## II. Present Situation:

### Florida Department of Law Enforcement

#### *Violent Crime Council*

In 1993, the Florida Violent Crime Council (Ch. 93-204, LOF) was established to financially assist local law enforcement agencies in extraordinary violent crime cases. After Florida's crime trend slightly shifted from violent crime to drug crimes, the 2001 Legislature approved the expansion of the Council to include funding for drug investigations. Renamed the Violent Crime and Drug Control Council (VCDCC), the VCDCC was authorized to provide supplemental funding to local and state law enforcement agencies working violent crime, major drug and money laundering investigations, and victim/witness protection and relocation efforts. The Legislature supports the funding of the VCDCC on a year-to-year basis.<sup>1</sup>

Pursuant to s. 943.031, F.S., the VCDCC is comprised of 14 members. The members are responsible to advise the Florida Department of Law Enforcement (FDLE) Executive Director and make recommendations on the development and implementation of initiatives to combat violent crime, drug trafficking, and money laundering. Eight members of the VCDCC are standing members (or designee) include the:

- Chief Financial Officer
- Attorney General
- Education Commissioner
- Executive Office of the Governor Public Safety Policy Coordinator
- Department of Juvenile Justice Secretary
- Department of Corrections Secretary
- Florida Network of Victim/Witness Services President
- FDLE Commissioner<sup>2</sup>

The remaining six members are appointed by the Governor,<sup>3</sup> three of which are vacant and the other three continue to serve beyond their term, which has expired. Members appointed by the Governor serve 2-year terms and the standing members serve as long as they hold office or employment that was the basis for their appointment to the VCDCC.<sup>4</sup>

The FDLE coordinates the VCDCC, assists the council in the performance of its duties and administers funds from the Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account. An annual report on the activities of the VCDCC is produced each year in December.<sup>5</sup>

The Florida Network of Victim/Witness Services, which is a standing member of the VCDCC, appears to be inactive based on common internet searches but has submitted annual reporting through the Department of State.<sup>6</sup> The not-for-profit organization does not maintain contact with the FDLE.

Due to budgetary constraints, VCDCC has only funded victim/witness protection reimbursement since September 2008. In 2009, the Legislature authorized FDLE to utilize trust funds to support victim/witness protection and relocation reimbursement requests. FDLE submitted a budget request during the Fiscal Year 20-21 legislative session requesting \$2,500,000 which would have allowed the department to resume awarding financial assistance to state and local law enforcement agencies. The legislature did not approve that request.<sup>7</sup>

Florida Statutes require all agencies awarded Council funds to complete a report on all active/open violent crime and drug funded cases every six months. The completed report, which is provided to FDLE by the receiving agency, must detail the expenditure of Council funds during the reporting period. FDLE continued to support the program utilizing operating trust funds through Fiscal Year 21-22. The Council did not hold an open conference meeting during 2024.<sup>8</sup>

#### Victim/Witness Protection Review Committee

The Victim/Witness Protection Review Committee was created within the Violent Crime and Drug Control Council. This committee is responsible for reviewing and approving or denying, in whole or in part, all requests for reimbursement of Victim/Witness Protection funding.<sup>9</sup>

The Council's six-member Victim and Witness Protection Review Committee held two closed conference meetings in February and June of 2022. The Committee approved two reimbursement

funding requests for a total of \$13,600.00.<sup>10</sup> No funds were awarded to agencies for victim/witness protection reimbursement in 2023.<sup>11</sup>

### ***Violent Crime Investigative Emergency Account***

In 1993, the Violent Crime Investigative Emergency Account was created (Ch. 93-204, LOF) as a mechanism to provide emergency supplemental funds to state and local law enforcement agencies which were involved in complex violent crime investigations. In 2001, the account was renamed to the Violent Crime Investigative Emergency and Drug Control Strategy Implementation Account (Ch. 2001-127, LOF) to allow agencies to utilize the funding for complex drug investigations. The Legislature supports the funding on a year-to-year basis. The Legislature has not provided an appropriation since Fiscal Year 08-09.

### ***Crimes Against Children Criminal Profiling Program***

Section 943.041, F.S., creates the Crimes Against Children Criminal Profiling Program (CACP) within the FDLE. The CACP provides investigative, training, and intelligence assistance to local law enforcement agencies while taking a proactive approach to investigating and preventing child sexual exploitation.<sup>12,13</sup>

The networking and sharing of intelligence and investigative data enhances the existing communications network of the Florida Investigative Support Center (FISC) within the FDLE. This database enables the FDLE personnel to identify patterns and movements of specific criminal activities. In addition, it provides local law enforcement investigators with a statewide medium through which they share criminal information. Special Agents of the CACP have received extensive training in the area of crimes against children. Consequently, members of this program are qualified to investigate multi-jurisdictional operations and organized crimes against children. In addition, investigative and technical assistance is provided to local law enforcement agencies.<sup>14</sup>

### ***Crimes Against Children Criminal Profiling Trust Fund***

In 1989, the Crimes Against Children Criminal Profiling Trust Fund was established within FDLE (Ch. 89-3, LOF). The monies placed in the trust fund consisted of an additional fee on birth certificates authorized under s. 382.025, F.S., and any other money appropriated by the Legislature or received from the federal government or any other public or private source. The trust fund was established to assist local law enforcement agencies with investigative,

### ***Domestic Security Oversight Council***

In 2005, s. 943.0313, F.S., codified the Domestic Security Oversight Council (DSOC). The legislation provided for its membership, governance and duties of the council. The voting members include the:

- Executive Director of the Department of Law Enforcement
- Director of the Division of Emergency Management
- Attorney General
- Commissioner of Agriculture
- State Surgeon General
- Commissioner of Education
- State Fire Marshal
- Adjutant General of the Florida National Guard
- State Chief Information Officer
- Each sheriff or chief of police who serves as a co-chair of a regional domestic security task force pursuant to s. 943.0312(1)(b).
- Each of the department's special agents in charge who serve as a co-chair of a regional domestic security task force.
- Two representatives of the Florida Fire Chiefs Association.
- One representative of the Florida Police Chiefs Association.
- One representative of the Florida Prosecuting Attorneys Association.
- The chair of the Statewide Domestic Security Intelligence Committee.
- One representative of the Florida Hospital Association.
- One representative of the Emergency Medical Services Advisory Council.
- One representative of the Florida Emergency Preparedness Association.
- One representative of the Florida Seaport Transportation and Economic Development Council.

The voting members must include the Chair of the Statewide Domestic Security Intelligence Committee. As the domestic security framework has evolved, this committee was abolished several years ago. This has caused a vacancy within the council that cannot be filled.<sup>15</sup>

The DSOC serves as an advisory council that in part reviews the development, maintenance and operation of a comprehensive domestic security strategy to guide the state's prevention, preparedness, protection, response and recovery efforts against terroristic attacks and make appropriate recommendations. The DSOC is required to report annually on its activities on or before December 31 of each calendar year to the Governor, the President of the Senate, the Speaker of the House of Representatives and the chairs of the committees having principal jurisdiction over domestic security.<sup>16</sup>

<sup>16</sup> Section 943.0313(5), F.S.

Pursuant to s. 943.0311, F.S., the duties of the Chief of Domestic Security include a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by November 1 of each calendar year which details suggestions for specific and significant security enhancements of any building, facility, or structure owned or leased by a state agency, state university, or community college or any entity that has conducted an assessment under s. 943.0311(6), F.S. This report is separate from the report required under s. 943.0313(6), F.S.

### ***Care for Retired Police Dogs Program***

In 2022, the Care for Retired Police Dogs Program was created in s. 943.69, F.S. The program established and provides funding for reimbursement of veterinary care for retired police dogs. The program currently provides reimbursement up to \$1,500 annually, per dog, for veterinary care to any former handler or adopter of a retired police dog, that served 5 or more years as a police dog.<sup>17</sup>

Funds under this program may be used for the following veterinary expenses, provided the expenses are the result of care/treatment from a licensed Florida veterinarian, including:

- Annual wellness exams,
- Vaccinations,
- Internal and external parasite prevention treatments,
- Testing and treatment of illnesses and diseases,
- Medications,
- Emergency care and surgeries,
- Veterinary oncology or other specialty care,
- Euthanasia, and
- Cremation.<sup>18,19</sup>

Basic annual vet visits for cats and dogs cost between \$50 to \$250, and they increase up to \$8,000 for specialized treatment (wound treatment, bloat treatment, emergency surgery, etc.).<sup>20</sup> Law enforcement dogs have become an integral part of many law enforcement efforts statewide, including suspect apprehension through tracking and searching, evidence location, drug and bomb detection, and search and rescue operations.<sup>21</sup> Law enforcement dogs cannot work forever and are faced with natural aging conditions and may have sustained injuries in the line of duty.<sup>22</sup>
