In addition to the summary 164 165 statement, the office may require the filing of any supporting 166 information relating to the ceding of such risks as it deems 167 necessary. If the summary statement prepared by the ceding 168 insurer discloses that the net effect of a reinsurance treaty or 169 treaties (or series of treaties with one or more affiliated 170 reinsurers entered into for the purpose of avoiding the 171 following threshold amount) at any time results in an increase 172 of more than 25 percent to the insurer's surplus as to 173 policyholders, then the insurer shall certify in writing to the office that the relevant reinsurance treaty or treaties comply 174 175 with the accounting requirements contained in any rule adopted 176 by the commission under subsection (16) (15). Section 626.9651, Florida Statutes, is amended 191 to read: 192 626.9651 Security of consumer data Privacy.-193 (1) The department and commission shall must each adopt 194 rules consistent with other provisions of the Florida Insurance 195 Code to govern the use of a consumer's nonpublic personal 196 financial and health information. These rules must be based on, 197 consistent with, and not more restrictive than the Privacy of 198 Consumer Financial and Health Information Regulation, adopted 199 September 26, 2000, by the National Association of Insurance 200 Commissioners; however, the rules must permit the use and 201 disclosure of nonpublic personal health information for 202 scientific, medical, or public policy research, in accordance with federal law. In addition, these rules must be consistent 203 204 with, and not more restrictive than, the standards contained in 205 Title V of the Gramm-Leach-Bliley Act of 1999, Pub. L. No. 106-206 102, as amended in Title LXXV of the Fixing America's Surface 207 Transportation (FAST) Act, Pub. L. No. 114-94. If the office 2.08 determines that a health insurer or health maintenance 209 organization is in compliance with, or is actively undertaking 210 compliance with, the consumer privacy protection rules adopted 211 by the United States Department of Health and Human Services, in 212 conformance with the Health Insurance Portability and 213 Affordability Act, that health insurer or health maintenance

586096

214 organization is in compliance with this subsection section. 215 (2) The office and the commission shall adopt rules consistent with state law, including the Florida Insurance Code, 216 217 to ensure the cybersecurity of a consumer's nonpublic insurance 218 data. These rules may not be more restrictive than the National Association of Insurance Commissioners Insurance Data Security 219 220 Model Law, adopted as of October 2017, and subsequent amendments 221 thereto if the methodology remains substantially consistent. The 222 rules must: 223 (a) Apply to all entities acting as insurers, transacting 224 insurance, or otherwise engaging in insurance activities in this 225 state, including entities licensed under chapter 641, and any 226 entity that has been contracted to maintain, store, or process 227 personal information on behalf of a covered entity; 228 (b) Require the development and implementation of an 229 information security program as defined in the model law; 230 (c) Require investigation and notification of a 231 cybersecurity event as required under the model law; 232 (d) Require that each insurer submit to the department or 233 office all or part of the information required to be reported to 234 the department or office in a computer-readable form compatible 235 with the electronic data processing system of the department or 236 office; and 2.37 (e) Require that the office be copied on any notice 238 provided to the Attorney General under s. 501.171. 239 (3) Upon receiving information under this section, the 240 office shall review the information and may initiate an 241 examination or investigation under s. 624.316, s. 624.3161, or 242 s. 626.8828.

243 (4) This section does not establish a private cause of 244 action. 245 Section 9. Paragraph (a) of subsection (2) of section 246 627.062, Florida Statutes, is amended to read: 247 627.062 Rate standards.-248 (2) As to all such classes of insurance: 249 (a) Insurers or rating organizations shall establish and 250 use rates, rating schedules, or rating manuals that allow the insurer a reasonable rate of return on the classes of insurance 251 252 written in this state. A copy of rates, rating schedules, rating 253 manuals, premium credits or discount schedules, and surcharge 254 schedules, and changes thereto, must be filed with the office 255 under one of the following procedures: 256 1. If the filing is made at least 90 days before the 257 proposed effective date and is not implemented during the 258 office's review of the filing and any proceeding and judicial 259 review, such filing is considered a "file and use" filing. In 260 such case, the office shall finalize its review by issuance of a 261 notice of intent to approve or a notice of intent to disapprove 262 within 90 days after receipt of the filing. If the 90-day period 263 ends on a weekend or a holiday under s. 110.117(1)(a)-(i), it 264 must be extended until the conclusion of the next business day. 265 The notice of intent to approve and the notice of intent to 266 disapprove constitute agency action for purposes of the 267 Administrative Procedure Act. Requests for supporting 268 information, requests for mathematical or mechanical 269 corrections, or notification to the insurer by the office of its 270 preliminary findings does not toll the 90-day period during any 271 such proceedings and subsequent judicial review. The rate shall

586096

272 be deemed approved if the office does not issue a notice of 273 intent to approve or a notice of intent to disapprove within 90 274 days after receipt of the filing. 275 2. If the filing is not made in accordance with 276 subparagraph 1., such filing must be made as soon as 277 practicable, but within 30 days after the effective date, and is 278 considered a "use and file" filing. An insurer making a "use and 279 file" filing is potentially subject to an order by the office to 280 return to policyholders those portions of rates found to be 281 excessive, as provided in paragraph (h). For purposes of this 282 subparagraph, a personal residential property insurer may not 283 submit more than two "use and file" filings affecting 284 policyholders within a single policy period, unless the filings 285 are exclusively related to reinsurance. 286 3. For all property insurance filings made or submitted 287 after January 25, 2007, but before May 1, 2012, an insurer seeking a rate that is greater than the rate most recently 288 289 approved by the office shall make a "file and use" filing. For 290 purposes of this subparagraph, motor vehicle collision and 291 comprehensive coverages are not considered property coverages. 292 293 The provisions of this subsection do not apply to workers' 294 compensation, employer's liability insurance, and motor vehicle insurance. 295

296 Section 10. Present subsection (2) of section 627.0621, 297 Florida Statutes, is redesignated as subsection (3) and amended, 298 and a new subsection (2) is added to that section, to read:

However, for residential 42.5 426 property and private passenger auto insurers, a full rate filing 427 is required after 2 consecutive years of certification under 428 this paragraph. 429 Section 12. Paragraph (b) of subsection (1) of section 430 627.0651, Florida Statutes, is amended to read: 431 627.0651 Making and use of rates for motor vehicle insurance.-432 433 (1) Insurers shall establish and use rates, rating 434 schedules, or rating manuals to allow the insurer a reasonable 435 rate of return on motor vehicle insurance written in this state. 436 A copy of rates, rating schedules, and rating manuals, and 437 changes therein, shall be filed with the office under one of the 438 following procedures: 439 (b) If the filing is not made in accordance with the provisions of paragraph (a), such filing shall be made as soon 440 441 as practicable, but no later than 30 days after the effective 442 date, and shall be considered a "use and file" filing. An insurer making a "use and file" filing is potentially subject to 443 444 an order by the office to return to policyholders portions of rates found to be excessive, as provided in subsection (11). For 445

Page 16 of 141

586096

446	purposes of this paragraph, an insurer may not submit more than
447	two "use and file" filings impacting policyholders within a
448	single policy period.
449	Section 13. Effective upon this act becoming a law,
450	paragraph (a) of subsection (5) of section 627.4554, Florida
451	Statutes, is amended to read:
452	627.4554 Suitability in annuity transactions
453	(5) DUTIES OF INSURERS AND AGENTS
454	(a) An agent, when making a recommendation of an annuity,
455	shall act in the best interest of the consumer under the
456	circumstances known at the time the recommendation is made,
457	without placing the financial interest of the agent or insurer
458	ahead of the consumer's interest. An agent has acted in the best
459	interest of the consumer if the agent has satisfied the
460	following obligations regarding care, disclosure, conflict of
461	interest, and documentation:
462	1.a. The agent, in making a recommendation, shall exercise
463	reasonable diligence, care, and skill to:
464	(I) Know the financial situation, insurance needs, and
465	financial objectives of the customer.
466	(II) Understand the available options after making a
467	reasonable inquiry into options available to the agent.
468	(III) Have a reasonable basis to believe the recommended
469	option effectively addresses the consumer's financial situation,
470	insurance needs, and financial objectives over the life of the
471	product, as evaluated in light of the consumer profile
472	information.
473	(IV) Communicate the reason or reasons for the
474	recommendation.

586096

b. The requirements of sub-subparagraph a. include:
(I) Making reasonable efforts to obtain consumer profile
information from the consumer before the recommendation of an
annuity.

479 (II) Requiring an agent to consider the types of products 480 the agent is authorized and licensed to recommend or sell which 481 address the consumer's financial situation, insurance needs, and 482 financial objectives. This does not require analysis or 483 consideration of any products outside the authority and license 484 of the agent or other possible alternative products or 485 strategies available in the market at the time of the 486 recommendation. Agents shall be held to standards applicable to 487 agents with similar authority and licensure.

(III) Having a reasonable basis to believe the consumer would benefit from certain features of the annuity, such as annuitization, death or living benefit, or other insurancerelated features.

c. The requirements of this subsection do not create a fiduciary obligation or relationship and only create a regulatory obligation as provided in this section.

495 d. The consumer profile information; characteristics of the 496 insurer; and product costs, rates, benefits, and features are 497 those factors generally relevant in making a determination 498 whether an annuity effectively addresses the consumer's 499 financial situation, insurance needs, and financial objectives, 500 but the level of importance of each factor under the care 501 obligation of this paragraph may vary depending on the facts and 502 circumstances of a particular case. However, each factor may not be considered in isolation. 503

708	to the office any amendments to the plan that the board finds to
709	be necessary or suitable.
710	2. The office shall, after notice and hearing, approve the
711	plan of operation if it determines that the plan submitted by
712	the board is suitable to assure the fair, reasonable, and

716	3. The plan of operation, or any amendment thereto, becomes
717	effective upon written approval of the office.
718	(d) The plan of operation must, among other things:
719	1. Establish procedures for handling and accounting for
720	program assets and moneys and for an annual fiscal reporting to
721	the office.
722	2. Establish procedures for selecting an administering
723	carrier and set forth the powers and duties of the administering

729	payable to the administrative carrier, incurred or estimated to
730	be incurred during the period for which the assessment is made.
731	5.—Provide for any additional matters at the discretion of

733	(c) The board shall recommend to the office market conduct
734	requirements and other requirements for carriers and agents,
735	including requirements relating to:

Page 26 of 141

700	
736	1. Registration by each carrier with the office of its
737	intention to be a small employer carrier under this section;
738	2. Publication by the office of a list of all small
739	employer carriers, including a requirement applicable to agents
740	and carriers that a health benefit plan may not be sold by a
741	carrier that is not identified as a small employer carrier;
742	3. The availability of a broadly publicized, toll-free
743	telephone number for access by small employers to information
744	concerning this section;
745	4. Periodic reports by carriers and agents concerning
746	health benefit plans issued; and
747	5. Methods concerning periodic demonstration by small
748	employer carriers and agents that they are marketing or issuing
749	health benefit plans to small employers.
750	(f) The program has the general powers and authority
751	granted under the laws of this state to insurance companies and
752	health maintenance organizations licensed to transact business,
753	except the power to issue health benefit plans directly to
754	groups or individuals. In addition thereto, the program has
755	specific authority to:
756	1. Enter into contracts as necessary or proper to carry out
757	the provisions and purposes of this act, including the authority
758	to enter into contracts with similar programs of other states
759	for the joint performance of common functions or with persons or
760	other organizations for the performance of administrative
761	functions.
762	2. Sue or be sued, including taking any legal action
763	necessary or proper for recovering any assessments and penalties

764 for, on behalf of, or against the program or any carrier.

765	3. Take any legal action necessary to avoid the payment of
766	improper claims against the program.
767	4. Issue reinsurance policies, in accordance with the
768	requirements of this act.
769	5. Establish rules, conditions, and procedures for
770	reinsurance risks under the program participation.
771	6. Establish actuarial functions as appropriate for the
772	operation of the program.
773	7. Assess participating carriers in accordance with
774	paragraph (j), and make advance interim assessments as may be
775	reasonable and necessary for organizational and interim
776	operating expenses. Interim assessments shall be credited as
777	offsets against any regular assessments due following the close
778	of the calendar year.
779	8. Appoint appropriate legal, actuarial, and other
780	committees as necessary to provide technical assistance in the
781	operation of the program, and in any other function within the
782	authority of the program.
783	9. Borrow money to effect the purposes of the program. Any
784	notes or other evidences of indebtedness of the program which
785	are not in default constitute legal investments for carriers and
786	may be carried as admitted assets.
787	10. To the extent necessary, increase the \$5,000 deductible
788	reinsurance requirement to adjust for the effects of inflation.
789	(g)—A reinsuring carrier may reinsure with the program
790	coverage of an eligible employee of a small employer, or any
791	dependent of such an employee, subject to each of the following
792	provisions:
793	1. Except in the case of a late enrollee, a reinsuring

carrier may reinsure an eligible employee or dependent within 60

days after the commencement of the coverage of the small

796 employer. A newly employed eligible employee or dependent of a 797 small employer may be reinsured within 60 days after the 798 commencement of his or her coverage. 799 2. A small employer carrier may reinsure an entire employer 800 group within 60 days after the commencement of the group's 801 coverage under the plan. 802 3. The program may not reimburse a participating carrier 803 with respect to the claims of a reinsured employee or dependent 804 until the carrier has paid incurred claims of at least \$5,000 in 805 a calendar year for benefits covered by the program. In addition, the reinsuring carrier shall be responsible for 10 806 807 percent of the next \$50,000 and 5 percent of the next \$100,000 808 of incurred claims during a calendar year and the program shall 809 reinsure the remainder. 810 4. The board annually shall adjust the initial level of claims and the maximum limit to be retained by the carrier to 811 812 reflect increases in costs and utilization within the standard 813 market for health benefit plans within the state. The adjustment 814 shall not be less than the annual change in the medical 815 component of the "Consumer Price Index for All Urban Consumers" 816 of the Bureau of Labor Statistics of the Department of Labor, 817 unless the board proposes and the office approves a lower 818 adjustment factor. 819 5. A small employer carrier may terminate reinsurance for 820 all reinsured employees or dependents on any plan anniversary. 821 6. The premium rate charged for reinsurance by the program 822 to a health maintenance organization that is approved by the

825	300e(c)(2)(A) and that, as such, is subject to requirements that
826	limit the amount of risk that may be ceded to the program, which
827	requirements are more restrictive than subparagraph 3., shall be
828	reduced by an amount equal to that portion of the risk, if any,
829	which exceeds the amount set forth in subparagraph 3. which may
830	not be ceded to the program.
831	7. The board may consider adjustments to the premium rates
832	charged for reinsurance by the program for carriers that use
833	effective cost containment measures, including high-cost case
834	management, as defined by the board.
835	8. A reinsuring carrier shall apply its case-management and
836	claims-handling techniques, including, but not limited to,
837	utilization review, individual case management, preferred
838	provider provisions, other managed care provisions or methods of
839	operation, consistently with both reinsured business and
840	nonreinsured business.
841	(h)1. The board, as part of the plan of operation, shall
842	establish a methodology for determining premium rates to be
843	charged by the program for reinsuring small employers and
844	individuals pursuant to this section. The methodology shall
845	include a system for classification of small employers that
846	reflects the types of case characteristics commonly used by
847	small employer carriers in the state. The methodology shall
848	provide for the development of basic reinsurance premium rates,
849	which shall be multiplied by the factors set for them in this
850	paragraph to determine the premium rates for the program. The
851	basic reinsurance premium rates shall be established by the
	I

Page 30 of 141

586096

852	board, subject to the approval of the office. The premium rates
853	set by the board may vary by geographical area, as determined
854	under this section, to reflect differences in cost. The
855	multiplying factors must be established as follows:
856	a. The entire group may be reinsured for a rate that is 1.5
857	times the rate established by the board.
858	b. An eligible employee or dependent may be reinsured for a
859	rate that is 5 times the rate established by the board.
860	2. The board periodically shall review the methodology
861	established, including the system of classification and any
862	rating factors, to assure that it reasonably reflects the claims
863	experience of the program. The board may propose changes to the
864	rates which shall be subject to the approval of the office.
865	(i) If a health benefit plan for a small employer issued in
866	accordance with this subsection is entirely or partially
867	reinsured with the program, the premium charged to the small
868	employer for any rating period for the coverage issued must be
869	consistent with the requirements relating to premium rates set
870	forth in this section.
871	(j)1. Before July 1 of each calendar year, the board shall
872	determine and report to the office the program net loss for the
873	previous year, including administrative expenses for that year,
874	and the incurred losses for the year, taking into account
875	investment income and other appropriate gains and losses.
876	2. Any net loss for the year shall be recouped by
877	assessment of the carriers, as follows:
878	a. The operating losses of the program shall be assessed in
879	the following order subject to the specified limitations. The
880	first tier of assessments shall be made against reinsuring

Page 31 of 141

881	carriers in an amount which shall not exceed 5 percent of each
882	reinsuring carrier's premiums from health benefit plans covering
883	small employers. If such assessments have been collected and
884	additional moneys are needed, the board shall make a second tier
885	of assessments in an amount which shall not exceed 0.5 percent
886	of each carrier's health benefit plan premiums. Except as
887	provided in paragraph (m), risk-assuming carriers are exempt
888	from all assessments authorized pursuant to this section. The
889	amount paid by a reinsuring carrier for the first tier of
890	assessments shall be credited against any additional assessments
891	made.
892	b. The board shall equitably assess carriers for operating
893	losses of the plan based on market share. The board shall
894	annually assess each carrier a portion of the operating losses
895	of the plan. The first tier of assessments shall be determined
896	by multiplying the operating losses by a fraction, the numerator
897	of which equals the reinsuring carrier's earned premium
898	pertaining to direct writings of small employer health benefit
899	plans in the state during the calendar year for which the
900	assessment is levied, and the denominator of which equals the
901	total of all such premiums earned by reinsuring carriers in the
902	state during that calendar year. The second tier of assessments
903	shall be based on the premiums that all carriers, except risk-
904	assuming carriers, earned on all health benefit plans written in
905	this state. The board may levy interim assessments against
906	carriers to ensure the financial ability of the plan to cover
907	claims expenses and administrative expenses paid or estimated to
908	be paid in the operation of the plan for the calendar year prior
909	to the association's anticipated receipt of annual assessments

Page 32 of 141

586096

910 for that calendar year. Any interim assessment is due and 911 payable within 30 days after receipt by a carrier of the interim 912 assessment notice. Interim assessment payments shall be credited 913 against the carrier's annual assessment. Health benefit plan 914 premiums and benefits paid by a carrier that are less than an 915 amount determined by the board to justify the cost of collection 916 may not be considered for purposes of determining assessments. 917 c. Subject to the approval of the office, the board shall 918 make an adjustment to the assessment formula for reinsuring 919 carriers that are approved as federally qualified health 920 maintenance organizations by the Secretary of Health and Human 921 Services pursuant to 42 U.S.C. s. 300e(c)(2)(A) to the extent, 922 if any, that restrictions are placed on them that are not 923 imposed on other small employer carriers. 924 3. Before July 1 of each year, the board shall determine 925 and file with the office an estimate of the assessments needed 926 to fund the losses incurred by the program in the previous 927 calendar year. 928 4. If the board determines that the assessments needed to 929 fund the losses incurred by the program in the previous calendar 930 year will exceed the amount specified in subparagraph 2., the 931 board shall evaluate the operation of the program and report its 932 findings, including any recommendations for changes to the plan 933 of operation, to the office within 180 days following the end of 934 the calendar year in which the losses were incurred. The 935 evaluation shall include an estimate of future assessments, the 936 administrative costs of the program, the appropriateness of the premiums charged and the level of carrier retention under the 937 938 program, and the costs of coverage for small employers. If the

Page 33 of 141

939	board fails to file a report with the office within 180 days
940	following the end of the applicable calendar year, the office
941	may evaluate the operations of the program and implement such
942	amendments to the plan of operation the office deems necessary
943	to reduce future losses and assessments.
944	5. If assessments exceed the amount of the actual losses
945	and administrative expenses of the program, the excess shall be
946	held as interest and used by the board to offset future losses
947	or to reduce program premiums. As used in this paragraph, the
948	term "future losses" includes reserves for incurred but not
949	reported claims.
950	6. Each carrier's proportion of the assessment shall be
951	determined annually by the board, based on annual statements and
952	other reports considered necessary by the board and filed by the
953	carriers with the board.
954	7. Provision shall be made in the plan of operation for the
955	imposition of an interest penalty for late payment of an
956	assessment.
957	8. A carrier may seek, from the office, a deferment, in
958	whole or in part, from any assessment made by the board. The
959	office may defer, in whole or in part, the assessment of a
960	carrier if, in the opinion of the office, the payment of the
961	assessment would place the carrier in a financially impaired
962	condition. If an assessment against a carrier is deferred, in
963	whole or in part, the amount by which the assessment is deferred
964	may be assessed against the other carriers in a manner
965	consistent with the basis for assessment set forth in this
966	section. The carrier receiving such deferment remains liable to
967	the program for the amount deferred and is prohibited from

968 reinsuring any individuals or groups in the program if it fails 969 to pay assessments. 970 (k) - Neither the participation in the program as reinsuring 971 carriers, the establishment of rates, forms, or procedures, nor 972 any other joint or collective action required by this act, may 973 be the basis of any legal action, criminal or civil liability, 974 or penalty against the program or any of its carriers either 975 jointly or separately. 976 (1) The board shall monitor compliance with this section, 977 including the market conduct of small employer carriers, and 978 shall report to the office any unfair trade practices and misleading or unfair conduct by a small employer carrier that 979 980 has been reported to the board by agents, consumers, or any 981 other person. The office shall investigate all reports and, upon 982 a finding of noncompliance with this section or of unfair or 983 misleading practices, shall take action against the small 984 employer carrier as permitted under the insurance code or 985 chapter 641. The board is not given investigatory or regulatory 986 powers, but must forward all reports of cases or abuse or 987 misrepresentation to the office. 988 (m) Notwithstanding paragraph (j), the administrative 989 expenses of the program shall be recouped by assessment of risk-990 assuming carriers and reinsuring carriers and such amounts shall

989 expenses of the program shall be recouped by assessment of risk-990 assuming carriers and reinsuring carriers and such amounts shall 991 not be considered part of the operating losses of the plan for 992 the purposes of this paragraph. Each carrier's portion of such 993 administrative expenses shall be determined by multiplying the 994 total of such administrative expenses by a fraction, the 995 numerator of which equals the carrier's earned premium 996 pertaining to direct writing of small employer health benefit

Also, for purposes of this section, the day the 2512 petition is received by the office is not counted as one of the 10 <del>3</del> days. 2513

Section 63. Subsections (1) and (3), paragraph (b) of subsection (7), and subsection (8) of section 651.035, Florida Statutes, are amended to read:

651.035 Minimum liquid reserve requirements.-

(1) A provider shall maintain in escrow a minimum liquid reserve consisting of the following reserves, as applicable. Each established account must be separate and unique to a facility, unencumbered, and not commingled with any other funds from any other account, facility, affiliate, or obligated group. Funds held in escrow under paragraphs (a), (c), and (d) must be held completely separate from any funds held by a trustee under paragraph (b), meaning the debt service, operating, and renewal and replacement reserves must have their own distinct account number:

2581 (a) Each provider shall maintain in escrow as a debt 2582 service reserve the aggregate amount of all principal and 2583 interest payments due during the fiscal year on any mortgage 2584 loan or other long-term financing of the facility, including 2585 property taxes as recorded in the audited financial report 2586 required under s. 651.026. The amount must include any leasehold 2587 payments and all costs related to such payments. If principal 2588 payments are not due during the fiscal year, the provider must 2589 maintain in escrow as a minimum liquid reserve an amount equal 2590 to interest payments due during the next 12 months on any mortgage loan or other long-term financing of the facility, 2591

2592 including property taxes. If a provider does not have a mortgage 2593 loan or other financing on the facility, the provider must 2594 deposit monthly in escrow as a minimum liquid reserve an amount 2595 equal to one-twelfth of the annual property tax liability as 2596 indicated in the most recent tax notice provided pursuant to s. 2597 197.322(3), and must annually pay property taxes out of such 2598 escrow.

2599 (b) A provider that has outstanding indebtedness that 2600 requires a debt service reserve to be held in escrow pursuant to 2601 a trust indenture or mortgage lien on the facility and for which 2602 the debt service reserve may only be used to pay principal and 2603 interest payments on the debt that the debtor is obligated to 2604 pay, and which may include property taxes and insurance, may 2605 include such debt service reserve in computing the minimum 2606 liquid reserve needed to satisfy this subsection if the provider 2607 furnishes to the office a copy of the agreement under which such 2608 debt service reserve is held, together with a statement of the 2609 amount being held in escrow for the debt service reserve, 2610 certified by the lender or trustee and the provider to be 2611 correct. The trustee shall provide the office with any 2612 information concerning the debt service reserve account upon 2613 request of the provider or the office. In addition, the trust 2614 indenture, loan agreement, or escrow agreement must provide that 2615 the provider, trustee, lender, escrow agent, or a person 2616 designated to act in its place shall notify the office in 2617 writing at least 10 days before the withdrawal of any portion of 2618 the debt service reserve funds required to be held in escrow as 2619 described in this paragraph. The notice must include an affidavit sworn to by the provider, the trustee, or a person 2620

2621 designated to act in its place which includes the amount of the 2622 scheduled debt service payment, the payment due date, the amount of the withdrawal, the accounts from which the withdrawal will 2623 2624 be made, and a plan with a schedule for replenishing the 2625 withdrawn funds. If the plan is revised by a consultant that is 2626 retained as prescribed in the provider's financing documents, 2627 the revised plan must be submitted to the office within 10 days 2628 after the approval by the lender or trustee. If a debt service 2629 reserve is transferred from one financial institution or lender 2630 to another, the provider must provide notice to the office at 2631 least 10 days before the transfer takes place. The notice must 2632 include an affidavit sworn to by the provider and include the 2633 name of the institution where the debt service reserve is being 2634 transferred, the date of transfer, the amount being transferred, 2635 a copy of the agreement requiring the transfer to the new 2636 financial institution, and the contact information for the 2637 escrow agent of the new account. The new escrow agreement must 2638 comply with s. 651.033. Any funds held pursuant to this section 2639 do not negate the requirement to maintain an escrow account as 2640 required in paragraph (a). Any such separate debt service 2641 reserves are not subject to the transfer provisions set forth in 2642 subsection (8).

2643 (c) Each provider shall maintain in escrow an operating 2644 reserve equal to <u>or greater than the following amounts:</u>

<u>1. Thirty 30 percent of the total operating expenses</u> projected in the feasibility study required by s. 651.023 for the first 12 months of operation.

2. After the first 12 months of operation, 30 percent of the operating reserve in the annual report filed pursuant to s.

2650	<u>651.026.</u>
2651	3. Once a provider maintains an occupancy level in excess
2652	of 80 percent for at least 12 months and has presented in its
2653	most recent annual report that it has reached stabilized
2654	occupancy, 15 percent of the total operating reserve upon
2655	approval of the office.
2656	4. If the provider has been found to meet any of the
2657	following conditions, 30 percent of the total operating reserve:
2658	a. Is at regulatory action level under s. 651.034.
2659	b. Is placed under administrative supervision.
2660	c. Is in a hazardous financial condition under s. 651.113.
2661	d. Filed or has notified the office of its intent to file
2662	for bankruptcy.
2663	e. Failed to maintain minimum liquid reserve requirements
2664	under subsections (10) and (11).
2665	
2666	Upon notice from the office that a condition identified in this
2667	subparagraph exists, the provider has 10 days within which to
2668	fund the operating reserve at 50 percent and provide evidence of
2669	the funding to the office.
2670	(d) Before reducing the operating reserve required under
2671	paragraph (c), the provider must obtain written approval from
2672	the office Thereafter, each provider shall maintain in escrow an
2673	operating reserve equal to 15 percent of the total operating
2674	expenses in the annual report filed pursuant to s. 651.026.
2675	(e) If a provider has been in operation for more than 12
2676	months, the total annual operating expenses must be determined
2677	by averaging the total annual operating expenses reported to the
2678	office by the number of annual reports filed with the office

2679 within the preceding 3-year period subject to adjustment if 2680 there is a change in the number of facilities owned. For 2681 purposes of this subsection, total annual operating expenses 2682 include all expenses of the facility except depreciation and 2683 amortization; interest and property taxes included in paragraph 2684 (a); extraordinary expenses that are adequately explained and 2685 documented in accordance with generally accepted accounting 2686 principles; liability insurance premiums in excess of those paid 2.687 in calendar year 1999; and changes in the obligation to provide 2688 future services to current residents. For providers initially 2689 licensed during or after calendar year 1999, liability insurance 2690 must be included in the total operating expenses in an amount 2691 not to exceed the premium paid during the first 12 months of 2692 facility operation. The operating reserves required under this 2693 subsection must be in an unencumbered account held in escrow for 2694 the benefit of the residents. Such funds may not be encumbered 2695 or subject to any liens or charges by the escrow agent or 2696 judgments, garnishments, or creditors' claims against the 2697 provider or facility. However, if a facility had a lien, 2698 mortgage, trust indenture, or similar debt instrument in place 2699 before January 1, 1993, which encumbered all or any part of the 2700 reserves required by this subsection and such funds were used to 2701 meet the requirements of this subsection, then such arrangement 2702 may be continued, unless a refinancing or acquisition has 2703 occurred, and the provider is in compliance with this 2704 subsection.

2705 <u>(f)</u>(d) Each provider shall maintain in escrow a renewal and 2706 replacement reserve equal to 15 percent of the total accumulated 2707 depreciation based on the audited financial statement required

2708 to be filed pursuant to s. 651.026, not to exceed 15 percent of 2709 the facility's average operating expenses for the past 3 fiscal years based on the audited financial statements for each of 2710 2711 those years. For a provider who is an operator of a facility but 2712 is not the owner and depreciation is not included as part of the 2713 provider's financial statement, the renewal and replacement 2714 reserve required by this paragraph must equal 15 percent of the 2715 total operating expenses of the provider, as described in this 2716 section. Each provider licensed before October 1, 1983, shall 2717 fully fund the renewal and replacement reserve by October 1, 2718 2003, by multiplying the difference between the former escrow 2719 requirement and the present escrow requirement by the number of 2720 years the facility has been in operation after October 1, 1983.

(3) If principal and interest payments are paid to a trust that is beneficially held by the residents as described in <u>s.</u> <u>651.023(6)</u> <del>s. 651.023(7)</del>, the office may waive all or any portion of the escrow requirements for mortgage principal and interest contained in subsection (1) if the office finds that such waiver is not inconsistent with the security protections intended by this chapter.

(b)1. For all other proposed withdrawals, in order to receive the consent of the office, the provider must file documentation showing why the withdrawal is necessary for the continued operation of the facility and such additional information as the office reasonably requires.

2734 2. The office shall notify the provider when the filing is
2735 deemed complete. If the provider has complied with all prior
2736 requests for information, the filing is deemed complete after 30

2737 days without communication from the office.

3. Within 30 days after the date a file is deemed complete, the office shall provide the provider with written notice of its approval or disapproval of the request. <u>The provider may not</u> withdraw funds until the office provides such written notice. The office may disapprove any request to withdraw such funds if it determines that the withdrawal is not in the best interest of the residents.

(8) The office may order the immediate transfer of up to 100 percent of the funds held in the minimum liquid reserve to the custody of the department pursuant to part III of chapter 625 if the office finds that the provider is impaired or insolvent, the facility is found to have withdrawn funds without approval by the office, or if the facility fails to fund the minimum liquid reserve required by subsection (10) or subsection (11). The office may order such a transfer regardless of whether the office has suspended or revoked, or intends to suspend or revoke, the certificate of authority of the provider.

3462	(2) From the time of the recording under subsection (1),
3463	there exists a lien for an amount equal to the reasonable value
3464	of services to be performed under a life care contract in favor
3465	of each resident and contract holder on the land and
3466	improvements of the facility's properties owned by the provider,
3467	not exempt from execution, which are listed in the notice of
3468	lien filed pursuant to subsection (3) and which are located in
3469	the county in which the notice of lien is recorded.
3470	(3) The lien shall be perfected by the office by executing
3471	by affidavit the notice and claim of lien, which must contain:
3472	(a) The legal description of the lands and improvements to
3473	be charged with a lien.
3474	(b) The name of the owner of the property affected.
3475	(c) A statement that the lien has been filed by the office
3476	pursuant to this section.
3477	(4) The lien may be released or partially released at the
3478	request of the applicant if, in the judgment of the
3479	commissioner, such release or partial release inures to the
3480	benefit of the residents and contract holders and the
3481	performance of the provider's obligations to the residents and
3482	contract holders.
3483	(5) The lien may be foreclosed by civil action. Any number
3484	of persons claiming liens against the same property pursuant to
3485	this section may join in the same action. If separate actions
3486	are commenced, the court may consolidate such actions. The court
3487	shall, as part of the costs, allow reasonable attorney fees for
3488	each claimant who is a party to the action.

3491 holder having a lien who has joined in the foreclosure action 3492 for the amount equal to the reasonable value of services to be 3493 performed under a life care contract in favor of each resident 3494 and contract holder. The court shall order the sheriff to sell 3495 any property subject to the lien at the time judgment is given, 3496 in the same manner as real and personal property is sold on 3497 execution. The lien for the reasonable value of services to be 3498 performed under a life care contract must be on equal footing 3499 with claims of other residents and contract holders. If a sale 3500 is ordered and the property sold and the proceeds of the sale 3501 are not sufficient to discharge all liens of residents and 3502 contract holders against the property, the proceeds must be 3503 prorated among the respective residents and contract holders. 3504 (7) The lien provided for in this section is preferred to 3505 all liens, mortgages, or other encumbrances upon the property 3506 attaching subsequently to the time the lien is recorded and is 3507 preferred to all unrecorded liens, mortgages, and other 3508 encumbrances. The amount secured by any lien having priority to 3509 the lien filed pursuant to this section may not be increased 3510 without prior approval of the office. 3511 (8) The office shall file a release of the lien upon proof 3512 of complete performance of all obligations to residents and 3513 contract holders pursuant to life care contracts. 3514 (9) The office may subordinate any lien filed pursuant to 3515 this section to the lien of a first mortgage or other long-term financing obtained by the provider, regardless of the time at 3516 3517 which the subsequent lien attaches. 3518 Section 80. 3556	(2) DEFINITIONSAs used in this section:
3557	(a) <del>"Board,"</del> "Carrier $_{ au}$ " and "health benefit plan" have the
3558	same meaning ascribed in s. 627.6699(3).
3559	(7) INDIVIDUAL HEALTH REINSURANCE PROGRAM
3560	(a) The individual health reinsurance program shall operate
3561	subject to the supervision and control of the board of the small
3562	employer health reinsurance program established pursuant to s.
3563	<del>627.6699(11)</del> . The board shall establish a separate, segregated
3564	account for eligible individuals reinsured pursuant to this
3565	section, which account may not be commingled with the small
3566	employer health reinsurance account.
3567	(e)1. Before March 1 of each calendar year, the board shall
3568	determine and report to the office the program net loss in the
3569	individual account for the previous year, including

b. Except as provided in paragraph (f), risk-assuming carriers are exempt from all assessments authorized pursuant to this section. The amount paid by a reinsuring carrier for the 3587 first tier of assessments shall be credited against any additional assessments made.

3589 c. The board shall equitably assess reinsuring carriers for 3590 operating losses of the individual account based on market 3591 share. The board shall annually assess each carrier a portion of 3592 the operating losses of the individual account. The first tier 3593 of assessments shall be determined by multiplying the operating 3594 losses by a fraction, the numerator of which equals the 3595 reinsuring carrier's earned premium pertaining to direct 3596 writings of individual health insurance in the state during the 3597 calendar year for which the assessment is levied, and the 3598 denominator of which equals the total of all such premiums 3599 earned by reinsuring carriers in the state during that calendar 3600 year. Interim assessment payments shall be credited 3611 against the carrier's annual assessment. Health benefit plan 3612 premiums and benefits paid by a carrier that are less than an 3613 amount determined by the board to justify the cost of collection 3614 may not be considered for purposes of determining assessments.

3. Before March 1 of each year, the board shall determine and file with the office an estimate of the assessments needed to fund the losses incurred by the program in the individual account for the previous calendar year.

3625 4.
