38 Be It Enacted by the Legislature of the State of Florida:

39
40 Section 1. This act may be cited as the "Duke Farm
41 Stewardship District Act."

42 Section 2. Legislative findings and intent; definitions;
43 policy.—

44 (1) LEGISLATIVE INTENT; PURPOSE OF THE DISTRICT.—

45 (a) The lands located wholly within Lee County covered by
46 this act contain many opportunities for thoughtful,
47 comprehensive, responsible, and consistent development over a
48 long period.

49 (b) There is a need to use a single special and limited
50 purpose independent special district unit of local government

CS/HB 4025

2025 Legislature

51 for the Duke Farm Stewardship District lands located within Lee
52 County for a more comprehensive community development approach,
53 which will facilitate an integral relationship among regional
54 transportation, land use, and urban design to provide for a
55 diverse mix of housing and regional employment and economic
56 development opportunities, rather than fragmented development
57 with underutilized infrastructure which is generally associated
58 with urban sprawl.

59 (c) There is a considerably long period of time during
60 which there is a significant burden to provide various systems,
61 facilities, and services to the initial landowners of the Duke
62 Farm Stewardship District lands, such that there is a need for
63 flexible management, sequencing, timing, and financing of the
64 various systems, facilities, and services to be provided to
65 these lands, taking into consideration absorption rates,
66 commercial viability, and related factors. Therefore, extended
67 control by the initial landowner with regard to the provision of
68 systems, facilities, and services for the Duke Farm Stewardship
69 District lands, coupled with the special and single purpose of
70 such district, is in the public interest.

71 (d) While chapter 190, Florida Statutes, provides an
72 opportunity for previous community development services and
73 facilities to be provided by the continued use of community
74 development districts in a manner that furthers the public
75 interest, given the size of the Duke Farm Stewardship District

76 lands and the duration of development continuing to utilize
77 multiple community development districts over these lands which
78 would result in an inefficient, duplicative, and needless
79 proliferation of special-purpose local governments, contrary to
80 the public interest and the Legislature's findings in chapter
81 190, Florida Statutes, it is in the public interest that the
82 long-range provision for, and management, financing, and long-
83 term maintenance, upkeep, and operation of, services and
84 facilities to be provided for ultimate development and
85 conservation of the lands covered by this act be under one
86 coordinated entity. The creation of an independent special
87 district will assist in integrating the management of state
88 resources and allow for greater and more coordinated stewardship
89 of natural resources.

90 (e) The existence and use of a special and limited purpose
91 local government for the Duke Farm Stewardship District lands,
92 subject to the Lee County comprehensive plan, will provide for a
93 comprehensive and complete community development approach to
94 promote a sustainable and efficient land use pattern for the
95 Duke Farm Stewardship District lands with long-term planning for
96 conservation and development, provide opportunities for the
97 mitigation of impacts and development of infrastructure in an
98 orderly and timely manner, prevent the overburdening of the
99 local general purpose government and the taxpayers, and provide
100 an enhanced tax base and regional employment and economic

101 development opportunities.

102 (f) The creation and establishment of the special district
103 will encourage local government financial self-sufficiency in
104 providing public facilities and in identifying and implementing
105 fiscally sound, innovative, and cost-effective techniques to
106 provide and finance public facilities while encouraging
107 coordinated development of capital improvement plans by all
108 levels of government, in accordance with the goals of chapter
109 187, Florida Statutes.

110 (g) The creation and establishment of a special and single
111 purpose independent district is a legitimate supplemental and
112 alternative method available to manage, own, operate, construct,
113 and finance capital infrastructure systems, facilities, and
114 services.

115 (h) In order to be responsive to the critical timing
116 required through the exercise of its special management
117 functions, an independent special district requires financing of
118 those functions, including bondable lienable and nonlienable
119 revenue, with full and continuing public disclosure and
120 accountability, funded by landowners, both present and future,
121 and funded also by users of the systems, facilities, and
122 services provided to the land area by the special district,
123 without unduly burdening the taxpayers, citizens, and ratepayers
124 of the state or Lee County.

125 (i) The special district created and established by this

act shall not have or exercise any comprehensive planning,
zoning, or development permitting power; the establishment of
the special district is not considered a development order
within the meaning of part I of chapter 380, Florida Statutes;
and all applicable planning and permitting laws, rules,
regulations, and policies of Lee County control the development
of the land to be serviced by the special district.

(j) The creation by this act of the Duke Farm Stewardship
District is not inconsistent with the Lee County comprehensive
plan.

(k) It is the legislative intent and purpose that no debt
or obligation of the special district constitute a burden on Lee
County.

Section 5. Board of supervisors; members and meetings;
organization; powers; duties; terms of office; related election
requirements.—

(1) The board of the district shall exercise the powers

granted to the district pursuant to this act. The board shall
consist of five members, each of whom shall hold office for a
term of 4 years, as provided in this section, except as
otherwise provided herein for initial board members, and until a
successor is chosen and qualified. The members of the board must
be residents of the state and citizens of the United States.

(2)(a) Within 90 days after the effective date of this
act, there shall be held a meeting of the landowners of the
district for the purpose of electing five supervisors for the
district. Notice of the landowners' meeting shall be published
in a newspaper of general circulation in the general area of the
district once a week for 2 consecutive weeks, the last day of
such publication to be not fewer than 14 days nor more than 28
days before the date of the election. The landowners, when
assembled at such meeting, shall organize by electing a chair,
who shall conduct the meeting. The chair may be any person
present at the meeting. If the chair is a landowner or proxy
holder of a landowner, he or she may nominate candidates and
make and second motions. The landowners present at the meeting,
in person or by proxy, shall constitute a quorum. At any
landowners' meeting, 50 percent of the district acreage is not
required to constitute a quorum, and each governing board member
elected by landowners shall be elected by a majority of the
acreage represented either by owner or proxy present and voting
at said meeting.

951 (b) At such meeting, each landowner shall be entitled to
952 cast one vote per acre of land owned by him or her and located
953 within the district for each person to be elected. A landowner
954 may vote in person or by proxy in writing. Each proxy must be
955 signed by one of the legal owners of the property for which the
956 vote is cast and must contain the typed or printed name of the
957 individual who signed the proxy; the street address, legal
958 description of the property, or tax parcel identification
959 number; and the number of authorized votes. If the proxy
960 authorizes more than one vote, each property must be listed and
961 the number of acres of each property must be included. The
962 signature on a proxy need not be notarized. A fraction of an
963 acre shall be treated as 1 acre, entitling the landowner to one
964 vote with respect thereto. The three candidates receiving the
965 highest number of votes shall each be elected for terms expiring
966 November 27, 2029, and the two candidates receiving the next
967 largest number of votes shall each be elected for terms expiring
968 November 23, 2027, with the term of office for each successful
969 candidate commencing upon election. The members of the first
970 board elected by landowners shall serve their respective terms;
971 however, the next election of board members shall be held on the
972 first Tuesday after the first Monday in November 2027.
973 Thereafter, there shall be an election by landowners for the
974 district every 2 years on the first Tuesday after the first
975 Monday in November, which shall be noticed pursuant to paragraph

CS/HB 4025

976 (a). The second and subsequent landowners' election shall be
977 announced at a public meeting of the board at least 90 days
978 before the date of the landowners' meeting and shall also be
979 noticed pursuant to paragraph (a). Instructions on how all
980 landowners may participate in the election, along with sample
981 proxies, shall be provided during the board meeting that
982 announces the landowners' meeting. Each supervisor elected in or
983 after November 2027 shall serve a 4-year term.

984 (3) (a) 1. The board may not exercise the ad valorem taxing
985 power authorized by this act until such time as all members of
986 the board are qualified electors who are elected by qualified
987 electors of the district.

988 2.a. Regardless of whether the district has proposed to
989 levy ad valorem taxes, board members shall be elected by
990 qualified electors of the district as the district becomes
991 populated with qualified electors. The transition shall occur
992 such that the composition of the board, after the first general
993 election following a trigger of the qualified elector population
994 thresholds set forth below, shall be as follows:

995 (I) Once 1,200 qualified electors reside within the
996 district, one governing board member shall be a person who is a
997 qualified elector of the district and who was elected by the
998 qualified electors, and four governing board members shall be
999 persons who were elected by the landowners.

1000 (II) Once 1,600 qualified electors reside within the

district, two governing board members shall be persons who are
qualified electors of the district and who were elected by the
qualified electors, and three governing board members shall be
persons who were elected by the landowners.

(III) Once 2,000 qualified electors reside within the
district, three governing board members shall be persons who are
qualified electors of the district and who were elected by the
qualified electors, and two governing board members shall be
persons who were elected by the landowners.

(IV) Once 2,300 qualified electors reside within the
district, four governing board members shall be persons who are
qualified electors of the district and who were elected by the
qualified electors, and one governing board member shall be a
person who was elected by the landowners.

(V) Once 2,500 qualified electors reside within the
district, all five governing board members shall be persons who
are qualified electors of the district and who were elected by
the qualified electors.

Nothing in this sub-subparagraph is intended to require an
election before the expiration of an existing board member's
term.

b. On or before June 1 of each election year, the board
shall determine the number of qualified electors in the district
as of the immediately preceding April 15. The board shall use

and rely upon the official records maintained by the supervisor of elections and property appraiser or tax collector in Lee County in making this determination. Such determination shall be made at a properly noticed meeting of the board and shall become a part of the official minutes of the district.

c. All governing board members elected by qualified electors shall be elected at large at an election occurring as provided in subsection (2) and this subsection.

d. All governing board members elected by qualified electors shall reside in the district.

e. Once the district qualifies to have any of its board members elected by the qualified electors of the district, the initial and all subsequent elections by the qualified electors of the district shall be held at the general election in November. The board shall adopt a resolution, if necessary, to implement this requirement. The transition process described herein is intended to be in lieu of the process set forth in s. 189.041, Florida Statutes.

(b) Elections of board members by qualified electors held pursuant to this subsection shall be nonpartisan and shall be conducted in the manner prescribed by general law for holding general elections. Board members shall assume the office on the second Tuesday following their election.

(c) Candidates seeking election to office by qualified electors under this subsection shall conduct their campaigns in

1051 accordance with chapter 106, Florida Statutes, and shall file
1052 qualifying papers and qualify for individual seats in accordance
1053 with s. 99.061, Florida Statutes.

1054 (d) The supervisor of elections shall appoint the
1055 inspectors and clerks of elections, prepare and furnish the
1056 ballots, designate polling places, and canvass the returns of
1057 the election of board members by qualified electors. The county
1058 canvassing board shall declare and certify the results of the
1059 election.

1060 (4) Members of the board, regardless of how elected, shall
1061 be public officers, shall be known as supervisors, and, upon
1062 entering into office, shall take and subscribe to the oath of
1063 office as prescribed by s. 876.05, Florida Statutes. Members of
1064 the board shall be subject to ethics and conflict of interest
1065 laws of the state that apply to all local public officers. They
1066 shall hold office for the terms for which they were elected or
1067 appointed and until their successors are chosen and qualified.
1068 If, during the term of office, a vacancy occurs, the remaining
1069 members of the board shall fill each vacancy by an appointment
1070 for the remainder of the unexpired term.

1071 (5) Any elected member of the board of supervisors may be
1072 removed by the Governor for malfeasance, misfeasance,
1073 dishonesty, incompetency, or failure to perform the duties
1074 imposed upon him or her by this act, and any vacancies that may
1075 occur in such office for such reasons shall be filled by the

1076 Governor as soon as practicable.

1077 (6) A majority of the members of the board constitutes a
1078 quorum for the purposes of conducting its business and
1079 exercising its powers and for all other purposes. Action taken
1080 by the district shall be upon a vote of a majority of the
1081 members present unless general law or a rule of the district
1082 requires a greater number.

1083 (7) As soon as practicable after each election or
1084 appointment, the board shall organize by electing one of its
1085 members as chair and by electing a secretary, who need not be a
1086 member of the board, and such other officers as the board may
1087 deem necessary.

1088 (8) The board shall keep a permanent record book entitled
1089 "Record of Proceedings of Duke Farm Stewardship District," in
1090 which shall be recorded minutes of all meetings, resolutions,
1091 proceedings, certificates, bonds given by all employees, and any
1092 and all corporate acts. The record book and all other district
1093 records shall at reasonable times be opened to inspection in the
1094 same manner as state, county, and municipal records pursuant to
1095 chapter 119, Florida Statutes. The record book shall be kept at
1096 the office or other regular place of business maintained by the
1097 board in a designated location in Lee County.

1098 (9) Each supervisor may not be entitled to receive
1099 compensation for his or her services in excess of the limits
1100 established in s. 190.006(8), Florida Statutes, or any other

1101 provision of general law; however, each supervisor shall receive
1102 travel and per diem expenses as set forth in s. 112.061, Florida
1103 Statutes.

1104 (10) All meetings of the board shall be open to the public
1105 and governed by chapter 286, Florida Statutes.

1106 Section 6. Board of supervisors; general duties.—

1107 (1) DISTRICT MANAGER AND EMPLOYEES.—The board shall employ
1108 and fix the compensation of a district manager, who shall have
1109 charge and supervision of the works of the district and shall be
1110 responsible for preserving and maintaining any improvement or
1111 facility constructed or erected pursuant to this act, for
1112 maintaining and operating the equipment owned by the district,
1113 and for performing such other duties as may be prescribed by the
1114 board. It is not a conflict of interest or an abuse of public
1115 position under chapter 112, Florida Statutes, for a board
1116 member, the district manager, or another employee of the
1117 district to be a stockholder, officer, or employee of a
1118 landowner or an entity affiliated with a landowner. The district
1119 manager may hire or otherwise employ and terminate the
1120 employment of such other persons, including, without limitation,
1121 professional, supervisory, and clerical employees, as may be
1122 necessary and authorized by the board. The compensation and
1123 other conditions of employment of the officers and employees of
1124 the district shall be as provided by the board.

1125 (2) TREASURER.—The board shall designate a person who is a

1126 resident of the state as treasurer of the district, who shall
1127 have charge of the funds of the district. Such funds shall be
1128 disbursed only upon the order of or pursuant to a resolution of
1129 the board by warrant or check countersigned by the treasurer and
1130 by such other person as may be authorized by the board. The
1131 board may give the treasurer such other or additional powers and
1132 duties as the board may deem appropriate and may fix his or her
1133 compensation. The board may require the treasurer to give a bond
1134 in such amount, on such terms, and with such sureties as may be
1135 deemed satisfactory to the board to secure the performance by
1136 the treasurer of his or her powers and duties. The financial
1137 records of the board shall be audited by an independent
1138 certified public accountant in accordance with the requirements
1139 of general law.

1140 (3) PUBLIC DEPOSITORY.—The board is authorized to select
1141 as a depository for its funds any qualified public depository as
1142 defined in s. 280.02, Florida Statutes, which meets all the
1143 requirements of chapter 280, Florida Statutes, and has been
1144 designated by the treasurer as a qualified public depository
1145 upon such terms and conditions as to the payment of interest by
1146 such depository upon the funds so deposited as the board may
1147 deem just and reasonable.

1148 (4) BUDGET; REPORTS AND REVIEWS.—

1149 (a) The district shall provide financial reports in such
1150 form and such manner as prescribed pursuant to this act and

1151 chapter 218, Florida Statutes.

1152 (b) On or before July 15 of each year, the district
1153 manager shall prepare a proposed budget for the ensuing fiscal
1154 year to be submitted to the board for board approval. The
1155 proposed budget shall include at the direction of the board an
1156 estimate of all necessary expenditures of the district for the
1157 ensuing fiscal year and an estimate of income to the district
1158 from the taxes and assessments provided in this act. The board
1159 shall consider the proposed budget item by item and may either
1160 approve the budget as proposed by the district manager or modify
1161 the same in part or in whole. The board shall indicate its
1162 approval of the budget by resolution, which resolution shall
1163 provide for a hearing on the budget as approved. Notice of the
1164 hearing on the budget shall be published in a newspaper of
1165 general circulation in the general area of the district once a
1166 week for 2 consecutive weeks, except that the first publication
1167 shall be no fewer than 15 days before the date of the hearing.
1168 The notice shall further contain a designation of the day, time,
1169 and place of the public hearing. At the day, time, and place
1170 designated in the notice, the board shall hear all objections to
1171 the budget as proposed and may make such changes as the board
1172 deems necessary. At the conclusion of the budget hearing, the
1173 board shall, by resolution, adopt the budget as finally approved
1174 by the board. The budget shall be adopted before October 1 of
1175 each year.

1176 (c) At least 60 days before adoption, the board of
1177 supervisors of the district shall submit to the Board of County
1178 Commissioners of Lee County, for purposes of disclosure and
1179 information only, the proposed annual budget for the ensuing
1180 fiscal year, and the board of county commissioners may submit
1181 written comments to the board of supervisors solely for the
1182 assistance and information of the board of supervisors in
1183 adopting its annual district budget.

1184 (d) The board of supervisors shall submit annually a
1185 public facilities report to the Board of County Commissioners of
1186 Lee County pursuant to s. 189.08, Florida Statutes. The board of
1187 county commissioners may use and rely on the district's public
1188 facilities report in the preparation or revision of the Lee
1189 County comprehensive plan.

1190 (5) DISCLOSURE OF PUBLIC INFORMATION; WEB-BASED PUBLIC
1191 ACCESS.—The district shall take affirmative steps to provide for
1192 the full disclosure of information relating to the public
1193 financing and maintenance of improvements to real property
1194 undertaken by the district. Such information shall be made
1195 available to all existing and prospective residents of the
1196 district. The district shall furnish each developer of a
1197 residential development within the district with sufficient
1198 copies of that information to provide each prospective initial
1199 purchaser of property in that development with a copy; and any
1200 developer of a residential development within the district, when

1201 required by general law to provide a public offering statement,
1202 shall include a copy of such information relating to the public
1203 financing and maintenance of improvements in the public offering
1204 statement. The district shall file the disclosure documents
1205 required by this subsection and any amendments thereto in the
1206 property records of each county in which the district is
1207 located. By the end of the first full fiscal year of the
1208 district's creation, the district shall maintain an official
1209 Internet website in accordance with s. 189.069, Florida
1210 Statutes.

1211 (6) GENERAL POWERS.—The district shall have, and the board

1609 as the board may deem advisable. The board shall have the right
1610 to provide for the payment thereof by pledging the whole or any
1611 part of the funds, revenues, taxes, and assessments of the
1612 district or by covenanting to budget and appropriate from such
1613 funds. The approval of the electors residing in the district is
1614 only necessary when required by the State Constitution.

1615 (10) BONDS.—

1669 Registered Public Obligations Act, except that bonds not issued
1670 in registered form shall be valid if manually countersigned by
1671 an officer designated by appropriate resolution of the board.
1672 The seal of the district may be affixed, lithographed, engraved,
1673 or otherwise reproduced in facsimile on such bonds. In case any
1674 officer whose signature shall appear on any bonds or coupons

1676 bonds, such signature or facsimile shall nevertheless be valid
1677 and sufficient for all purposes as if he or she had remained in
1678 office until such delivery.

1679 (c) Interim certificates; replacement certificates.—
1680 Pending the preparation of definitive bonds, the board may issue
1681 interim certificates or receipts or temporary bonds, in such
1682 form and with such provisions as the board may determine,
1683 exchangeable for definitive bonds when such bonds have been
1684 executed and are available for delivery. The board may also
1685 provide for the replacement of any bonds which become mutilated,
1686 lost, or destroyed.

1687 (d) Negotiability of bonds.—Any bond issued under this act
1688 or any temporary bond, in the absence of an express recital on
1689 the face thereof that it is nonnegotiable, shall be fully
1690 negotiable and shall be and constitute a negotiable instrument
1691 within the meaning and for all purposes of the law merchant and
1692 general law.

1693 (e) Defeasance.—The board may make such provision with
1694 respect to the defeasance of the right, title, and interest of
1695 the holders of any of the bonds and obligations of the district
1696 in any revenues, funds, or other properties by which such bonds
1697 are secured as the board deems appropriate and, without
1698 limitation on the foregoing, may provide that when such bonds or
1699 obligations become due and payable or shall have been called for
1700 redemption and the whole amount of the principal and interest

1701 and premium, if any, due and payable upon the bonds or
1702 obligations then outstanding shall be held in trust for such
1703 purpose, and provision shall also be made for paying all other
1704 sums payable in connection with such bonds or other obligations,
1705 and in such event the right, title, and interest of the holders
1706 of the bonds in any revenues, funds, or other properties by
1707 which such bonds are secured shall thereupon cease, terminate,
1708 and become void; and the board may apply any surplus in any
1709 sinking fund established in connection with such bonds or
1710 obligations and all balances remaining in all other funds or
1711 accounts other than moneys held for the redemption or payment of
1712 the bonds or other obligations to any lawful purpose of the
1713 district as the board shall determine.

1714 (f) Issuance of additional bonds.—If the proceeds of any
1715 bonds are less than the cost of completing the project in
1716 connection with which such bonds were issued, the board may
1717 authorize the issuance of additional bonds, upon such terms and
1718 conditions as the board may provide in the resolution
1719 authorizing the issuance thereof, but only in compliance with
1720 the resolution or other proceedings authorizing the issuance of
1721 the original bonds.

1722 (g) Refunding bonds.—The district is authorized to issue
1723 bonds to provide for the retirement or refunding of any bonds or
1724 obligations of the district that at the time of such issuance
1725 are or subsequent thereto become due and payable, or that at the

1727 call for redemption within 10 years thereafter, or the surrender
1728 of which can be procured from the holders thereof at prices
1729 satisfactory to the board. Refunding bonds may be issued at any
1730 time that in the judgment of the board such issuance will be
1731 advantageous to the district. Approval of the qualified electors
1732 residing in the district is not required for the issuance of
1733 refunding bonds except in cases in which such approval is
1734 required by the State Constitution. The board may by resolution
1735 confer upon the holders of such refunding bonds all rights,
1736 powers, and remedies to which the holders would be entitled if
1737 they continued to be the owners and had possession of the bonds
1738 for the refinancing of which such refunding bonds are issued,
1739 including, but not limited to, the preservation of the lien of
1740 such bonds on the revenues of any project or on pledged funds,
1741 without extinguishment, impairment, or diminution thereof. The
1742 provisions of this act relating to bonds of the district shall,
1743 unless the context otherwise requires, govern the issuance of
1744 refunding bonds, the form and other details thereof, the rights
1745 of the holders thereof, and the duties of the board with respect
1746 to such bonds.

1747 (h) Revenue bonds.—

1748 1. The district shall have the power to issue revenue
1749 bonds from time to time without limitation as to amount. Such
1750 revenue bonds may be secured by, or payable from, the gross or

1752 combination of projects; from the rates, fees, or other charges
1753 to be collected from the users of any project or projects; from
1754 any revenue-producing undertaking or activity of the district;
1755 from special assessments; from benefit special assessments; or
1756 from any other source or pledged security. Such bonds do not
1757 constitute an indebtedness of the district and the approval of
1758 the qualified electors is not required unless such bonds are
1759 additionally secured by the full faith and credit and taxing
1760 power of the district.

1761 2. Any two or more projects may be combined and
1762 consolidated into a single project and may hereafter be operated
1763 and maintained as a single project. The revenue bonds authorized
1764 herein may be issued to finance any one or more of such
1765 projects, regardless of whether such projects have been combined
1766 and consolidated into a single project. If the board deems it
1767 advisable, the proceedings authorizing such revenue bonds may
1768 provide that the district may thereafter combine the projects
1769 then being financed or theretofore financed with other projects
1770 to be subsequently financed by the district and that revenue
1771 bonds to be thereafter issued by the district shall be on parity
1772 with the revenue bonds then being issued, all on such terms,
1773 conditions, and limitations as shall have been provided in the
1774 proceeding which authorized the original bonds.

1775 (i) General obligation bonds.—

ENROLLED

CS/HB 4025

2025 Legislature

1776 1. Subject to the limitations of this charter, the
1777 district shall have the power to issue general obligation bonds
1778 to finance or refinance capital projects or to refund
1779 outstanding bonds in an aggregate principal amount of bonds
1780 outstanding at any one time not in excess of 35 percent of the
1781 assessed value of the taxable property within the district as
1782 shown on the pertinent tax records at the time of the
1783 authorization of the general obligation bonds for which the full
1784 faith and credit of the district is pledged. Except for
1785 refunding bonds, general obligation bonds may not be issued
1786 unless the bonds are issued to finance or refinance a capital
1787 project and the issuance has been approved at an election held
1788 in accordance with the requirements for such election as
1789 prescribed by the State Constitution. Such elections shall be
1790 called to be held in the district by the Board of County
1791 Commissioners of Lee County upon the request of the board of the
1792 district. The expenses of calling and holding an election shall
1793 be at the expense of the district, and the district shall
1794 reimburse the county for any expenses incurred in calling or
1795 holding such election.

1796 2. The district may pledge its full faith and credit for
1797 the payment of the principal and interest on such general
1798 obligation bonds and for any reserve funds provided therefor and
1799 may unconditionally and irrevocably pledge itself to levy ad
1800 valorem taxes on all taxable property in the district, to the

1801 extent necessary for the payment thereof, without limitation as
1802 to rate or amount.

1803 3. If the board determines to issue general obligation
1804 bonds for more than one capital project, the approval of the
1805 issuance of the bonds for each and all such projects may be
1806 submitted to the electors on one ballot. The failure of the
1807 electors to approve the issuance of bonds for any one or more
1808 capital projects does not defeat the approval of bonds for any
1809 capital project which has been approved by the electors.

1810 4. In arriving at the amount of general obligation bonds
1811 permitted to be outstanding at any one time pursuant to
1812 subparagraph 1., there may not be included any general
1813 obligation bonds that are additionally secured by the pledge of:

1814 a. Any assessments levied in an amount sufficient to pay
1815 the principal and interest on the general obligation bonds so
1816 additionally secured, which assessments have been equalized and
1817 confirmed by resolution of the board pursuant to this act or s.
1818 170.08, Florida Statutes.

1819 b. Water revenues, sewer revenues, or water and sewer
1820 revenues of the district to be derived from user fees in an
1821 amount sufficient to pay the principal and interest on the
1822 general obligation bonds so additionally secured.

1823 c. Any combination of assessments and revenues described
1824 in sub-subparagraphs a. and b.

1825 (j) Bonds as legal investment or security.—

ENROLLED

CS/HB 4025

1826 1. Notwithstanding any other provision of law to the
1827 contrary, all bonds issued under this act shall constitute legal
1828 investments for savings banks, banks, trust companies, insurance
1829 companies, executors, administrators, trustees, guardians, and
1830 other fiduciaries and for any board, body, agency,
1831 instrumentality, county, municipality, or other political
1832 subdivision of the state and shall be and constitute security
1833 which may be deposited by banks or trust companies as security
1834 for deposits of state, county, municipal, or other public funds
1835 or by insurance companies as required or voluntary statutory
1836 deposits.

1837 2. Any bonds issued by the district shall be incontestable
1838 in the hands of bona fide purchasers or holders for value and
1839 are not invalid because of any irregularity or defect in the
1840 proceedings for the issue and sale thereof.

1841 (k) Covenants.—Any resolution authorizing the issuance of
1842 bonds may contain such covenants as the board may deem
1843 advisable, and all such covenants shall constitute valid and
1844 legally binding and enforceable contracts between the district
1845 and the bondholders, regardless of the time of issuance thereof.
1846 Such covenants may include, without limitation, covenants
1847 concerning the disposition of the bond proceeds; the use and
1848 disposition of project revenues; the pledging of revenues,
1849 taxes, and assessments; the obligations of the district with
1850 respect to the operation of the project and the maintenance of

adequate project revenues; the issuance of additional bonds; the appointment, powers, and duties of trustees and receivers; the acquisition of outstanding bonds and obligations; restrictions on the establishment of competing projects or facilities; restrictions on the sale or disposal of the assets and property of the district; the priority of assessment liens; the priority of claims by bondholders on the taxing power of the district; the maintenance of deposits to ensure the payment of revenues by users of district facilities and services; the discontinuance of district services by reason of delinquent payments; acceleration upon default; the execution of necessary instruments; the procedure for amending or abrogating covenants with the bondholders; and such other covenants as may be deemed necessary or desirable for the security of the bondholders.

(l) Validation proceedings.—The power of the district to issue bonds under this act may be determined, and any of the bonds of the district maturing over a period of more than 5 years shall be validated and confirmed, by court decree, under chapter 75, Florida Statutes, and laws amendatory thereof or supplementary thereto.

(m) Tax exemption.—To the extent allowed by general law, all bonds issued hereunder and interest paid thereon and all fees, charges, and other revenues derived by the district from the projects provided by this act are exempt from all taxes by the state or by any political subdivision, agency, or

instrumentality thereof; however, any interest, income, or profits on debt obligations issued hereunder are not exempt from the tax imposed by chapter 220, Florida Statutes. Further, the district is not exempt from chapter 212, Florida Statutes.

(n) Application of s. 189.051, Florida Statutes.—Bonds issued by the district shall meet the criteria set forth in s. 189.051, Florida Statutes.

(o) Act furnishes full authority for issuance of bonds.—This act constitutes full and complete authority for the issuance of bonds and the exercise of the powers of the district provided herein. Procedures or proceedings, publications, notices, consents, approvals, orders, acts, or things by the board, or by any board, officer, commission, department, agency, or instrumentality of the district, other than those required by this act, are not required to perform anything under this act, except that the issuance or sale of bonds pursuant to this act shall comply with the general law requirements applicable to the issuance or sale of bonds by the district. This act does not authorize the district to utilize bond proceeds to fund the ongoing operations of the district.

(p) Pledge by the state to the bondholders of the district.—The state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to own, acquire, construct, reconstruct, improve, maintain, operate, or furnish the projects or to levy and

collect the taxes, assessments, rentals, rates, fees, and other charges provided for herein and to fulfill the terms of any agreement made with the holders of such bonds or other obligations and that it will not in any way impair the rights or remedies of such holders.

(g) Default.—A default on the bonds or obligations of the district does not constitute a debt or obligation of the state or any general-purpose local government of the state. In the event of a default or dissolution of the district, a general-purpose local government is not required to assume the property of the district, the debts of the district, or the district's obligations to complete any infrastructure improvements or provide any services to the district. Section 189.076(2), Florida Statutes, does not apply to the district.

(11) TRUST AGREEMENTS.—Any issue of bonds shall be secured by a trust agreement or resolution by and between the district and a corporate trustee or trustees, which may be any trust company or bank having the powers of a trust company within or without the state. The resolution authorizing the issuance of the bonds or such trust agreement may pledge the revenues to be received from any projects of the district and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as the board may approve, including, without limitation, covenants setting forth the duties of the district in relation to the acquisition, construction, reconstruction,

improvement, maintenance, repair, operation, and insurance of
any projects; the fixing and revising of the rates, fees, and
charges; and the custody, safeguarding, and application of all
moneys and for the employment of consulting engineers in
connection with such acquisition, construction, reconstruction,
improvement, maintenance, repair, operation, or insurance. It
shall be lawful for any bank or trust company within or without
the state which may act as a depository of the proceeds of bonds
or of revenues to furnish such indemnifying bonds or to pledge
such securities as may be required by the district. Such
resolution or trust agreement may set forth the rights and
remedies of the bondholders and of the trustee, if any, and may
restrict the individual right of action by bondholders. The
board may provide for the payment of proceeds of the sale of the
bonds and the revenues of any project to such officer, board, or
depository as it may designate for the custody thereof and may
provide for the method of disbursement thereof with such
safeguards and restrictions as it may determine. All expenses
incurred in carrying out such resolution or trust agreement may
be treated as part of the cost of operation of the project to
which such trust agreement pertains.

(12) AD VALOREM TAXES; ASSESSMENTS, BENEFIT SPECIAL
ASSESSMENTS, MAINTENANCE SPECIAL ASSESSMENTS, AND SPECIAL
ASSESSMENTS; MAINTENANCE TAXES.—

(a) Ad valorem taxes.—At such time as all members of the

board are qualified electors who are elected by qualified electors of the district, the board shall have the power to levy and assess an ad valorem tax on all the taxable property in the district to construct, operate, and maintain assessable improvements; to pay the principal of, and interest on, any general obligation bonds of the district; and to provide for any sinking or other funds established in connection with any such bonds. An ad valorem tax levied by the board for operating purposes, exclusive of debt service on bonds, may not exceed 3 mills. The ad valorem tax provided for herein shall be in addition to county and all other ad valorem taxes provided for by general law. Such tax shall be assessed, levied, and collected in the same manner and at the same time as county taxes. The levy of ad valorem taxes must be approved by referendum as required by s. 9, Art. VII of the State Constitution and held at a general election.

(b) Benefit special assessments.—The board annually shall determine, order, and levy the annual installment of the total benefit special assessments for bonds issued and related expenses to finance assessable improvements. These assessments may be due and collected during each year county taxes are due and collected, in which case such annual installment and levy shall be evidenced to and certified to the property appraiser by the board not later than August 31 of each year. Such assessment shall be entered by the property appraiser on the county tax

 1977 in the same manner and at the same time as county taxes, and the
 1978 proceeds thereof shall be paid to the district. However, this
 1979 subsection does not prohibit the district in its discretion from
 1980 using the method provided in s. 197.3632, Florida Statutes, or
 1981 chapter 173, Florida Statutes, as each may be amended from time
 1982 to time, for collecting and enforcing these assessments. Each
 1983 annual installment of benefit special assessments shall be a
 1984 lien on the property against which assessed until paid and shall
 1985 be enforceable in like manner as county taxes. The amount of the
 1986 assessment for the exercise of the district's powers under
 1987 subsections (6) and (7) shall be determined by the board based
 1988 upon a report of the district's engineer and assessed by the
 1989 board upon such lands, which may be part or all of the lands
 1990 within the district benefited by the improvement, apportioned
 1991 between benefited lands in proportion to the benefits received
 1992 by each tract of land. The board may, if it determines it is in
 1993 the best interests of the district, set forth in the proceedings
 1994 initially levying such benefit special assessments or in
 1995 subsequent proceedings a formula for the determination of an
 1996 amount which, when paid by a taxpayer with respect to any tax
 1997 parcel, shall constitute a prepayment of all future annual
 1998 installments of such benefit special assessments. The payment of
 1999 such amount with respect to such tax parcel shall relieve and
 2000 discharge such tax parcel of the lien of such benefit special

The board may provide further that upon delinquency in the payment of any annual installment of benefit special assessments, such prepayment amount of all future annual installments of benefit special assessments shall be and become immediately due and payable together with such delinquent annual installment.

(c) Non-ad valorem maintenance taxes.—If and when authorized by general law, to maintain and to preserve the physical facilities and services constituting the works, improvements, or infrastructure owned by the district pursuant to this act, to repair and restore any one or more of them, when needed, and to defray the current expenses of the district, including any sum which may be required to pay state and county ad valorem taxes on any lands which may have been purchased and which are held by the district under this act, the board of supervisors may, upon the completion of said systems, facilities, services, works, improvements, or infrastructure, in whole or in part, as may be certified to the board by the engineer of the board, levy annually a non-ad valorem and nonmillage tax upon each tract or parcel of land within the district, to be known as a "maintenance tax." A maintenance tax shall be apportioned upon the basis of the net assessments of benefits assessed as accruing from the original construction and shall be evidenced to and certified by the board of supervisors of the district not later than June 1 of each year to the Lee

2027 collected by the tax collector on the merged collection roll of
2028 the tax collector in the same manner and at the same time as
2029 county ad valorem taxes, and the proceeds therefrom shall be
2030 paid to the district. The maintenance tax shall be a lien until
2031 paid on the property against which assessed and enforceable in
2032 like manner and of the same dignity as county ad valorem taxes.

2033 (d) Maintenance special assessments.—To maintain and
2034 preserve the facilities and projects of the district, the board
2035 may levy a maintenance special assessment. This assessment may
2036 be evidenced to and certified to the tax collector by the board
2037 of supervisors not later than August 31 of each year and shall
2038 be entered by the property appraiser on the county tax rolls and
2039 shall be collected and enforced by the tax collector in the same
2040 manner and at the same time as county taxes, and the proceeds
2041 therefrom shall be paid to the district. However, this
2042 subsection does not prohibit the district in its discretion from
2043 using the method prescribed in s. 197.363, s. 197.3631, or s.
2044 197.3632, Florida Statutes, for collecting and enforcing these
2045 assessments. These maintenance special assessments shall be a
2046 lien on the property against which assessed until paid and shall
2047 be enforceable in like manner as county taxes. The amount of the
2048 maintenance special assessment for the exercise of the
2049 district's powers under this section shall be determined by the
2050 board based upon a report of the district's engineer and

2051 assessed by the board upon such lands, which may be all of the
2052 lands within the district benefited by the maintenance thereof,
2053 apportioned between the benefited lands in proportion to the
2054 benefits received by each tract of land.

2055 (e) Special assessments.—The board may levy and impose any
2056 special assessments pursuant to this subsection.

2057 (f) Enforcement of taxes.—The collection and enforcement
2058 of all taxes levied by the district shall be at the same time
2059 and in like manner as county taxes and the provisions of general
2060 law relating to the sale of lands for unpaid and delinquent
2061 county taxes; the issuance, sale, and delivery of tax
2062 certificates for such unpaid and delinquent county taxes; the
2063 redemption thereof; the issuance to individuals of tax deeds
2064 based thereon; and all other procedures in connection therewith
2065 shall be applicable to the district to the same extent as if
2066 such statutory provisions were expressly set forth in this act.
2067 All taxes shall be subject to the same discounts as county
2068 taxes.

2069 (g) When unpaid tax is delinquent; penalty.—All taxes
2070 provided for in this act shall become delinquent and bear
2071 penalties on the amount of such taxes in the same manner as
2072 county taxes.

2073 (h) Status of assessments.—Benefit special assessments,
2074 maintenance special assessments, and special assessments are
2075 hereby found and determined to be non-ad valorem assessments as

2076 defined in s. 197.3632(1), Florida Statutes. Maintenance taxes
2077 are non-ad valorem taxes and are not special assessments.

2078 (i) Assessments constitute liens; collection.—Any and all
2079 assessments, including special assessments, benefit special
2080 assessments, and maintenance special assessments authorized and
2081 granted by this subsection and maintenance taxes if authorized
2082 by general law, shall constitute a lien on the property against
2083 which assessed from the date of levy and imposition thereof
2084 until paid, coequal with the lien of state, county, municipal,
2085 and school board taxes. These assessments may be collected, at
2086 the district's discretion, under authority of s. 197.3631,
2087 Florida Statutes, as amended from time to time, by the tax
2088 collector pursuant to ss. 197.3632 and 197.3635, Florida
2089 Statutes, as amended from time to time, or in accordance with
2090 other collection measures provided by general law. In addition
2091 to, and not in limitation of, any powers otherwise set forth
2092 herein or in general law, these assessments may also be enforced
2093 pursuant to chapter 173, Florida Statutes, as amended from time
2094 to time.

2095 (j) Land owned by governmental entity.—Except as otherwise
2096 provided by general law, a levy of ad valorem taxes or non-ad
2097 valorem assessments under this act or chapter 170 or chapter
2098 197, Florida Statutes, or otherwise by the board of the district

2102 of such governmental entity.

2103 (13) SPECIAL ASSESSMENTS.—

2104 (a) As an alternative method to the levy and imposition of
2105 special assessments pursuant to chapter 170, Florida Statutes,
2106 pursuant to the authority under s. 197.3631, Florida Statutes,
2107 or pursuant to other provisions of general law, now or hereafter
2108 enacted, which provide a supplemental means or authority to
2109 impose, levy, and collect special assessments as otherwise
2110 authorized under this act, the board may levy and impose special
2111 assessments to finance the exercise of any of its powers
2112 permitted under this act using the following uniform procedures:

2113 1. At a noticed meeting, the board of supervisors of the
2114 district may consider and review an engineer's report on the
2115 costs of the systems, facilities, and services to be provided; a
2116 preliminary special assessment methodology; and a preliminary
2117 roll based on acreage or platted lands, depending upon whether
2118 platting has occurred.

2119 a. The special assessment methodology shall address and
2120 discuss and the board shall consider whether the systems,
2121 facilities, and services being contemplated will result in
2122 special benefits peculiar to the property, different in kind and
2123 degree than general benefits, as a logical connection between
2124 the systems, facilities, and services themselves and the

2127 equitable and not in excess of the special benefit received. It
2128 shall be fair and equitable to designate a fixed proportion of
2129 the annual debt service, together with interest thereon, on the
2130 aggregate principal amount of bonds issued to finance such
2131 systems, facilities, and services which give rise to unique,
2132 special, and peculiar benefits to property of the same or
2133 similar characteristics under the special assessment methodology
2134 so long as such fixed proportion does not exceed the unique,
2135 special, and peculiar benefits enjoyed by such property from
2136 such systems, facilities, and services.

2137 b. The engineer's cost report shall identify the nature of
2138 the proposed systems, facilities, and services, their location,
2139 a cost breakdown plus a total estimated cost, including cost of
2140 construction or reconstruction, labor, and materials, lands,
2141 property, rights, easements, franchises, or systems, facilities,

2146 determining the feasibility or practicability of such
2147 construction, reconstruction, or acquisition, administrative

2151 the board of supervisors.

2152 c. The preliminary special assessment roll shall be in
2153 accordance with the assessment methodology as may be adopted by
2154 the board of supervisors; the special assessment roll shall be
2155 completed as promptly as possible and shall show the acreage,
2156 lots, lands, or plats assessed and the amount of the fairly and
2157 reasonably apportioned assessment based on special and peculiar
2158 benefit to the property, lot, parcel, or acreage of land; and,
2159 if the special assessment against such lot, parcel, acreage, or
2160 portion of land is to be paid in installments, the number of
2161 annual installments in which the special assessment is divided
2162 shall be entered into and shown upon the special assessment
2163 roll.

2164 2. The board of supervisors of the district may determine
2165 and declare by an initial special assessment resolution to levy
2166 and assess the special assessments with respect to assessable
2167 improvements stating the nature of the systems, facilities, and
2168 services, improvements, projects, or infrastructure constituting
2169 such assessable improvements, the information in the engineer's
2170 cost report, the information in the special assessment
2171 methodology as determined by the board at the noticed meeting

2176 determines to declare and levy the special assessments by the
2177 initial special assessment resolution, the board shall also
2178 adopt and declare a notice resolution which shall provide and
2179 cause the initial special assessment resolution to be published
2180 in a newspaper of general circulation in Lee County once a week
2181 for 2 consecutive weeks, and said board shall by the same
2182 resolution fix a time and place at which the owner or owners of
2183 the property to be assessed or any other persons interested
2184 therein may appear before said board and be heard as to the
2185 propriety and advisability of making such improvements, as to
2186 the costs thereof, as to the manner of payment therefor, and as
2187 to the amount thereof to be assessed against each property so
2188 improved. Thirty days' notice in writing of such time and place
2189 shall be given to such property owners. The notice shall include
2190 the amount of the special assessment and shall be served by
2191 mailing a copy to each assessed property owner at his or her
2192 last known address, the names and addresses of such property
2193 owners to be obtained from the record of the property appraiser
2194 of the county political subdivision in which the land is located
2195 or from such other sources as the district manager or engineer
2196 deems reliable. Proof of such mailing shall be made by the
2197 affidavit of the manager of the district or by the engineer,
2198 said proof to be filed with the district manager. Failure to
2199 mail said notice or notices does not invalidate any of the

proceedings hereunder. It is provided further that the last publication shall be at least 1 week before the date of the hearing on the final special assessment resolution. Said notice shall describe the general areas to be improved and advise all persons interested that the description of each property to be assessed and the amount to be assessed to each piece, parcel, lot, or acre of property may be ascertained at the office of the manager of the district. Such service by publication shall be verified by the affidavit of the publisher and filed with the manager of the district. Moreover, the initial special assessment resolution with its attached, referenced, and incorporated engineer's cost report, preliminary special assessment methodology, and preliminary special assessment roll, along with the notice resolution, shall be available for public inspection at the office of the manager and the office of the engineer or any other office designated by the board of supervisors in the notice resolution. Notwithstanding the foregoing, the landowners of all of the property which is proposed to be assessed may give the district written notice of waiver of any notice and publication provided for in this subparagraph. However, such notice and publication is not required, provided that any meeting of the board of supervisors to consider such resolution is a publicly noticed meeting.

3. At the time and place named in the noticed resolution as provided for in subparagraph 2., the board of supervisors of

2225 the district shall meet and hear testimony from affected
2226 property owners as to the propriety and advisability of making
2227 the systems, facilities, services, projects, works,
2228 improvements, or infrastructure and funding them with
2229 assessments referenced in the initial special assessment
2230 resolution on the property. Following the testimony and
2231 questions from the members of the board or any professional
2232 advisors to the district of the preparers of the engineer's cost
2233 report, the special assessment methodology, and the special
2234 assessment roll, the board of supervisors shall make a final
2235 decision on whether to levy and assess the particular special
2236 assessments. Thereafter, the board of supervisors shall meet as
2237 an equalizing board to hear and to consider any and all
2238 complaints as to the particular special assessments and shall
2239 adjust and equalize the special assessments to ensure proper
2240 assessment based on the benefit conferred on the property.

2241 4. When so equalized and approved by resolution or
2242 ordinance by the board of supervisors, to be called the final
2243 special assessment resolution, a final special assessment roll
2244 shall be filed with the clerk of the board, and such special
2245 assessment shall stand confirmed and remain legal, valid, and
2246 binding first liens on the property against which such special
2247 assessments are made until paid, equal in dignity to the first
2248 liens of ad valorem taxation of county and municipal governments

2251 infrastructure, the district shall credit to each of the
2252 assessments the difference in the special assessment as
2253 originally made, approved, levied, assessed, and confirmed and
2254 the proportionate part of the actual cost of the improvement to
2255 be paid by the particular special assessments as finally
2256 determined upon the completion of the improvement; but in no
2257 event shall the final special assessment exceed the amount of
2258 the special and peculiar benefits as apportioned fairly and
2259 reasonably to the property from the system, facility, or service
2260 being provided as originally assessed. Promptly after such
2261 confirmation, the special assessment shall be recorded by the
2262 clerk of the district in the minutes of the proceedings of the
2263 district, and the record of the lien in this set of minutes
2264 shall constitute prima facie evidence of its validity. The board
2265 of supervisors, in its sole discretion, may, by resolution,
2266 grant a discount equal to all or a part of the payee's
2267 proportionate share of the cost of the project consisting of
2268 bond financing cost, such as capitalized interest, funded
2269 reserves, and bond discounts included in the estimated cost of
2270 the project, upon payment in full of any special assessments
2271 during such period before the time such financing costs are
2272 incurred as may be specified by the board of supervisors in such
2273 resolution.

2275 installments over no more than 40 years after the date of the
2276 payment of the first installment thereof and may bear interest
2277 at fixed or variable rates.

2278 (b) Notwithstanding any provision of this act or chapter
2279 170, Florida Statutes, that portion of s. 170.09, Florida
2280 Statutes, which provides that special assessments may be paid
2281 without interest at any time within 30 days after the
2282 improvement is completed and a resolution accepting the same has
2283 been adopted by the governing authority is not applicable to any
2284 district special assessments, whether imposed, levied, and
2285 collected pursuant to this act or any other provision of general
2286 law, including, but not limited to, chapter 170, Florida
2287 Statutes.

2289 the exercise of its rulemaking power to adopt rules that provide
2290 for notice, levy, imposition, equalization, and collection of
2291 assessments.

2292 (14) ISSUANCE OF CERTIFICATES OF INDEBTEDNESS BASED ON
2293 ASSESSMENTS FOR ASSESSABLE IMPROVEMENTS; ASSESSMENT BONDS.—

2294 (a) The board may, after any special assessments or
2295 benefit special assessments for assessable improvements are

2300 each part or parcel of land or property assessed, which
2301 certificates shall state the general nature of the improvement
2302 for which the assessment is made. The certificates shall be
2303 payable in annual installments in accordance with the
2304 installments of the special assessment for which they are
2305 issued. The board may determine the interest to be borne by such
2306 certificates, not to exceed the maximum rate allowed by general
2307 law, and may sell such certificates at either private or public
2308 sale and determine the form, manner of execution, and other
2309 details of such certificates. The certificates shall recite that
2310 they are payable only from the special assessments levied and
2311 collected from the part or parcel of land or property against
2312 which they are issued. The proceeds of such certificates may be
2313 pledged for the payment of principal of and interest on any
2314 revenue bonds or general obligation bonds issued to finance in
2315 whole or in part such assessable improvement or, if not so
2316 pledged, may be used to pay the cost or part of the cost of such
2317 assessable improvements.

2318 (b) The district may also issue assessment bonds, revenue
2319 bonds, or other obligations payable from a special fund into
2320 which such certificates of indebtedness referred to in paragraph
2321 (a) may be deposited or, if such certificates of indebtedness
2322 have not been issued, may assign to such special fund for the
2323 benefit of the holders of such assessment bonds or other

obligations, or to a trustee for such bondholders, the
assessment liens provided for in this act unless such
certificates of indebtedness or assessment liens have been
theretofore pledged for any bonds or other obligations
authorized hereunder. In the event of the creation of such
special fund and the issuance of such assessment bonds or other
obligations, the proceeds of such certificates of indebtedness
or assessment liens deposited therein shall be used only for the
payment of the assessment bonds or other obligations issued as
provided in this section. The district is authorized to covenant
with the holders of such assessment bonds, revenue bonds, or
other obligations that it will diligently and faithfully enforce
and collect all the special assessments, and interest and
penalties thereon, for which such certificates of indebtedness
or assessment liens have been deposited in or assigned to such
fund; to foreclose such assessment liens so assigned to such
special fund or represented by the certificates of indebtedness
deposited in the special fund, after such assessment liens have
become delinquent, and deposit the proceeds derived from such
foreclosure, including interest and penalties, in such special
fund; and to make any other covenants deemed necessary or
advisable in order to properly secure the holders of such
assessment bonds or other obligations.

(c) The assessment bonds, revenue bonds, or other
obligations issued pursuant to this subsection shall have such

2349 dates of issuance and maturity as deemed advisable by the board;
2350 however, the maturities of such assessment bonds or other
2351 obligations may not be more than 2 years after the due date of
2352 the last installment that will be payable on any of the special
2353 assessments for which such assessment liens, or the certificates
2354 of indebtedness representing such assessment liens, are assigned
2355 to or deposited in such special fund.

2356 (d) Such assessment bonds, revenue bonds, or other
2357 obligations issued under this subsection shall bear such
2358 interest as the board may determine, not to exceed the maximum
2359 rate allowed by general law, and shall be executed, shall have
2360 such provisions for redemption before maturity, shall be sold in
2361 such manner, and shall be subject to all of the applicable
2362 provisions contained in this act for revenue bonds, except as
2363 the same may be inconsistent with this subsection.

2364 (e) All assessment bonds, revenue bonds, or other
2365 obligations issued under this subsection shall be, shall
2366 constitute, and shall have all the qualities and incidents of
2367 negotiable instruments under the law merchant and general laws.

2368 (15) TAX LIENS.—All taxes of the district provided for in
2369 this act, together with all penalties for default in the payment
2370 of the same and all costs in collecting the same, including a
2371 reasonable attorney fee fixed by the court and taxed as a cost

2375 state and county taxes and other taxes of equal dignity with
2376 state and county taxes upon all the lands against which such
2377 taxes shall be levied. A sale of any of the real property within
2378 the district for state and county or other taxes may not operate
2379 to relieve or release the property so sold from the lien for
2380 subsequent district taxes or installments of district taxes,
2381 which lien may be enforced against such property as though no
2382 such sale thereof had been made. In addition, for purposes of s.
2383 197.552, Florida Statutes, the lien of all special assessments
2384 levied by the district shall constitute a lien of record held by
2385 a municipal or county governmental unit. Sections 194.171,
2386 197.122, 197.333, and 197.432, Florida Statutes, are applicable
2387 to district taxes with the same force and effect as if such
2388 sections were expressly provided in this act.

2389 (16) PAYMENT OF TAXES AND REDEMPTION OF TAX LIENS BY THE
2390 DISTRICT; SHARING IN PROCEEDS OF TAX SALE.—

2391 (a) The district shall have the power and right to:

2392 1. Pay any delinquent state, county, district, municipal,
2393 or other tax or assessment upon lands located wholly or
2394 partially within the boundaries of the district.

2395 2. Redeem or purchase any tax sales certificates issued or
2396 sold on account of any state, county, district, municipal, or
2397 other taxes or assessments upon lands located wholly or
2398 partially within the boundaries of the district.

(b) Delinquent taxes paid, or tax sales certificates redeemed or purchased, by the district, together with all penalties for the default in payment of the same and all costs in collecting the same and a reasonable attorney fee, shall constitute a lien in favor of the district of equal dignity with the liens of state and county taxes and other taxes of equal dignity with state and county taxes upon all the real property against which the taxes were levied. The lien of the district may be foreclosed in the manner provided in this act.

(c) In any sale of land pursuant to s. 197.542, Florida Statutes, as may be amended from time to time, the district may certify to the clerk of the circuit court of the county holding such sale the amount of taxes due to the district upon the lands sought to be sold, and the district shall share in the disbursement of the sales proceeds in accordance with this act and under general law.

(17) FORECLOSURE OF LIENS.—Any lien in favor of the district arising under this act may be foreclosed by the district by foreclosure proceedings in the name of the district in a court of competent jurisdiction as provided by general law in like manner as is provided in chapter 170 or chapter 173, Florida Statutes, and any amendments thereto, and those chapters shall be applicable to such proceedings with the same force and effect as if those chapters were expressly provided in this act. Any act required or authorized to be done by or on behalf of a

2425 chapter 173, Florida Statutes, may be performed by such officer
2426 or agent of the district as the board of supervisors may
2427 designate. Such foreclosure proceedings may be brought at any
2428 time after the expiration of 1 year from the date any tax, or
2429 installment thereof, becomes delinquent; however, no lien shall
2430 be foreclosed against any political subdivision or agency of the
2431 state. Other legal remedies shall remain available.

2432 (18) MANDATORY USE OF CERTAIN DISTRICT SYSTEMS,
2433 FACILITIES, AND SERVICES.—To the full extent permitted by
2434 general law, the district shall require all lands, buildings,
2435 premises, persons, firms, and corporations within the district
2436 to use the facilities of the district.

2437 (19) COMPETITIVE PROCUREMENT; BIDS; NEGOTIATIONS; RELATED
2438 PROVISIONS REQUIRED.—

2439 (a) A contract may not be let by the board for any goods,
2440 supplies, or materials to be purchased when the amount thereof
2441 to be paid by the district shall exceed the amount provided in
2442 s. 287.017, Florida Statutes, for category four, unless notice
2443 of bids shall be published in a newspaper of general circulation
2444 in Lee County at least once. Any board seeking to construct or
2445 improve a public building, structure, or other public works
2446 shall comply with the bidding procedures of s. 255.20, Florida
2447 Statutes, as amended from time to time, and other applicable
2448 general law. In each case, the bid of the lowest responsive and

2449 responsible bidder shall be accepted unless all bids are
2450 rejected because the bids are too high or the board determines
2451 it is in the best interests of the district to reject all bids.

2452 The board may require the bidders to furnish bond with a
2453 responsible surety to be approved by the board. Nothing in this
2454 subsection shall prevent the board from undertaking and
2455 performing the construction, operation, and maintenance of any
2456 project or facility authorized by this act by the employment of
2457 labor, material, and machinery.

2458 (b) The Consultants' Competitive Negotiation Act, s.
2459 287.055, Florida Statutes, applies to contracts for engineering,
2460 architecture, landscape architecture, or registered surveying
2461 and mapping services let by the board.

2462 (c) Contracts for maintenance services for any district
2463 facility or project shall be subject to competitive bidding
2464 requirements when the amount thereof to be paid by the district
2465 exceeds the amount provided in s. 287.017, Florida Statutes, as
2466 amended from time to time, for category four. The district shall
2467 adopt rules, policies, or procedures establishing competitive
2468 bidding procedures for maintenance services. Contracts for other
2469 services may not be subject to competitive bidding unless the
2470 district adopts a rule, policy, or procedure applying
2471 competitive bidding procedures to said contracts. Nothing herein
2472 shall preclude the use of requests for proposal instead of

2474 best interest.

2475 (20) FEES, RENTALS, AND CHARGES; PROCEDURE FOR ADOPTION
2476 AND MODIFICATIONS; MINIMUM REVENUE REQUIREMENTS.—

2477 (a) The district is authorized to prescribe, fix,
2478 establish, and collect rates, fees, rentals, or other charges,
2479 hereinafter sometimes referred to as "revenues," and to revise
2480 the same from time to time, for the systems, facilities, and
2481 services furnished by the district, including, but not limited
2482 to, recreational facilities, water management and control
2483 facilities, and water and sewer systems; to recover the costs of
2484 making connection with any district service, facility, or
2485 system; and to provide for reasonable penalties against any user
2486 or property for any such rates, fees, rentals, or other charges
2487 that are delinquent.

2488 (b) No such rates, fees, rentals, or other charges for any
2489 of the facilities or services of the district shall be fixed
2490 until after a public hearing at which all the users of the
2491 proposed facility or services or owners, tenants, or occupants
2492 served or to be served thereby and all other interested persons
2493 shall have an opportunity to be heard concerning the proposed
2494 rates, fees, rentals, or other charges. Rates, fees, rentals,
2495 and other charges shall be adopted under the administrative
2496 rulemaking authority of the district but do not apply to
2497 district leases. Notice of such public hearing setting forth the

proposed schedule or schedules of rates, fees, rentals, and other charges shall have been published in a newspaper of general circulation in Lee County at least once and at least 10 days before such public hearing. The rulemaking hearing may be adjourned from time to time. After such hearing, such schedule or schedules, either as initially proposed or as modified or amended, may be finally adopted. A copy of the schedule or schedules of such rates, fees, rentals, or charges as finally adopted shall be kept on file in an office designated by the board and shall be open at all reasonable times to public inspection. The rates, fees, rentals, or charges so fixed for any class of users or property served shall be extended to cover any additional users or properties thereafter served which shall fall in the same class, without the necessity of any notice or hearing.

(c) Such rates, fees, rentals, and charges shall be just and equitable and uniform for users of the same class and, when appropriate, may be based or computed either upon the amount of service furnished, upon the average number of persons residing or working in or otherwise occupying the premises served, or upon any other factor affecting the use of the facilities furnished, or upon any combination of the foregoing factors, as may be determined by the board on an equitable basis.

(d) The rates, fees, rentals, or other charges prescribed shall be such as will produce revenues, together with any other

assessments, taxes, revenues, or funds available or pledged for such purpose, at least sufficient to provide for the following items, but not necessarily in the order stated:

1. To provide for all expenses of operation and maintenance of such facility or service.

2. To pay when due all bonds and interest thereon for the payment of which such revenues are, or shall have been, pledged or encumbered, including reserves for such purpose.

3. To provide for any other funds which may be required under the resolution or resolutions authorizing the issuance of bonds pursuant to this act.

(e) The board shall have the power to enter into contracts for the use of the projects of the district and with respect to the services, systems, and facilities furnished or to be furnished by the district.

(21) RECOVERY OF DELINQUENT CHARGES.—In the event that any rates, fees, rentals, charges, or delinquent penalties are not paid as and when due and are in default for 60 days or more, the unpaid balance thereof and all interest accrued thereon, together with reasonable attorney fees and costs, may be recovered by the district in a civil action.

(22) DISCONTINUANCE OF SERVICES OR FACILITIES.—In the event the fees, rentals, or other charges for district services or facilities are not paid when due, the board shall have the power, under such reasonable rules and regulations as the board

2548 may adopt, to discontinue and shut off such services or
2549 facilities until such fees, rentals, or other charges, including
2550 interest, penalties, and charges for the shutting off and
2551 discontinuance and the restoration of such services or
2552 facilities, are fully paid; and, for such purposes, the board
2553 may enter on any lands, waters, or premises of any person, firm,
2554 corporation, or body, public or private, within the district
2555 limits. Such delinquent fees, rentals, or other charges,
2556 together with interest, penalties, and charges for the shutting
2557 off and discontinuance and the restoration of such services or
2558 facilities and reasonable attorney fees and other expenses, may
2559 be recovered by the district, which may also enforce payment of
2560 such delinquent fees, rentals, or other charges by any other
2561 lawful method of enforcement.

2562 (23) ENFORCEMENT AND PENALTIES.—The board or any aggrieved
2563 person may have recourse to such remedies in general law and at
2564 equity as may be necessary to ensure compliance with this act,
2565 including injunctive relief to enjoin or restrain any person
2566 violating this act or any bylaws, resolutions, regulations,

2568 building or structure is erected, constructed, reconstructed,
2569 altered, repaired, converted, or maintained, or any building,
2570 structure, land, or water is used, in violation of this act or
2571 of any code, order, resolution, or other regulation made under

(24) SUITS AGAINST THE DISTRICT.—Any suit or action brought or maintained against the district for damages arising out of tort, including, without limitation, any claim arising upon account of an act causing an injury or loss of property, personal injury, or death, shall be subject to the limitations provided in s. 768.28, Florida Statutes.

(25) EXEMPTION OF DISTRICT PROPERTY FROM EXECUTION.—All district property shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against such property, nor shall any judgment against the district be a charge or lien on its property or revenues; however, nothing contained herein shall apply to or limit the rights of bondholders to pursue any remedy for the enforcement of any lien or pledge given by the district in connection with any of the bonds or obligations of the district.
