## HOUSE AMENDMENT

Bill No. CS/HB 1607, 1st Eng. (2025)

Amendment No.

14	(a) Allow students to practice the psychomotor skills
15	associated with performing cardiopulmonary resuscitation; and
16	(b) Include the use of an automated external defibrillator
17	for all students in grade 6 and grade 8. School districts are
18	required to provide basic training in first aid, including
19	cardiopulmonary resuscitation, for all students in grade 9 and
20	grade 11. Instruction in the use of cardiopulmonary
21	resuscitation must be based on a one-hour, nationally recognized
22	program that uses the most current evidence-based emergency
23	cardiovascular care guidelines. The instruction must allow
24	students to practice the psychomotor skills associated with
25	performing cardiopulmonary resuscitation and use an automated
26	external defibrillator when a school district has the equipment
27	necessary to perform the instruction. Private and public
28	partnerships for providing training or necessary funding are
29	encouraged.
30	Section 2. Section 1003.457, Florida Statutes, is created
30 31	Section 2. Section 1003.457, Florida Statutes, is created to read:

## HOUSE AMENDMENT

Bill No. CS/HB 1607, 1st Eng. (2025)

Amendment No.

39	integrate evidence-based core elements and consider those
40	elements recommended by the American Heart Association for
41	schools responding to cardiac emergencies.
42	(2) School officials shall work directly with local
43	emergency service providers to integrate the PULSE into the
44	community's emergency responder protocols.
45	(3)(a) No later than July 1, 2027, each public school,
46	including charter schools, must have at least one operational
47	automated external defibrillator on school grounds. The
48	defibrillator must be available in a clearly marked and
49	publicized location. Schools must maintain the defibrillator
50	according to the manufacturer's recommendations and maintain all
51	verification records for such defibrillators. Compliance with
52	the requirements of s. 1006.165 does not constitute compliance
53	with this section.
54	(b) Appropriate school staff must be trained in first aid,
55	cardiopulmonary resuscitation, and defibrillator use.
56	(c) The location of each defibrillator must be registered
57	with a local emergency medical services medical director.
58	(d) The use of defibrillators by school employees and
59	volunteers is covered under ss. 768.13 and 768.1325.
60	(4) The State Board of Education shall adopt rules to
61	administer this section.

Amendment No.

64	TITLE AMENDMENT
65	Remove lines 69-86 of the amendment and insert:
66	An act relating to cardiac emergencies; amending s.
67	1003.453, F.S.; requiring, rather than authorizing,
68	school districts to provide training in basic first
69	aid to certain students; providing requirements for
70	such training; creating s. 1003.457, F.S.; requiring
71	each public school to develop a plan for urgent life-
72	saving emergencies (PULSE) for specified purposes;
73	requiring school officials to work with local
74	emergency service providers to integrate the PULSE
75	into emergency responder protocols; requiring public
76	schools, including charter schools, to have at least
77	one operational automated external defibrillator on
78	school grounds by a specified date; providing
79	requirements for the placement and maintenance of the
80	defibrillators; providing construction; requiring that
81	certain school staff receive specified training;
82	providing registration requirements for the location
83	of the defibrillators; providing immunity from
84	liability for school employees and volunteers under
85	the Good Samaritan Act and the Cardiac Arrest Survival
86	Act;
