## HOUSE AMENDMENT

Bill No. HB 1297 (2025)

Amendment No.

14	economic hardship, technological limitations that are not
15	reasonably within the control of the practitioner, or another
16	exceptional circumstance demonstrated by the practitioner; <u>or</u>
17	(d) Electronic prescribing is not available due to a
18	temporary technological or electrical failure that is not in the
19	control of the prescribing practitioner, and such failure is
20	documented in the patient record
21	(d) The practitioner reasonably determines that it would
22	be impractical for the patient in question to obtain a medicinal
23	drug prescribed by electronic prescription in a timely manner
24	and such delay would adversely impact the patient's medical
25	condition;
26	(e) The practitioner is prescribing a drug under a
27	research protocol;
28	(f) The prescription is for a drug for which the federal
29	Food and Drug Administration requires the prescription to
30	contain elements that may not be included in electronic
31	prescribing;
32	(g) The prescription is issued to an individual receiving
33	hospice care or who is a resident of a nursing home facility; or
34	(h) The practitioner determines that it is in the best
35	interest of the patient, or the patient determines that it is in
36	his or her own best interest, to compare prescription drug
37	prices among area pharmacies. The practitioner must document
38	such determination in the patient's medical record.

## HOUSE AMENDMENT

Bill No. HB 1297 (2025)

Amendment No.

39	
40	The department, in consultation with the Board of Medicine, the
41	Board of Osteopathic Medicine, the Board of Podiatric Medicine,
42	the Board of Dentistry, the Board of Nursing, and the Board of
43	Optometry, may adopt rules to implement this subsection. This
44	subsection does not prohibit a pharmacist licensed in this state
45	from filling or refilling a valid prescription submitted
46	electronically or in writing, or require or authorize a change
47	in prescription drug claims adjudication and review procedures
48	by payors related to filling or refilling a valid prescription
49	submitted electronically or in writing. This subsection does not
50	prohibit a pharmacist licensed in this state from filling or
51	refilling a valid prescription issued in writing by a prescriber
52	located in another state.
