19           14.311 Office of Faith and Community.—

20           (1) LEGISLATIVE FINDINGS.—The Legislature finds that  
 21 faith-based, community-based, and nonprofit-based organizations,  
 22 otherwise known as faith and community networks, have long been  
 23 the cornerstone of prosperous and flourishing societies, serving  
 24 as the original model of community care. Faith and community  
 25 networks play an integral role in serving the most vulnerable

26 persons of a community, including foster children, foster  
27 families, kinship caregivers, single parents, persons in  
28 poverty, veterans, persons with unique abilities, children in  
29 the juvenile justice system, and vulnerable adults. Faith and  
30 community networks offer a more impactful, efficient, and viable  
31 long-term solution, wholly apart from or in partnership with  
32 governmental programs. The impact of faith and community  
33 networks is greatly enhanced by the reduction of unnecessary  
34 bureaucracy through enhanced collaboration, communication, and  
35 connection with civil service systems. Responsible connections  
36 with faith and community networks are a just and necessary  
37 component of good governance in pursuit of greater societal  
38 growth in this state. Additionally, greater, more responsible  
39 investments in such efforts have demonstrated an exponential  
40 yield of taxpayer savings, efficiency of governance, and  
41 effectiveness of care. It is therefore the intent of the  
42 Legislature to establish and create outlets of governmental  
43 infrastructure to preserve, protect, advance, and better connect  
44 the faith and community networks of this state for the greater  
45 social and economic benefit of all.

46 (2) PURPOSE.—The purpose of this section is to establish  
47 an Office of Faith and Community within the Executive Office of  
48 the Governor, as well as the role of a liaison for faith and  
49 community, in order to better connect with, communicate with,  
50 and provide resources to this state's faith-based and community-

51 based organizations.

52 (3) ESTABLISHMENT OF THE OFFICE OF FAITH AND COMMUNITY.—

53 (a) The Office of Faith and Community is established  
54 within the Executive Office of the Governor. The head of the  
55 office is the liaison for faith and community or a director  
56 appointed by the liaison who reports to the liaison.

57 (b) The primary purpose of the office is to better serve  
58 the most vulnerable persons of this state through more robust  
59 and connected faith and community networks in coordination with  
60 state resources.

63 organizations seeking access to, direction from, or support from

68 of the Governor.

69 3. Establish meaningful lines of communication to connect  
70 with and provide resources to faith-based and community-based  
71 organizations in this state. The office shall deliver relevant

74 state.

75 4. Develop and provide resources for enhanced connection

76 between civil service systems, state agencies, and faith-based  
77 and community-based organizations in this state. Specifically,  
78 the office shall help implement, market, and expand the use of  
79 CarePortal, a care-sharing platform that allows faith-based and  
80 community-based organizations and individual persons to see  
81 verified and vetted needs in their community in real time.

82 5. In coordination with the heads of the executive  
83 agencies, identify bureaucratic or regulatory burdens within  
84 state government that unnecessarily restrict, impede, or  
85 otherwise burden faith-based and community-based organizations  
86 from their involvement with, collaboration with, or service to  
87 the most vulnerable persons in this state.

88 6. Provide administrative support to the Florida Faith-  
89 based and Community-based Advisory Council under s. 14.31.

90 (4) LIAISON FOR FAITH AND COMMUNITY.-

91 (a) The position of the liaison for faith and community is  
92 established within the Executive Office of the Governor, and the  
93 liaison shall be appointed by and serve at the pleasure of the  
94 Governor.

95 (b) The duties of the liaison for faith and community  
96 include, but are not limited to:

97 1. Serving as a senior advisor of faith-based and

114 Governor. The council shall be administratively housed within  
115 the Executive Office of the Governor and receive administrative  
116 support from the Office of Faith and Community.

117 **Section 3.** This act shall take effect July 1, 2025.
