Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (1) and (2) of section 446.032, Florida Statutes, are amended, and subsections (5) and (6) are added to that section, to read:

446.032 General duties of the department for apprenticeship training.—The department shall:

(1) (a) Establish uniform minimum standards and policies governing apprenticeship and preapprenticeship programs and agreements which must require training providers to submit data necessary to determine program performance consistent with state and federal law. The standards and policies:

1. Shall govern the terms and conditions of the apprentice's employment and training, including the quality training of the apprentice for, but not limited to, such matters as ratios of apprentices to journeymen, safety, related instruction, and on-the-job training; but these standards and policies may not include rules, standards, or guidelines that require the use of apprentices and job trainees on state, county, or municipal contracts.

2. Must allow an apprenticeship or preapprenticeship program to partner with a local educational agency and determine an equitable split of apprenticeship funding. The local educational agency must ensure that all parties understand the total amount of apprenticeship funding and allocations. The terms of a partnership between an apprenticeship or

59 preapprenticeship program and a local educational agency must be
60 documented in an agreement or a contract. A local educational
61 agency may not impose additional fees or withhold additional
62 funds beyond the agreed upon amount in such agreement or
63 contract unless explicitly outlined to ensure financial clarity
64 and prevent unexpected costs for apprenticeship and
65 preapprenticeship program sponsors.

66 (b) ~~The department shall~~ Adopt rules necessary to
67 administer the standards and policies.

68 (2) By November 30 ~~September 1~~ of each year, publish an
69 annual report on apprenticeship and preapprenticeship programs.
70 The report must be published on the department's website and, at
71 a minimum, include all of the following:

72 (a) A list of registered apprenticeship and
73 preapprenticeship programs, sorted by local educational agency,
74 as defined in s. 1004.02(18), and apprenticeship sponsor, under
75 s. 446.071.

76 (b) A detailed summary of each local educational agency's
77 and apprenticeship or preapprenticeship program's
78 responsibilities, costs, and expenditure of funds for
79 apprenticeship and preapprenticeship programs, including, but
80 not limited to, all the following:

81 1. The total amount of funds received and expended for
82 apprenticeship and preapprenticeship programs.

83 2. The total amount of funds received and allocated by
84 training provider, program, and occupation.

85 3. The total amount of funds expended for administrative
86 costs by training provider, program, and occupation, and the
87 total number of personnel hours required to administer each

88 apprenticeship and preapprenticeship program.

89 4. The total amount of funds expended for instructional
90 costs by training provider, program, and occupation.

91 (c) The number of apprentices and preapprentices per trade
92 and occupation.

93 (d) The percentage of apprentices and preapprentices who
94 complete their respective programs in the appropriate timeframe.

95 (e) Information and resources related to applications for
96 new apprenticeship programs and technical assistance and
97 requirements for potential applicants.

98 (f) Documentation of activities conducted by the department
99 to promote apprenticeship and preapprenticeship programs through
100 public engagement, community-based partnerships, and other
101 initiatives and the outcomes of such activities and their impact
102 on establishing or expanding apprenticeship and
103 preapprenticeship programs.

104 (g) Retention and completion rates of participants
105 disaggregated by training provider, program, and occupation.

106 (h) Wage progression of participants as demonstrated by
107 starting, exit, and postapprenticeship wages at 1 and 5 years
108 after participants exit the program.

109 (5) (a) Develop a standard model contract template to be
110 used by local educational agencies and apprenticeship and
111 preapprenticeship programs. At a minimum, the contract template
112 shall include sections to address the following:

113 1. The parties to the contract.

114 2. The duration of the contract.

115 3. The funds paid or received pursuant to the contract.

116 4. The responsibilities assigned to each party to the

contract, including which party is responsible for providing equipment, related technical instruction, and on-the-job training; hiring instructors and evaluating such instructors' credentials and qualifications; and providing administrative support, including any reporting requirements.

5. A requirement that each party follow all applicable federal and state laws and insurance requirements.

6. The execution of such contract.

(b) A local educational agency and an apprenticeship or preapprenticeship program provider that partner to provide apprenticeship or preapprenticeship education and training programs must define their respective roles in the partnership agreement and establish how the funding will be divided. The partnership agreement must divide the funding based on the responsibilities that the local educational agency and apprenticeship or preapprenticeship program provider will hold in the partnership agreement.

1. If the local educational agency does not provide classroom space, related technical instruction, or on-the-job training services, its role is deemed to be administrative only and its funding share may not exceed 10 percent.

2. If the local educational agency and apprenticeship or preapprenticeship program provider share the responsibilities of providing administrative support, classroom space, related technical instruction, and on-the-job training, the manner in which the agency and provider divide the funding must be directly tied to each of their responsibilities under the partnership agreement.

(6) By July 1, 2026, develop an apprenticeship and

preapprenticeship funding transparency tool showing historical funding amounts provided to school district and Florida College System institution apprenticeship and preapprenticeship programs from workforce development funds and other funds appropriated by the Legislature. The transparency tool shall be published on the Department of Education's website and shall include historical funding amounts searchable by the source of funds, school district, or Florida College System institution for the preceding 3 fiscal years.

Section 2. Paragraph (a) of subsection (7) of section 1011.80, Florida Statutes, is amended to read:

1011.80 Funds for operation of workforce education programs.—

(7)(a) A school district or a Florida College System institution that provides workforce education programs shall receive funds in accordance with distributions for base and performance funding established by the Legislature in the General Appropriations Act. To ensure equitable funding for all school district workforce education programs and to recognize enrollment growth, the Department of Education shall use the funding model developed by the District Workforce Education Funding Steering Committee to determine each district's workforce education funding needs. Any District Workforce Education Funding Steering Committee meeting held for the purpose of taking action or recommending the workload for the funding model used by the Department of Education shall be publicly noticed 7 days in advance, be open to the public, and provide a reasonable opportunity for public comment. All workpapers shall be published and distributed at the time of

175 notice. Such meetings may be held using communications media
176 technology. For purposes of this paragraph, the term
177 "communications media technology" means telephone conference,
178 video conference, or other communications technology by which
179 all persons attending a public meeting or workshop may audibly
180 communicate. To assist the Legislature in allocating workforce
181 education funds in the General Appropriations Act, the funding
182 model shall annually be provided to the legislative
183 appropriations committees no less than 2 months before the start
184 of the regular session of the Legislature ~~later than March 1.~~

185 Section 3. This act shall take effect July 1, 2025.
