### SUBJECT OVERVIEW:

#### Human Trafficking

Human trafficking means transporting, soliciting, recruiting, harboring, providing, enticing, maintaining, purchasing, patronizing, procuring, or obtaining another person for the purpose of exploitation of that person.<sup>1</sup> Under federal law, the term “severe forms of trafficking in persons” includes labor<sup>2</sup> and sex trafficking.<sup>3</sup> Victims can be found in legal and illegal labor industries, including child care, elder care, the drug trade, massage parlors, nail and hair salons, restaurants, hotels, factories, and farms.<sup>4</sup> In 2022, a total of 1,912 persons were referred to U.S. attorneys for human trafficking offenses.<sup>5</sup>

#### *Human Trafficking in Florida*

Florida is ranked as the third highest state of reported human trafficking cases in the United States.<sup>6</sup> Reports of commercially exploited children to the Florida Abuse Hotline for 2023 totaled 3,358 and 3,408 in 2022.<sup>7</sup> In Florida, any person who knowingly, or in reckless disregard of the facts, engages in human trafficking, attempts to engage in human trafficking, or benefits financially by receiving anything of value from participation in a venture that has subjected a person to human trafficking for labor,<sup>8</sup> services,<sup>9</sup> or commercial sexual activity,<sup>10</sup> commits a crime.<sup>11</sup>

#### The Role of School Employees in Reporting Human Trafficking

Florida law requires that any person who knows or who has reasonable cause to suspect that a child is abused by a parent, legal custodian, or other person responsible for their welfare or that the child is victim of sexual abuse must report such abuse to the Department of Children and Families (DCF) Abuse Hotline.<sup>12</sup> Abuse is defined as any willful act or threatened act that results in physical, mental, or sexual abuse, injury, or harm which causes or is likely to cause a child’s physical, mental, or emotional health to be significantly impaired.<sup>13</sup> Given this broad definition abuse and the fact that it is to be liberally construed,<sup>14</sup> any employee who suspects that a child is a victim of human trafficking must report their suspicions to the DCF Abuse Hotline. Failure to report a case of known or suspected abuse, neglect, or exploitation of a vulnerable adult is a second-degree misdemeanor.<sup>15</sup>

The Department of Education offers numerous resources regarding child human trafficking, including online training materials, hotlines, factsheets, and local contacts for reporting.<sup>16</sup> Currently, schools are required to provide

- Developing recommendations for human trafficking victim programs and services, including recommendations for certification criteria for safe houses and safe foster homes.
- Assessing the frequency and extent to which social media platforms are used to assist, facilitate, or support human trafficking within this state; establishing a process to detect such use on a consistent basis; and making recommendations on how to stop, reduce, or prevent social media platforms from being used for such purposes.
- Making recommendations for apprehending and prosecuting traffickers and enhancing coordination of responses.
- Annually holding a statewide policy summit.

- Certified by DLA, after review, to be operating in a manner consistent with the purposes of the DSO and in the best interests of the state.<sup>23</sup>

The DSO in, conjunction with the Council, is required to form strategic partnerships to foster the development of community and private sector resources to advance the goals of the Council.<sup>24</sup>
