the person's reasons for believing that the proposed

2025108er

rule, as changed by the notice of change, increases the regulatory costs or creates an adverse impact on small businesses which was not created by the previously proposed rule. If such a proposal is submitted, the 90-day period for filing the rule is extended 21 days. Upon the submission of the lower cost regulatory alternative, the agency shall prepare a statement of estimated regulatory costs as provided in subsection (2), or shall revise its prior statement of estimated regulatory costs, and either adopt the alternative or provide a statement of the reasons for rejecting the alternative in favor of the proposed rule. The agency shall provide to the committee, within 7 days after its receipt, a copy of any proposal for a lower cost regulatory alternative, and within 7 days after its release, a copy of the agency's response thereto. The agency may not file a rule for adoption before such documents, if applicable, have been provided to the committee.

(2) A statement of estimated regulatory costs shall include:

(a) An economic analysis showing whether the rule directly or indirectly:

1. Is likely to have an adverse impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;

2. Is likely to have an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after the

2025108er

implementation of the rule; or

3. Is likely to increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.

(b) A good faith estimate of the number of individuals and entities likely to be required to comply with the rule, together with a general description of the types of individuals likely to be affected by the rule.

(c) A good faith estimate of the cost to the agency, and to any other state and local government entities, of implementing and enforcing the proposed rule, and any anticipated effect on state or local revenues.

(d) A good faith estimate of the transactional costs likely to be incurred by individuals and entities, including local government entities, required to comply with the requirements of the rule. As used in this section, "transactional costs" are direct costs that are readily ascertainable by the agency based upon standard business practices, and may include:

1. Filing fees.
2. Expenses to obtain a license.
3. Necessary equipment.
4. Installation, utilities for, and maintenance of necessary equipment.
5. Necessary operations or procedures.
6. Accounting, financial, information management, and other administrative processes.
7. Labor, based on relevant wages, salaries, and benefits.
8. Materials and supplies.
9. Capital expenditures, including financing costs.

2025108er

929 10. Professional and technical services, including
930 contracted services necessary to implement and maintain
931 compliance.

932 11. Monitoring and reporting.

933 12. Qualifying and recurring education, training, and
934 testing.

935 13. Travel.

936 14. Insurance and surety requirements.

937 15. A fair and reasonable allocation of administrative
938 costs and other overhead.

939 16. Reduced sales or other revenue.

940 17. Other items suggested by the rules ombudsman in the
941 Executive Office of the Governor or by any interested person,
942 business organization, or business representative filing fees,
943 ~~the cost of obtaining a license, the cost of equipment required~~
944 ~~to be installed or used or procedures required to be employed in~~
945 ~~complying with the rule, additional operating costs incurred,~~
946 ~~the cost of monitoring and reporting, and any other costs~~
947 ~~necessary to comply with the rule.~~

948 (e) An analysis of the impact on small businesses as
949 defined by s. 288.703, and an analysis of the impact on small
950 counties and small cities as defined in s. 120.52. The impact
951 analysis for small businesses must include the basis for the
952 agency's decision not to implement alternatives that would
953 reduce adverse impacts on small businesses.

954 (f) In evaluating the impacts described in paragraphs (a)
955 and (e), an agency must include, if applicable, the market
956 impacts likely to result from compliance with the proposed rule,
957 including:

2025108er

958 1. Changes to customer charges for goods or services.

959 2. Changes to the market value of goods or services
960 produced, provided, or sold.

961 3. Changes to costs resulting from the purchase of
962 substitute or alternative goods or services.

963 4. The reasonable value of time to be spent by owners,
964 officers, operators, and managers to understand and comply with
965 the proposed rule, including, but not limited to, time to be
966 spent completing requiring education, training, or testing.

967 (g) Any additional information that the agency determines
968 may be useful.

969 (h) ~~(g)~~ In the statement or revised statement, whichever
970 applies, a description of any regulatory alternatives submitted
971 under paragraph (1) (a) and a statement adopting the alternative
972 or a statement of the reasons for rejecting the alternative in
973 favor of the proposed rule.

974 (3) If the adverse impact or regulatory costs of the rule
975 exceed any of the criteria established in paragraph (2) (a), the
976 rule must ~~shall~~ be submitted to the President of the Senate and
977 Speaker of the House of Representatives no later than 30 days
978 before ~~prior to~~ the next regular legislative session, and the
979 rule may not take effect until it is ratified by the
980 Legislature. The agency shall notify the committee of its
981 submission of the rule to the Legislature for ratification
982 within 3 business days after submittal.

983 (4) Subsection (3) does not apply to the adoption of:

984 (d) Emergency rules adopted pursuant to s. 120.54(4).

985 (6) (a) The Department of State shall include on the Florida
986 Administrative Register website the agency website addresses

2025108er

where statements of estimated regulatory costs can be viewed in their entirety.

(b) An agency that prepares a statement of estimated regulatory costs must provide, as part of the notice required under s. 120.54(3)(a), the agency website address where the statement of estimated regulatory costs can be read in its entirety to the Department of State for publication in the Florida Administrative Register.

(c) If an agency revises its statement of estimated regulatory costs, the agency must provide notice that a revision has been made in the manner provided under s. 120.54(3)(d)1. Such notice must also include the agency website address where the revision can be viewed in its entirety.

(7) The rules ombudsman in the Executive Office of the Governor must prescribe and post on a publicly accessible website a form that incorporates the factors in subsection (2). Agencies must use this form to prepare a statement of estimated regulatory costs as required by this section.

Section 5. Section 120.5435, Florida Statutes, is created to read:

120.5435 Agency review of rules.—

(1) For the purposes of this section, the term “rule” means the rule number assigned by the Department of State.

(2)(a) By July 1, 2030, each agency, in coordination with the committee, shall review all existing rules adopted by the agency before July 1, 2025, in accordance with this section.

(b) Beginning October 1, 2025, each agency shall include a list of its existing rules in its annual regulatory plan, prepared and submitted pursuant to s. 120.74. The agency shall

2025108er

1016 include a schedule of the rules it will review each year during
1017 the 5-year rule review period. The agency may amend its yearly
1018 schedule in subsequent regulatory plans, but must provide for
1019 the completed review of at least 20 percent of the agency's
1020 rules per year, until all of its subject rules have been
1021 reviewed.

1022 (c) This subsection stands repealed July 1, 2032.

1023 (3) Any rule initially adopted after July 1, 2025, must be
1024 reviewed in accordance with this section in the fifth year
1025 following adoption. Such review must be completed before the day
1026 that marks the sixth year since the adoption of the rule.

1027 (4) The agency rule review must determine whether each
1028 rule:

1029 (a) Is a valid exercise of delegated legislative authority;

1030 (b) Has current statutory authority;

1031 (c) Reiterates or paraphrases statutory material;

1032 (d) Is in proper form;

1033 (e) Is consistent with expressed legislative intent
1034 pertaining to the specific provisions of law which the rule
1035 implements;

1036 (f) Requires a technical or substantive update to reflect
1037 current use; and

1038 (g) Requires updated references to statutory citations and
1039 incorporated materials.

1040 (5) By January 1 of each year, the agency shall submit to
1041 the President of the Senate, the Speaker of the House of
1042 Representatives, and the committee a report that summarizes the
1043 agency's intended action on each rule under review during the
1044 current fiscal year.

2025108er

1045 (6) The agency shall take one of the following actions
1046 during its rule review:

1047 (a) Make no change to the rule. If the agency determines
1048 that no change is necessary, the agency must submit to the
1049 committee by April 1 a copy of the reviewed rule, a written
1050 statement of its intended action, and its assessment of factors
1051 specified in subsection (4). This determination is not subject
1052 to a challenge as a proposed rule pursuant to s. 120.56(2).

1053 (b) Make a technical change to the rule. If the agency
1054 determines that one or more technical changes are necessary, the
1055 agency must submit to the committee by April 1 a copy of the
1056 reviewed rule and the recommended technical change or changes
1057 coded by underlining new text and striking through deleted text,
1058 a written statement of its intended action, its assessment of
1059 the factors specified in subsection (4), and the facts and
1060 circumstances justifying the technical change or changes to the
1061 reviewed rule. This determination is not subject to a challenge
1062 as a proposed rule pursuant to s. 120.56(2).

1063 (c) Make a substantive change to the rule. If the agency
1064 determines that the rule requires a substantive change, the
1065 agency must make all changes, including any technical changes,
1066 to the rule in accordance with this chapter. The agency shall
1067 publish a notice of rule development in the Florida
1068 Administrative Register by April 1. The agency shall also submit
1069 to the committee by April 1 a copy of the reviewed rule and the
1070 recommended change or changes coded by underlining new text and
1071 striking through deleted text, a written statement of its
1072 intended action, and its assessment of factors specified in
1073 subsection (4). This submission to the committee does not

2025108er

constitute a notice of rule development as contemplated by s.
120.54(2)(a) and is not required to be in the same form as the
rule that will be proposed by the agency.

(d) Repeal the rule. If an agency determines that the rule
should be repealed, the agency must repeal the rule in
accordance with this chapter and publish the required notice in
the Florida Administrative Register by April 1. The agency shall
also submit to the committee by April 1 a written statement of
its intended action and its assessment of factors specified in
subsection (4). This submission to the committee does not
constitute a notice of proposed rule as contemplated by s.
120.54(3)(a).

(7)(a) By July 1, the committee shall examine each agency's
rule review submissions. The committee may request from an
agency any information that is reasonably necessary for
examination of a rule as required by subsections (2) and (3).

(b) If the agency recommends no change or a technical
change to a rule, the committee must certify whether the agency
has responded in writing to all material and timely written
comments or inquiries made on behalf of the committee.

(8) The rule review is completed upon:

(a) The agency, upon approval of the agency head or his or
her designee, electronically filing a certified copy of the
reviewed rule to which no changes or only technical changes were
made, and the committee's certification granted pursuant to
subsection (7), with the Department of State; or

(b) The agency, for a reviewed rule subject to substantive
change or repeal, timely filing the appropriate notice pursuant
to s. 120.54.

2025108er

(9) The Department of State shall publish in the Florida Administrative Register a notice of the completed rule review and shall update the history note of the rule in the Florida Administrative Code to reflect the date of completion, if applicable.

Section 6. Subsection (1) of section 120.545, Florida Statutes, is amended to read:

120.545 Committee review of agency rules.—

(1) As a legislative check on legislatively created authority, the committee shall examine each proposed rule, except for those proposed rules exempted by s. 120.81(1)(e) and (2), ~~and its accompanying material, and~~ each emergency rule, each rule reviewed under s. 120.5435, and may examine any existing rule, and any accompanying material or associated documents used to interpret a proposed or existing rule, for the purpose of determining whether:

(a) The rule is an invalid exercise of delegated legislative authority.

(b) The statutory authority for the rule has been repealed.

(c) The rule reiterates or paraphrases statutory material.

(d) The rule is in proper form.

(e) The notice given before ~~prior to~~ its adoption was sufficient to give adequate notice of the purpose and effect of the rule.

(f) The rule is consistent with expressed legislative intent pertaining to the specific provisions of law which the rule implements.

(g) The rule is necessary to accomplish the apparent or expressed objectives of the specific provision of law which the

2025108er

rule implements.

(h) The rule is a reasonable implementation of the law as it affects the convenience of the general public or persons particularly affected by the rule.

(i) The rule could be made less complex or more easily comprehensible to the general public.

(j) The rule's statement of estimated regulatory costs complies with the requirements of s. 120.541 and whether the rule does not impose regulatory costs on the regulated person, county, or city which could be reduced by the adoption of less costly alternatives that substantially accomplish the statutory objectives.

(k) The rule will require additional appropriations.

(l) If the rule is an emergency rule, there exists an emergency justifying the adoption of such rule, the agency is within its statutory authority, and the rule was adopted in compliance with the requirements and limitations of s. 120.54(4).

(m) The rule includes a provision not authorized by statute, whereby the entire rule, or a provision thereof, automatically expires or is repealed on a specific date or at the end of a specified period.

Section 7. Subsection (1) of section 120.55, Florida Statutes, is amended to read:

120.55 Publication.—

(1) The Department of State shall:

the term "rule" provided in s. 120.52 must ~~shall~~ be incorporated
by reference into the appropriate rule. The reference must ~~shall~~
specifically state that the form is being incorporated by
reference and ~~shall~~ include the number, title, and effective

reference in the rule directly to that material. The department
may not allow hyperlinks from rules in the Florida
