Amendment No.

14 to the state's efforts to fund cancer research, cancer
15 facilities, and treatments for cancer patients. The
16 collaborative may make recommendations on proposed legislation,
17 proposed rules, best practices, data collection and reporting,
18 issuance of grant funds, and other proposals for state policy
19 relating to cancer research or treatment.

20 (h) The collaborative shall annually develop a long-range
21 comprehensive plan for the Casey DeSantis Cancer Research
22 Program. In the development of the plan, the collaborative must
23 solicit input from cancer centers, research institutions,
24 biomedical education institutions, hospitals, specialty
25 hospitals for children, and medical providers. The collaborative
26 shall submit the plan to the Governor, the President of the
27 Senate, and the Speaker of the House of Representatives no later
28 than December 1 of each year, ~~2024~~. The plan must include, but
29 need not be limited to, all of the following components:

30 1. Expansion of grant fund opportunities to include a
31 broader pool of Florida-based cancer centers, research
32 institutions, biomedical education institutions, hospitals,
33 specialty hospitals for children, and medical providers to
34 receive funding through the Cancer Innovation Fund.

35 2. An evaluation to determine metrics that focus on
36 patient outcomes, quality of care, and efficacy of treatment.

37 3. A compilation of best practices relating to cancer
38 research or treatment.

Amendment No.

(10) Beginning July 1, 2025, and each year thereafter, the department, in conjunction with participating cancer centers, shall submit a report to the Cancer Control and Research Advisory Council and the collaborative on specific metrics relating to cancer mortality and external funding for cancer-related research in this state. If a cancer center does not endorse this report or produce an equivalent independent report, the cancer center is ineligible to receive program funding for 1 year. The department must submit this annual report, and any equivalent independent reports, to the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than September 15 of each year the report or reports are submitted by the department. The report must include:

(a) An analysis of trending age-adjusted cancer mortality rates in the state, which must include, at a minimum, overall age-adjusted mortality rates for cancer statewide and age-adjusted mortality rates by age group, geographic region, and type of cancer, which must include, at a minimum:

1. Lung cancer.
2. Pancreatic cancer.
3. Sarcoma.
4. Melanoma.
5. Leukemia and myelodysplastic syndromes.
6. Brain cancer.
7. Breast cancer.

8. Pediatric cancer.

Section 3. Subsection (10) of section 409.909, Florida Statutes, is renumbered as subsection (8), and paragraph (a) of subsection (6) and subsections (8) and (9) of that section are amended, to read:

409.909 Statewide Medicaid Residency Program.—

(6) The Slots for Doctors Program is established to address the physician workforce shortage by increasing the supply of highly trained physicians through the creation of new resident positions, which will increase access to care and improve health outcomes for Medicaid recipients.

(a)~~1.~~ Notwithstanding subsection (4), the agency shall annually allocate \$100,000 to hospitals and qualifying institutions for each newly created resident position that is first filled on or after June 1, 2023, and filled thereafter, and that is accredited by the Accreditation Council for Graduate Medical Education or the Osteopathic Postdoctoral Training Institution in an initial or established accredited training program which is in a physician specialty or subspecialty in a statewide supply-and-demand deficit.

~~2. Notwithstanding the requirement that a new resident position be created to receive funding under this subsection, the agency may allocate \$100,000 to hospitals and qualifying institutions, pursuant to subparagraph 1., for up to 200 resident positions that existed before July 1, 2023, if such~~

~~resident position;~~

~~a. Is in a physician specialty or subspecialty
experiencing a statewide supply and demand deficit;~~

~~b. Has been unfilled for a period of 3 or more years;~~

~~c. Is subsequently filled on or after June 1, 2024, and
remains filled thereafter; and~~

~~d. Is accredited by the Accreditation Council for Graduate
Medical Education or the Osteopathic Postdoctoral Training
Institution in an initial or established accredited training
program.~~

~~3. If applications for resident positions under this
paragraph exceed the number of authorized resident positions or
the available funding allocated, the agency shall prioritize
applications for resident positions that are in a primary care
specialty as specified in paragraph (2) (a).~~

~~(8) If a hospital or qualifying institution receives state
funds, including, but not limited to, intergovernmental
transfers, under any of the programs established under this
chapter, that hospital or qualifying institution must annually
report to the agency data on each resident position funded.~~

~~(a) Specific to funds allocated under this section, other
than funds allocated pursuant to subsection (5), the data
required to be reported under this subsection must include, but
is not limited to, all of the following:~~

~~1. The sponsoring institution for the resident position.~~

Amendment No.

~~As used in this section, the term "sponsoring institution" means an organization that oversees, supports, and administers one or more resident positions.~~

~~2. The year the position was created and the current program year of the resident who is filling the position.~~

~~3. Whether the position is currently filled and whether there has been any period of time when it was not filled.~~

~~4. The specialty or subspecialty for which the position is accredited and whether the position is a fellowship position.~~

~~5. Each state funding source that was used to create the position or is being used to maintain the position, and the general purpose for which the funds were used.~~

~~(b) Specific to funds allocated pursuant to subsection (5) on or after July 1, 2021, the data must include, but is not limited to, all of the following:~~

~~1. The date on which the hospital or qualifying institution applied for funds under the program.~~

~~2. The date on which the position funded by the program became accredited.~~

~~3. The date on which the position was first filled and whether it has remained filled.~~

~~4. The specialty of the position created.~~

~~(c) Beginning on July 1, 2025, each hospital or qualifying institution shall annually produce detailed financial records no later than 30 days after the end of its fiscal year, detailing~~

~~the manner in which state funds allocated under this section were expended. This requirement does not apply to funds allocated before July 1, 2025. The agency may also require that any hospital or qualifying institution submit to an audit of its financial records related to funds allocated under this section after July 1, 2025.~~

~~(d) If a hospital or qualifying institution fails to produce records as required by this section, such hospital or qualifying institution is no longer eligible to participate in any program established under this section until the hospital or qualifying institution has met the agency's requirements for producing the required records.~~

~~(e) Upon completion of a residency, each hospital or qualifying institution must request that the resident fill out an exit survey on a form developed by the agency. The completed exit surveys must be provided to the agency annually. The exit survey must include, but need not be limited to, questions on all of the following:~~

- ~~1. Whether the exiting resident has procured employment.~~
- ~~2. Whether the exiting resident plans to leave the state and, if so, for which reasons.~~
- ~~3. Where and in which specialty the exiting resident intends to practice.~~
- ~~4. Whether the exiting resident envisions himself or herself working in the medical field as a long-term career.~~

~~Senate and one appointed by the Speaker of the House of
Representatives.~~

~~(b)1. The members of the committee appointed under
subparagraph (a)1. shall serve 4-year terms. When such members' terms expire, the chair of the Council of Florida Medical School Deans shall appoint new members as detailed in subparagraph (a)1. from different medical schools on a rotating basis and may not reappoint a dean from a medical school that has been represented on the committee until all medical schools in the state have had an opportunity to be represented on the committee.~~

~~2. The members of the committee appointed under
subparagraphs (a)2.-4. shall serve 4-year terms, with the initial term being 3 years for members appointed under subparagraph (a)4. and 2 years for members appointed under subparagraph (a)3. The committee shall elect a chair to serve for a 1-year term.~~

~~(c) Members shall serve without compensation but are entitled to reimbursement for per diem and travel expenses pursuant to s. 112.061.~~

~~(d) The committee shall convene its first meeting by July 1, 2024, and shall meet as often as necessary to conduct its business, but at least twice annually, at the call of the chair. The committee may conduct its meetings through teleconference or other electronic means. A majority of the members of the~~

Section 4. Paragraphs (e) and (h) of subsection (3) of section 409.967, Florida Statutes, are amended to read:

409.967 Managed care plan accountability.—

(3) ACHIEVED SAVINGS REBATE.—

(e) Once the certified public accountant completes the audit, the certified public accountant shall submit an audit report to the agency attesting to the achieved savings of the plan. ~~The results of the audit report are dispositive.~~

(h) The following may not be included as allowable expenses in calculating income for determining the achieved savings rebate:

1. Payment of achieved savings rebates.
2. Any financial incentive payments made to the plan outside of the capitation rate.
3. Any financial disincentive payments levied by the state or federal government.
4. Expenses associated with any lobbying or political activities.
5. The cash value or equivalent cash value of bonuses of any type paid or awarded to the plan's executive staff, other than base salary.
