## SUMMARY

### **Effect of the Bill:**

The bill designates two transportation facilities for memorial purposes and directs the Florida Department of Transportation (FDOT) to erect suitable markers for each designation.

### **Fiscal or Economic Impact:**

The bill will have an insignificant negative impact on state government expenditures.

## ANALYSIS

### **EFFECT OF THE BILL:**

The bill requires FDOT to erect suitable markers for the following transportation facility designations: (Section [1](#)).

#### [Harris Rosen Way](#)

That portion of International Drive between S.R. 528 and Sand Lake Road in Orange County is designated as "Harris Rosen Way."

#### [Bernard Wilkes Ribault River Bridge](#)

The bridge on Moncrief Road West over the Ribault River in Duval County will be designated as "Bernard Wilkes Ribault River Bridge."

The bill has an effective date of July 1, 2025. (Section [2](#)).

### **FISCAL OR ECONOMIC IMPACT:**

#### STATE GOVERNMENT:

The bill will have an insignificant negative impact on state government expenditures. FDOT estimates a cost of \$2,400 per designation for the appropriate markers, which provides for two signs per designation at \$1,200 per sign.<sup>1</sup> Therefore, the bill has an estimated negative fiscal impact of \$4,800 to the State Transportation Trust Fund. This cost can be absorbed within existing FDOT resources.

<sup>1</sup> Email from Jack Rogers, Director of Legislative Affairs, Department of Transportation, RE: Road Designations Review (Feb. 13, 2025).

## RELEVANT INFORMATION

### SUBJECT OVERVIEW:

#### **Legislative Designation of Transportation Facilities**

The Legislature may designate a transportation facility, such as a bridge or a portion of a road, for honorary or memorial purposes or to distinguish a particular facility. Legislative designations do not officially change the existing names of facilities and may not require local governments or private parties to change street signs, mailing addresses, or 911 emergency telephone number system listing.<sup>2</sup>

Unless specifically provided by law, public facilities such as roads, bridges, and other similar facilities may not be named for any living person.<sup>3</sup>

#### **Transportation Facility Markers**

Following a legislative designation, FDOT is required to place markers at the termini or intersections specified for each highway segment or bridge designated and may place other markers it deems as appropriate.<sup>4</sup> Before markers may be erected, the appropriate city or county commission must pass a resolution in support of the particular honorary designation. If the designated bridge or road segment is located in more than one city or county, there must be resolutions supporting the designation from each affected local government before markers may be erected.<sup>5</sup>

#### **Biographical Information**

##### [Harris Rosen Way](#)

Harris Rosen was President and Chief Operating Officer of Rosen Hotels & Resorts, a hospitality company founded in 1974 that operates seven Orlando-area hotels. Mr. Rosen received numerous philanthropic and humanitarian awards, including the Association of Fundraising Professionals lifetime award, as well as the Leadership Florida's LeRoy Collins Lifetime Achievement Award. Mr. Rosen passed away on November 25, 2024, at age 85.

##### [Bernard Wilkes Ribault River Bridge](#)

Coach Bernard Wilkes was recognized as one of the most successful high school coaches in Florida's history. He dedicated 30 years of service to the Duval County Public School System, teaching and coaching basketball at Ribault Senior High School. Throughout his career, Coach Wilkes led the basketball team to four state championships, 12 Gateway Conference championships, 21 district titles, and reached the Florida High School Athletic Association Finals 16 times. Coach Wilkes passed away on March 5, 2006.
