person's spouse, or the parent, child, grandparent, grandchild,
or sibling of the person or the person's spouse.

Section 5. Paragraphs (a) and (d) of subsection (4) of

532910

section 99.097, Florida Statutes, are amended, and paragraph (b) of subsection (1) of that section is reenacted, to read:

99.097 Verification of signatures on petitions.—

(1)

(b) Rules and guidelines for petition verification shall be adopted by the Department of State. Rules and guidelines for a random sample method of verification may include a requirement that petitions bear an additional number of names and signatures, not to exceed 15 percent of the names and signatures otherwise required. If the petitions do not meet such criteria or if the petitions are prescribed by s. 100.371, the use of the random sample method of verification is not available to supervisors.

(4)(a) The supervisor must be paid in advance the sum of 10 cents for each signature checked or the actual cost of checking such signature, whichever is less, by the candidate or, in the case of a petition to have a local issue placed on the ballot, by the person or organization submitting the petition. In the case of a petition to place a statewide issue on the ballot, the person or organization submitting the petition must pay the supervisor in advance the cost posted by the supervisor pursuant to s. 100.371(14) ~~s. 100.371(11) for the actual cost of checking signatures to place a statewide issue on the ballot.~~

(d) Except as provided in s. 100.371(14)(d), petitions must be retained by the supervisors for a period of 1 year following the election for which the petitions were circulated.

Section 6. Section 100.371, Florida Statutes, is amended to read:

100.371 Initiatives; procedure for placement on ballot.—

532910

41 (1) (a) Constitutional amendments proposed by initiative
42 shall be placed on the ballot for the general election, provided
43 the initiative petition has been filed with the Secretary of
44 State no later than February 1 of the year the general election
45 is held. A petition shall be deemed to be filed with the
46 Secretary of State upon the date the secretary determines that
47 valid and verified petition forms have been signed by the
48 constitutionally required number and distribution of voters
49 ~~electors~~ under this code.

50 (b) A sponsor of an initiative petition must obtain, at
51 least every third election cycle, a letter pursuant to s.
52 15.21(1)(c). Failure to obtain such letter results in expiration
53 of the initiative petition's signatures and disbanding of the
54 sponsor's political committee.

55 (c) Initiative petition signatures expire and the sponsor's
56 political committee is disbanded if a constitutional amendment
57 proposed by initiative submitted to the Secretary of State
58 before February 1, 2022, fails to obtain a letter pursuant to s.
59 15.21(1)(c) on or before February 1, 2026. This paragraph does

62 (2) The sponsor of an initiative amendment may not sponsor
63 more than one amendment and must ~~shall~~, before circulating any
64 petition forms ~~prior to obtaining any signatures~~, register as a

69 all forms filed in connection with this section must, upon

532910

request, be made available in alternative formats, ~~with the form on which the signatures will be affixed, and shall obtain the approval of the Secretary of State of such form. Upon receipt, the Secretary of State shall assign the initiative petition a petition number and submit a copy of the proposed amendment to the Financial Impact Estimating Conference for review, analysis, and estimation of the financial impact of the proposed amendment. After the review by the Financial Impact Estimating Conference, the division shall publish the forms with the information provided for in subsection (3) and on which signatures for the initiative petition will be affixed~~ The Secretary of State shall adopt rules pursuant to s. 120.54 ~~prescribing the style and requirements of such form. Upon filing with the Secretary of State, the text of the proposed amendment and all forms filed in connection with this section must, upon request, be made available in alternative formats.~~

(3)(a) Beginning July 1, 2025, the petition form must prominently display all of the following:

petition circulator number, a person may not collect, deliver,

532910

or otherwise physically possess more than five signed petition forms in addition to his or her own signed petition form or a signed petition form belonging to an immediate family member. This paragraph may not be construed to prohibit a person from distributing petition forms designated for personal use as described in paragraph (3)(e). For the purposes of this subsection, the term "immediate family" means a person's spouse, or the parent, child, grandparent, grandchild, or sibling of the person or the person's spouse ~~signatures or initiative petitions for compensation unless the person is registered as a petition circulator with the Secretary of State.~~

199 6. Whether the applicant has been convicted of a felony
200 violation and has not had his or her right to vote restored, by

203 providing a box for the applicant to check to affirm the
204 statement.

205 7. Whether the applicant is a citizen of the United States,
206 by asking the question, "Are you a citizen of the United States
207 of America?" and providing boxes for the applicant to check
208 whether the applicant is or is not a citizen of the United
209 States.

210 8. Whether the applicant is a Florida resident by asking
211 the question, "Are you a resident of the state of Florida?" and
212 providing boxes for the applicant to check whether the applicant
213 is or is not a resident of the state of Florida.

214 9. The signature of the applicant under penalty of perjury

532910

registration under this section by filing a petition in circuit
court. If the court finds that the respondent is not a
registered petition circulator, the court may enjoin the
respondent from collecting signatures or initiative petitions
until he or she is lawfully registered.

(e) The division may revoke a petition circulator's
registration upon the written request of the sponsor of the
initiative petition or if the circulator violates this section.

(f) A person may not register to collect signatures or
initiative petitions until he or she has completed the training
concerning the requirements for petition circulators. The
training must be developed by the division and must be in an
electronic format available on the division's public website.
The training must, at a minimum, include the following:

1. An overview of the petition-gathering process.
2. An overview of the petition circulator registration
requirements.

3. An explanation that the sponsor of an initiative
amendment serves as a fiduciary to each voter who signs a
petition.

247 fine in the amount of \$50,000 for each person the sponsor
248 knowingly allows to collect petition forms on behalf of the
249 sponsor in violation of this subsection.

250 (5) A sponsor may not compensate a petition circulator
251 based on the number of petition forms gathered or the time
252 within which a number of petition forms are gathered. This
253 prohibition includes, but is not limited to, paying a specified
254 amount per petition form gathered, basing an hourly rate on the
255 number of petition forms gathered over a specified period of
256 time, or providing any other benefit or form of compensation
257 based on the number of petition forms gathered. All petitions
258 collected by a petition circulator must contain, in a format
259 required by the Secretary of State, a completed Petition
260 Circulator's Affidavit which includes:

261 (a) The circulator's name and permanent address;

262 (b) The following statement, which must be signed by the
263 circulator:

264
265 By my signature below, as petition circulator, I
266 verify that the petition was signed in my presence.

267 Under penalties of perjury, I declare that I have read
268 the foregoing Petition Circulator's Affidavit and the
269 facts stated in it are true.

270
271 (6) The division or the supervisor of elections shall make
272 hard copy petition forms or electronic portable document format

532910

petition forms available to registered petition circulators. All such forms must contain information identifying the petition circulator to whom ~~which~~ the forms are provided. The division shall maintain a database of all registered petition circulators and the petition forms assigned to each. Each supervisor of elections shall provide to the division information on petition forms ~~assigned to and~~ received from petition circulators. The information must be provided in a format and at times as required by the division by rule. The division must update information on petition forms daily and make the information publicly available.

(7)(a) A sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the voter ~~elector~~ signing the petition form and shall ensure, ~~ensuring~~ that any petition form entrusted to the sponsor or petition circulator is ~~shall be~~ promptly delivered to the supervisor of elections in the county in which the voter resides within 10 ~~30~~ days after the voter ~~elector~~ signs the form. If a petition form collected by the sponsor or any petition circulator is not promptly delivered to the supervisor of elections, the sponsor is liable for the following fines:

1. A fine in the amount of \$50 per each day late for each petition form received by the supervisor of elections in the county in which the voter resides more than 10 ~~30~~ days after the voter ~~elector~~ signed the petition form ~~or the next business day, if the office is closed~~. A fine in the amount of \$2,500 ~~\$250~~ for each petition form received if the sponsor or petition circulator acted willfully.

2. A fine in the amount of \$100 per each day late, up to a

532910

maximum of \$5,000, for each petition form collected by a sponsor or a petition circulator, signed by a voter on or before February 1 of the year the general election is held and received by the supervisor of elections in the county in which the voter resides after the deadline for such election. A fine in the amount of \$5,000 for each such petition form received if the sponsor or petition circulator acted willfully.

3. A fine in the amount of \$500 for each petition form collected by a petition circulator which is not submitted to the supervisor of elections in the county in which the voter resides. A fine in the amount of \$5,000 ~~\$1,000~~ for any petition form not so submitted if the sponsor or petition circulator acting on its behalf acted willfully.

(b) A showing by the sponsor that the failure to deliver the petition form within the required timeframe is based upon force majeure or impossibility of performance is an affirmative defense to a violation of this subsection. The fines described in this subsection may be waived upon a showing that the failure to deliver the petition form promptly is based upon force majeure or impossibility of performance.

(8) If a person collecting petition forms on behalf of a sponsor of an initiative petition signs another person's name or a fictitious name to any petition, or fills in missing information on a signed petition, to secure a ballot position in violation of s. 104.185(2), the sponsor of the initiative petition is liable for a fine in the amount of \$5,000 for each such petition.

(9) If a person collecting petition forms on behalf of a sponsor of an initiative petition copies or retains a voter's

532910

personal information, such as the voter's Florida driver license number, Florida identification card number, social security number, or signature, for any reason other than to provide such information to the sponsor of the initiative petition, the person commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(10) A sponsor of an initiative petition or a person collecting petition forms on behalf of a sponsor of an initiative petition may not mail or otherwise provide a petition form upon which any information about a voter has been filled in before it is provided to the voter. The sponsor of an initiative petition is liable for a fine in the amount of \$50 for each petition form that is a violation of this subsection.

(11)~~(8)~~ If the Secretary of State reasonably believes that a person or entity has committed a violation of this section, the secretary may refer the matter to the Attorney General for enforcement. The Attorney General may institute a civil action for a violation of this section or to prevent a violation of this section. An action for relief may include a permanent or temporary injunction, a restraining order, or any other appropriate order. If the sponsor of an initiative petition discovers a violation of this section and reports the violation as soon as practicable to the secretary, the sponsor may not be fined for such violation.

(12)~~(9)~~ The division shall adopt by rule a complaint form for a voter ~~an elector~~ who claims to have had his or her signature misrepresented, forged, or not delivered to the supervisor. The division shall also adopt rules to ensure the integrity of the petition form gathering process, including

532910

rules requiring sponsors to account for all petition forms used by their agents. Such rules may require a sponsor or petition circulator to provide identification information on each petition form as determined by the department as needed to assist in the accounting of petition forms.

(13) ~~(10)~~ The date on which a voter ~~an elector~~ signs a petition form is presumed to be the date on which the petition circulator received or collected the petition form.

(14) (a) ~~(11) (a)~~ An initiative petition form circulated for signature may not be bundled with or attached to any other petition. Each signature shall be dated when made and shall be valid until the next February 1 occurring in an even-numbered year for the purpose of the amendment appearing on the ballot for the general election occurring in that same year, provided all other requirements of law are met. The sponsor shall submit signed and dated forms to the supervisor of elections for the county of residence listed by the person signing the form for verification of the number of valid signatures obtained.

(b) The supervisor shall record the date each submitted petition is received. If a signature on a petition is from a registered voter in another county, the supervisor must ~~shall~~ notify the petition sponsor and the division of the misfiled petition. The supervisor shall promptly verify the signatures within 60 days after receipt of the petition forms and payment and processing of a fee for the actual cost of signature verification incurred by the supervisor. However, for petition forms submitted less than 60 days before February 1 of an even-numbered year, the supervisor shall promptly verify the signatures within 30 days after receipt of the form and payment

532910

of the fee for signature verification.

(c) Beginning July 1, 2025, the supervisor shall promptly record, in the manner prescribed by the Secretary of State, the date each form is received by the supervisor, and the date the signature on the form is verified as valid. The supervisor may verify that the signature on a form is valid only if:

2. The purported voter ~~elector~~ has accurately recorded on the form the date on which he or she signed the form.

3. The form sets forth the purported voter's: ~~elector's~~

4. The purported voter ~~elector~~ is, at the time he or she signs the form and at the time the form is verified, a duly qualified and registered voter ~~elector~~ in the state.

5. The signature was obtained legally, including that if a ~~paid~~ petition circulator was used, the circulator was validly registered under subsection (4) ~~(3)~~ when the signature was obtained.

~~The supervisor shall retain all signature forms, separating forms verified as valid from those deemed invalid, for at least 1 year following the election for which the petition was circulated.~~

532910

(d)1.~~(b)~~ On the last day of each month, or on the last day of each week from December 1 of an odd-numbered year through February 1 of the following year, each supervisor shall electronically transmit all received petition forms to the division. The digital images of the scanned petition forms must be of high enough quality that division personnel are able to accurately discern elements contained in such forms. Forms must be identified as valid or as invalid.

2. Each supervisor shall retain all petition forms, identifying forms verified as valid from those deemed invalid, until all petition forms have been processed following the February 1 deadline. As soon as practicable following the processing of the last timely submitted petition form, but not later than March 15 following the February 1 deadline, the supervisor shall deliver the physical forms to the division. The division shall retain all petition forms for 1 year following the election for which the petition was circulated.

(e) Beginning October 1, 2025, when the signature on the petition form is verified as valid, the supervisor shall, as soon as practicable, notify the voter by mail at the mailing address on file in the Florida Voter Registration System.

1. Such notice must be sent by forwardable mail with a postage prepaid preaddressed form, which may be returned to the Office of Election Crimes and Security. The notice must include contact information for the Office of Election Crimes and Security, including the telephone number, fax number, mailing address, and e-mail address.
