CS/HB1607, Engrossed 1

1	A bill to be entitled
2	An act relating to cardiac emergencies; amending s.
3	1003.453, F.S.; requiring, rather than authorizing,
4	school districts to provide training in basic first
5	aid to certain students; providing requirements for
6	such training; creating s. 1003.457, F.S.; requiring
7	each public school to develop a plan for urgent life-
8	saving emergencies (PULSE) for specified purposes;
9	requiring school officials to work with local
10	emergency service providers to integrate the PULSE
11	into emergency responder protocols; requiring public
12	schools, including charter schools, to have at least
13	one operational automated external defibrillator on
14	school grounds by a specified date; providing
15	requirements for the placement and maintenance of the
16	defibrillators; providing construction; requiring that
17	certain school staff receive specified training;
18	providing registration requirements for the location
19	of the defibrillators; providing immunity from
20	liability for school employees and volunteers under
21	the Good Samaritan Act and the Cardiac Arrest Survival
22	Act; requiring the State Board of Education to adopt
23	rules; providing requirements for such rules;
24	providing an effective date.
