3 Representative Conerly offered the following:

4 **Amendment (with title amendment)**

5 Remove lines 520-781 and insert:

6 (2) For contractual services for the design, engineering,
7 or construction, or for any combination of the design,
8 engineering, and construction of capital improvement projects
9 with a total project cost estimated to be \$20 million or more, a
10 water management district shall give preference to the lowest
11 responsible and responsive bid, proposal, or reply that includes
12 proof of district-defined acceptable minimum work experience
13 within this state, project-specific payment and performance
14 bonds in amounts appropriate for the project contract amount,
15 and minimum warranty of 2 years beginning at substantial

Amendment No. 2

16 completion, or that provides proof of a comparable financial
17 assurance mechanism, as defined by district rule.

18 (3) For the purpose of the competitive selection process
19 in s. 287.055(4) or procurement procedures in s. 255.065(3), a
20 water management district shall consider whether a bid,
21 proposal, or reply includes appropriate payment and performance
22 bonds, proof of a comparable financial assurance mechanism, as
23 defined by district rule, or documentation of any and all bond
24 faults or bond claims within the last ten years, including all
25 open and closed claims and agreed upon amounts with a
26 description of the claim and any resolution.
