**I. Summary:**

SB 1374 strengthens reporting and accountability measures related to educator arrests and misconduct by:

- Requiring district school boards to adopt a policy for the temporary removal of instructional personnel from the classroom within 24 hours of an arrest for a felony offense or a misdemeanor offense listed in Level 2 background screening standards when notified by law enforcement or through self-reporting requirements.
- Expanding law enforcement notification requirements to include additional disqualifying offenses listed in Level 2 background screening standards and mandating notification within 48 hours of an arrest for these offenses.
- Expanding self-reporting requirements to include offenses listed in Level 2 background screening standards and requiring instructional and administrative personnel to report an arrest within 48 hours.
- Clarifying that self-reports are not admissions of guilt and cannot be used against the employee in any civil, criminal, administrative, or judicial proceeding.

The bill takes effect July 1, 2025.

**II. Present Situation:**

**Screening and Employment Standards for School Employees**

Florida law establishes screening standards for individuals seeking educator certification or employment in positions that require direct contact with students in district schools, charter

schools, and private schools participating in state scholarship programs.<sup>1</sup> A person is ineligible for employment if they:<sup>2</sup>

- Are on the disqualification list maintained by the Department of Education.
- Are registered as a sex offender under federal law.
- Are ineligible based on a security background check conducted pursuant to Level 2 background screening standards.<sup>3</sup>
- Have been convicted or found guilty of, have had adjudication withheld for, or have pled guilty or nolo contendere to:
  - Any criminal act committed in another state or under federal law that would constitute a disqualifying offense under Level 2 background screening standards.
  - Any delinquent act that would qualify the individual for inclusion on Florida's Registered Juvenile Sex Offender List.

### **Level 2 Background Screenings and Disqualifying Offenses**

Individuals seeking employment in positions involving direct contact with vulnerable populations, including students, are subject to Level 2 background screening requirements.<sup>4</sup> Disqualifying offenses include certain felony and misdemeanor offenses related to violence, abuse, sexual misconduct, and controlled substances.<sup>5</sup> These offenses form the basis for screening standards applicable to school personnel.

### **Educator Disqualification**

The Department of Education (DOE) maintains a disqualification list of individuals permanently prohibited from certain education positions, including those with revoked certificates, disqualifications related to private schools, or employment terminations due to misconduct endangering the health, safety, or welfare of a student.<sup>6</sup>

A person may be removed from the disqualification list under certain conditions, including a completed law enforcement investigation resulting in exoneration, correction of mistaken identity, or an employer's request for removal with supporting documentation.<sup>7</sup>

To support employment screening, the DOE provides electronic verification access to school districts, charter schools, the Florida School for the Deaf and the Blind, and private schools that accept state scholarships for students.<sup>8</sup> This access allows authorized personnel to review:<sup>9</sup>

- The Professional Practices' Database of Disciplinary Actions Against Educators.
- The DOE Teacher Certification Database.
- The Disqualification List maintained under state law.

### **Law Enforcement Notification of Employee Arrests**

Law enforcement agencies are required to notify school officials within 48 hours when a school employee is arrested for a felony offense, child abuse, or the sale or possession of a controlled substance.<sup>10</sup> The notification must be sent to the district school superintendent, charter school governing board, private school administrator, university lab school director, or president of the Florida School for the Deaf and the Blind, as applicable.<sup>11</sup> Additionally, within 24 hours, school principals or their designees must notify parents of enrolled students who had direct contact with the arrested employee and disclose the employee's name and the specific charges.<sup>12</sup>

### **Self-Reporting Requirements for Employees**

Certified teachers must self-report within 48 hours to appropriate authorities, as determined by the school district, any arrests or charges involving the abuse of a child or the sale and/or possession of a controlled substance. Such notice is not considered an admission of guilt, and may not be used in any proceeding, civil or criminal, administrative or judicial, investigatory or adjudicatory. In addition, the individual must self-report any conviction, finding of guilt, withholding of adjudication, commitment to a pretrial diversion program, or entering of a plea of guilty or Nolo Contendere for any criminal offense other than a minor traffic violation within 48 hours after the final judgment.<sup>13</sup>

Instructional and administrative personnel who become aware that a sexual battery has been committed by a student upon another student are legally required to report the offense to law enforcement.<sup>14</sup>

Instructional personnel include classroom teachers, student personnel services staff, librarians, and other staff providing direct instructional support.<sup>15</sup> Administrative personnel include school-based administrators, such as principals, and district-based instructional and noninstructional administrators.<sup>16</sup>

### **Temporary Removal of Instructional Personnel**

District school boards are responsible for establishing policies related to the employment and discipline of instructional personnel, including appointment, promotion, suspension, and dismissal of employees.<sup>17</sup> The law does not currently mandate the temporary removal of instructional personnel following an arrest. However, school boards have the authority to suspend or dismiss employees in accordance with applicable laws and district policies.<sup>18</sup>

## **Investigation and Disciplinary Procedures for Educators**

The DOE investigates legally sufficient complaints against certified educators, including those whose certificates have expired if the alleged misconduct occurred while they were certified.<sup>19</sup>

### ***Mandatory Reporting by School Districts***

School districts must report legally sufficient complaints to the DOE within 30 days, regardless of whether the educator remains employed.<sup>20</sup> If an educator resigns or is terminated before an investigation is completed, the DOE must:

- Place an alert on the person's certification file.<sup>21</sup>
- Add the individual to the disqualification list, preventing future employment in schools.<sup>22</sup>

### ***Suspension of Educators***

If an allegation involves student health, safety, or welfare, the district school superintendent must take immediate action:<sup>23</sup>

- Suspend the educator with pay.
- Remove the individual from any position involving direct student contact.
- Maintain the suspension until a legally sufficient complaint is submitted, with the school district required to complete disciplinary proceedings within one year.

### ***School District Policies and Accountability***

School districts must establish policies for educator screening, misconduct reporting, and personnel reassignment.<sup>24</sup> Superintendents who fail to report misconduct may face penalties, including salary forfeiture for one year.<sup>25</sup>
