

1 A bill to be entitled
2 An act relating to anaphylaxis in public schools;
3 amending s. 1006.07, F.S.; requiring each district
4 school board to ensure that specified emergency action
5 plans are effective at all times when certain students
6 are on campus; requiring each district school board to
7 ensure that school personnel and employees and
8 contracted personnel of before-school and after-school
9 programs at school receive certain training relating
10 to allergic reactions and anaphylaxis; requiring that
11 at least one member of the school personnel with such
12 training be on school grounds for specified purposes;
13 providing requirements for such training; authorizing
14 the State Board of Education to adopt rules; providing
15 an effective date.

16
17 Be It Enacted by the Legislature of the State of Florida:
18

19 **Section 1. Subsection (12) is added to section 1006.07,**
20 **Florida Statutes, to read:**

21 1006.07 District school board duties relating to student
22 discipline and school safety.—The district school board shall
23 provide for the proper accounting for all students, for the
24 attendance and control of students at school, and for proper
25 attention to health, safety, and other matters relating to the

26 | welfare of students, including:

27 | (12) ANAPHYLAXIS POLICY.—

28 | (a) Each district school board shall ensure that for a
29 | student with an emergency action plan, his or her emergency
30 | action plan is effective at all times when he or she is on
31 | campus, including during extracurricular activities, athletics,
32 | school dances, and contracted before-school and after-school
33 | programs at his or her school. Each district school board shall
34 | ensure that each school within the district has provided
35 | training to school personnel on preventing and responding to an
36 | allergic reaction, including anaphylaxis, and that each before-
37 | school and after-school program at a school within the district
38 | has provided such training to its employees and contracted
39 | personnel. At least one member of the school personnel with such
40 | training must be on school grounds to execute a student's
41 | emergency action plan. The requirements for such training must
42 | include training in the administration of emergency epinephrine,
43 | including epinephrine autoinjectors and epinephrine nasal
44 | sprays.

45 | (b) The State Board of Education may adopt rules to
46 | administer this subsection, including identifying an approved
47 | training curriculum for the training required under this
48 | subsection.

49 | **Section 2.** This act shall take effect July 1, 2025.
