10 amendment made to s. 39.01, F.S., in references
11 thereto; providing an effective date.
12

13 Be It Enacted by the Legislature of the State of Florida:
14

15 Section 1. Paragraphs (a) and (f) of subsection (37) of
16 section 39.01, Florida Statutes, are amended to read:

17 39.01 Definitions.—When used in this chapter, unless the
18 context otherwise requires:

19 (37) "Harm" to a child's health or welfare can occur when
20 any person:

21 (a) Inflicts or allows to be inflicted upon the child
22 physical, mental, or emotional injury. In determining whether
23 harm has occurred, the following factors must be considered in
24 evaluating any physical, mental, or emotional injury to a child:
25 the age of the child; any prior history of injuries to the
26 child; the location of the injury on the body of the child; the
27 multiplicity of the injury; and the type of trauma inflicted.
28 Such injury includes, but is not limited to:

29 1. Willful acts that produce the following specific

20251286er

injuries:

- a. Sprains, dislocations, or cartilage damage.
- b. Bone or skull fractures.
- c. Brain or spinal cord damage.
- d. Intracranial hemorrhage or injury to other internal organs.
- e. Asphyxiation, suffocation, or drowning.
- f. Injury resulting from the use of a deadly weapon.
- g. Burns or scalding.
- h. Cuts, lacerations, punctures, or bites.
- i. Permanent or temporary disfigurement.
- j. Permanent or temporary loss or impairment of a body part or function.

As used in this subparagraph, the term "willful" refers to the intent to perform an action, not to the intent to achieve a result or to cause an injury.

2. Purposely giving a child poison, alcohol, drugs, or other substances that substantially affect the child's behavior, motor coordination, or judgment or that result in sickness or internal injury. For the purposes of this subparagraph, the term "drugs" means prescription drugs not prescribed for the child or not administered as prescribed, and controlled substances as outlined in Schedule I or Schedule II of s. 893.03.

3. Leaving a child without adult supervision or arrangement appropriate for the child's age or mental or physical condition, so that the child is unable to care for the child's own needs, is subjected to obvious danger of which the child's caregiver knew or should have known, ~~or another's basic needs~~ or is unable

20251286er

to exercise reasonable ~~good~~ judgment to avoid serious harm to
himself or others in responding to any kind of physical or
emotional crisis. This subparagraph may not be construed to
restrict a caregiver from allowing a child of sufficient
maturity and physical condition from engaging in independent
unsupervised activities, including, but not limited to,
traveling to or from school or nearby locations by bicycle or on
foot, playing outdoors, or remaining at home or any other
location for a reasonable period of time, unless allowing such
activities constitutes conduct that is so reckless as to
endanger the health or safety of the child.

4. Inappropriate or excessively harsh disciplinary action
that is likely to result in physical injury, mental injury as
defined in this section, or emotional injury. The significance
of any injury must be evaluated in light of the following
factors: the age of the child; any prior history of injuries to
the child; the location of the injury on the body of the child;
the multiplicity of the injury; and the type of trauma
inflicted. Corporal discipline may be considered excessive or
abusive when it results in any of the following or other similar
injuries:

- a. Sprains, dislocations, or cartilage damage.
- b. Bone or skull fractures.
- c. Brain or spinal cord damage.
- d. Intracranial hemorrhage or injury to other internal
organs.
- e. Asphyxiation, suffocation, or drowning.
- f. Injury resulting from the use of a deadly weapon.
- g. Burns or scalding.

88 h. Cuts, lacerations, punctures, or bites.
89 i. Permanent or temporary disfigurement.
90 j. Permanent or temporary loss or impairment of a body part
91 or function.
92 k. Significant bruises or welts.
93 (f) Neglects the child. Within the context of the
94 definition of "harm," the term "neglects the child" means that
95 the parent or other person responsible for the child's welfare
96 fails to supply the child with adequate food, clothing, shelter,
97 or health care, although financially able to do so or although
98 offered financial or other means to do so; however, the term
99 does not include a caregiver allowing a child to engage in
100 independent and unsupervised activities unless allowing such
101 activities constitutes reckless conduct that endangers the
102 health or safety of the child. Such independent and unsupervised
103 activities include, but are not limited to, traveling to or from
104 school or nearby locations by bicycle or on foot, playing
105 outdoors, or remaining at home or any other location for a
106 reasonable period of time. ~~However,~~ A parent or legal custodian
107 who, by reason of the legitimate practice of religious beliefs,
108 does not provide specified medical treatment for a child may not
109 be considered abusive or neglectful for that reason alone, but
110 such an exception does not:
111 1. Eliminate the requirement that such a case be reported
112 to the department;
113 2. Prevent the department from investigating such a case;
114 or
115 3. Preclude a court from ordering, when the health of the
116 child requires it, the provision of medical services by a

20251286er

physician, as defined in this section, or treatment by a duly accredited practitioner who relies solely on spiritual means for healing in accordance with the tenets and practices of a well-recognized church or religious organization.

Section 2. Paragraph (e) of subsection (1) of section 827.03, Florida Statutes, is amended to read:

827.03 Abuse, aggravated abuse, and neglect of a child; penalties.—

(1) DEFINITIONS.—As used in this section, the term:

(e) "Neglect of a child" means:

1. A caregiver's willful failure or omission to provide a child with the care, supervision, and services necessary to maintain the child's physical and mental health, including, but not limited to, food, nutrition, clothing, shelter, supervision, medicine, and medical services that a prudent person would consider essential for the well-being of the child. The term does not include a caregiver allowing a child to engage in independent and unsupervised activities unless allowing such activities constitutes willful and wanton conduct that endangers the health or safety of the child. Such independent and unsupervised activities include, but are not limited to, traveling to or from school or nearby locations by bicycle or on foot, playing outdoors, or remaining at home or any other location for a reasonable period of time; or

2. A caregiver's failure to make a reasonable effort to protect a child from abuse, neglect, or exploitation by another person.

Except as otherwise provided in this section, neglect of a child

20251286er

may be based on repeated conduct or on a single incident or omission that results in, or could reasonably be expected to result in, serious physical or mental injury, or a substantial risk of death, to a child.

Section 3. For the purpose of incorporating the amendment made by this act to section 39.01, Florida Statutes, in a reference thereto, paragraph (b) of subsection (2) of section 390.01114, Florida Statutes, is reenacted to read:

390.01114 Parental Notice of and Consent for Abortion Act.—

(2) DEFINITIONS.—As used in this section, the term:

(b) “Child abuse” means abandonment, abuse, harm, mental injury, neglect, physical injury, or sexual abuse of a child as those terms are defined in ss. 39.01, 827.04, and 984.03.

Section 4. For the purpose of incorporating the amendment made by this act to section 39.01, Florida Statutes, in a reference thereto, subsection (2) of section 984.03, Florida Statutes, is reenacted to read:

984.03 Definitions.—When used in this chapter, the term:

(2) “Abuse” means any willful act that results in any physical, mental, or sexual injury that causes or is likely to cause the child’s physical, mental, or emotional health to be significantly impaired. Corporal discipline of a child by a parent or guardian for disciplinary purposes does not in itself constitute abuse when it does not result in harm to the child as defined in s. 39.01.

Section 5. This act shall take effect July 1, 2025.
