83 accordance with definitions of the Governmental Accounting
84 Standards Board, have a useful life of at least 5 years, and are

88 agreement.

89 9. Payment of the cost of the opening day collection for

1002.33 Charter schools.—

(5) SPONSOR; DUTIES.—

(b) *Sponsor duties*.—

1.a. The sponsor shall monitor and review the charter school in its progress toward the goals established in the charter.

b. The sponsor shall monitor the revenues and expenditures of the charter school and perform the duties provided in s. 1002.345.

c. The sponsor may approve a charter for a charter school before the applicant has identified space, equipment, or personnel, if the applicant indicates approval is necessary for it to raise working funds.

d. The sponsor may not apply its policies to a charter school unless mutually agreed to by both the sponsor and the charter school. If the sponsor subsequently amends any agreed-upon sponsor policy, the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the sponsor may not hold the charter school responsible for any provision of a

126 newly revised policy until the revised policy is mutually agreed
127 upon.

128 e. The sponsor shall ensure that the charter is innovative
129 and consistent with the state education goals established by s.
130 1000.03(5).

131 f. The sponsor shall ensure that the charter school
132 participates in the state's education accountability system. If
133 a charter school falls short of performance measures included in
134 the approved charter, the sponsor shall report such shortcomings
135 to the Department of Education.

136 g. The sponsor is not liable for civil damages under state
137 law for personal injury, property damage, or death resulting
138 from an act or omission of an officer, employee, agent, or
139 governing body of the charter school.

140 h. The sponsor is not liable for civil damages under state
141 law for any employment actions taken by an officer, employee,
142 agent, or governing body of the charter school.

143 i. The sponsor's duties to monitor the charter school do
144 not constitute the basis for a private cause of action.

145 j. The sponsor may not impose additional reporting
146 requirements on a charter school as long as the charter school
147 has not been identified as having a deteriorating financial
148 condition or financial emergency pursuant to s. 1002.345.

149 k. The sponsor may not impose upon a charter school
150 administrative deadlines that are earlier than the sponsor's own

151 corresponding deadlines for similar reports or submissions. Any
152 deadline imposed upon a charter school for financial audits or
153 other administrative requirements may not be earlier than 15
154 days before the sponsor's own deadline for similar submissions
155 to the department.

156 1.k. The sponsor shall submit an annual report to the
157 Department of Education in a web-based format to be determined
158 by the department.

159 (I) The report must ~~shall~~ include the following
160 information:

161 (A) The number of applications received during the school
162 year and up to August 1 and each applicant's contact
163 information.

164 (B) The date each application was approved, denied, or
165 withdrawn.

166 (C) The date each final contract was executed.

167 (II) Annually, by November 1, the sponsor shall submit to
168 the department the information for the applications submitted
169 the previous year.

170 (III) The department shall compile an annual report, by
171 sponsor, and post the report on its website by January 15 of
172 each year.

173 2. Immunity for the sponsor of a charter school under
174 subparagraph 1. applies only with respect to acts or omissions
175 not under the sponsor's direct authority as described in this

176 section.

177 3. This paragraph does not waive a sponsor's sovereign
178 immunity.

179 4. A Florida College System institution may work with the
180 school district or school districts in its designated service
181 area to develop charter schools that offer secondary education.
182 These charter schools must include an option for students to
183 receive an associate degree upon high school graduation. If a
184 Florida College System institution operates an approved teacher
185 preparation program under s. 1004.04 or s. 1004.85, the
186 institution may operate charter schools that serve students in
187 kindergarten through grade 12 in any school district within the
188 service area of the institution. District school boards shall
189 cooperate with and assist the Florida College System institution
190 on the charter application. Florida College System institution
191 applications for charter schools are not subject to the time
192 deadlines outlined in subsection (6) and may be approved by the
193 district school board at any time during the year. Florida
194 College System institutions may not report FTE for any students
195 participating under this subparagraph who receive FTE funding
196 through the Florida Education Finance Program.

197 5. For purposes of assisting the development of a charter
198 school, a school district may enter into nonexclusive interlocal
199 agreements with federal and state agencies, counties,
200 municipalities, and other governmental entities that operate

201 within the geographical borders of the school district to act on
202 behalf of such governmental entities in the inspection,
203 issuance, and other necessary activities for all necessary
204 permits, licenses, and other permissions that a charter school
205 needs in order for development, construction, or operation. A
206 charter school may use, but may not be required to use, a school
207 district for these services. The interlocal agreement must
208 include, but need not be limited to, the identification of fees
209 that charter schools will be charged for such services. The fees
210 must consist of the governmental entity's fees plus a fee for
211 the school district to recover no more than actual costs for
212 providing such services. These services and fees are not
213 included within the services to be provided pursuant to
214 subsection (20). Notwithstanding any other provision of law, an
215 interlocal agreement or ordinance that imposes a greater
216 regulatory burden on charter schools than school districts or
217 that prohibits or limits the creation of a charter school is
218 void and unenforceable. An interlocal agreement entered into by
219 a school district for the development of only its own schools,
220 including provisions relating to the extension of
221 infrastructure, may be used by charter schools.

222 6. The board of trustees of a sponsoring state university
223 or Florida College System institution under paragraph (a) is the
224 local educational agency for all charter schools it sponsors for
225 purposes of receiving federal funds and accepts full

responsibility for all local educational agency requirements and the schools for which it will perform local educational agency responsibilities. A student enrolled in a charter school that is sponsored by a state university or Florida College System institution may not be included in the calculation of the school district's grade under s. 1008.34(5) for the school district in which he or she resides.

(c) *Sponsor accountability.*—

1. The department shall, in collaboration with charter school sponsors and charter school operators, develop a sponsor evaluation framework that must address, at a minimum:

b. The alignment of the sponsor's policies and practices to best practices for charter school authorization.

c. The academic and financial performance of all operating charter schools overseen by the sponsor.

d. The status of charter schools authorized by the sponsor, including approved, operating, and closed schools.

2. The department shall compile the results by sponsor and include the results in the report required under sub-sub-subparagraph (b)1.l.(III) ~~(b)1.k.(III)~~.

(9) *CHARTER SCHOOL REQUIREMENTS.*—

(s) A charter school governing board may adopt its own code of student conduct. The code of student conduct must meet

251 or exceed the minimum standards set forth in the sponsor's code
252 of student conduct. Any provision of the code of student conduct
253 which is more stringent than the sponsor's code of student
254 conduct must align with the mission of the charter school and be
255 acknowledged electronically or in writing by the parent. The
256 sponsor may review the code and offer recommendations. Any
257 complaint or appeal related to the code of student conduct must
258 be resolved by the charter school's governing board using the
259 board's established procedures and must be in compliance with
260 applicable law and rules.

261 (10) ELIGIBLE STUDENTS.—

262 (d) A charter school may give enrollment preference to the
263 following student populations:

264 1. Students who are siblings of a student enrolled in the
265 charter school.

266 2. Students who are the children of a member of the
267 governing board of the charter school.

268 3. Students who are the children of an employee of the
269 charter school.

270 4. Students who are the children of:

271 a. An employee of the business partner of a charter
272 school-in-the-workplace established under paragraph (15)(b) or a
273 resident of the municipality in which such charter school is
274 located; or

275 b. A resident or employee of a municipality that operates

276 a charter school-in-a-municipality pursuant to paragraph (15)(c)
277 or allows a charter school to use a school facility or portion
278 of land provided by the municipality for the operation of the
279 charter school.

280 5. Students who have successfully completed, during the
281 previous year, a ~~voluntary~~ prekindergarten education program
282 ~~under ss. 1002.51-1002.79~~ provided by the charter school, the
283 charter school's governing board, or a ~~voluntary~~ prekindergarten
284 provider that has a written agreement with the governing board.

285 6. Students who are the children of an active duty member
286 of any branch of the United States Armed Forces.

287 7. Students who attended or are assigned to failing
288 schools pursuant to s. 1002.38(2).

289 8. Students who are the children of a safe-school officer,
290 as defined in s. 1006.12, at the school.

291 9. Students who transfer from a classical school in this
292 state to a charter classical school in this state. For purposes
293 of this subparagraph, the term "classical school" means a
294 traditional public school or charter school that implements a
295 classical education model that emphasizes the development of
296 students in the principles of moral character and civic virtue
297 through a well-rounded education in the liberal arts and
298 sciences which is based on the classical trivium stages of
299 grammar, logic, and rhetoric.

300 (h) The capacity of the charter school shall be determined

annually by the governing board, in conjunction with the sponsor, of the charter school in consideration of the factors identified in this subsection and subsection (18) unless the charter school is designated as a high-performing charter school pursuant to s. 1002.331. A sponsor may not require a charter school to waive the provisions of s. 1002.331 or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2) as a condition of approval or renewal of a charter.

(16) EXEMPTION FROM STATUTES.—

(b) Additionally, a charter school shall be in compliance with the following statutes:

1. Section 286.011, relating to public meetings and records, public inspection, and criminal and civil penalties.

2. Chapter 119, relating to public records.

3. Section 1003.03, relating to the maximum class size, except that the calculation for compliance pursuant to s. 1003.03 shall be the average at the school level.

332 11. Section 1006.07(10), relating to reporting of
333 involuntary examinations.

334 12. Section 1006.1493, relating to the Florida Safe
335 Schools Assessment Tool.

337 assailant response plan.

341 awareness and assistance training.

342 16. Section 1001.42(4)(f)2., relating to middle school and
343 high school start times. A charter school-in-the-workplace is
344 exempt from this requirement.

346 (18) FACILITIES.—

347 (h) A charter school that is not implementing a school
348 improvement plan pursuant to paragraph (9)(n) or a corrective
349 action plan pursuant to s. 1002.345 may increase its student
350 enrollment to more than the capacity identified in the charter,

351 but student enrollment may not exceed the capacity of the
352 facility at the time the enrollment increase will take effect.
353 Facility capacity for purposes of expansion must include any

358 The written notice must specify the amount of the enrollment
359 increase.

360 (20) SERVICES.—

361 (a)1. A sponsor shall provide certain administrative and
362 educational services to charter schools. These services shall
363 include contract management services; full-time equivalent and
364 data reporting services; exceptional student education
365 administration services; services related to eligibility and

369 request of the charter school, that any funds due to the charter
370 school under the National School Lunch Program be paid to the
371 charter school as soon as the charter school begins serving food
372 under the National School Lunch Program, and that the charter
373 school is paid at the same time and in the same manner under the
374 National School Lunch Program as other public schools serviced
375 by the sponsor or the school district; test administration

376 services, including payment of the costs of state-required or
377 district-required student assessments; processing of teacher
378 certificate data services; and information services, including
379 equal access to the sponsor's student information systems that
380 are used by public schools in the district in which the charter
381 school is located or by schools in the sponsor's portfolio of
382 charter schools if the sponsor is not a school district. Access
383 to the sponsor's student information system must be provided to
384 the charter school and its contractor, unless prohibited by
385 general or federal law. Student performance data for each
386 student in a charter school, including, but not limited to,
387 statewide ~~FCAT scores,~~ standardized test scores, coordinated
388 screening and progress monitoring student results, previous
389 public school student report cards, and student performance
390 measures, shall be provided by the sponsor to a charter school
391 in the same manner provided to other public schools in the
392 district or by schools in the sponsor's portfolio of charter
393 schools if the sponsor is not a school district. The department
394 shall provide student performance data to a charter school and
395 its contractor, unless prohibited by general or federal law.

396 2. A sponsor shall provide training to charter schools on
397 systems the sponsor will require the charter school to use.

399 provision of such services which shall be a percentage of the
400 available funds defined in paragraph (17)(b) calculated based on

401 weighted full-time equivalent students. If the charter school
402 serves 75 percent or more exceptional education students as
403 defined in s. 1003.01(9), the percentage shall be calculated
404 based on unweighted full-time equivalent students. The
405 administrative fee shall be calculated as follows:

407 (I) Enrollment of up to and including 250 students in a
408 charter school as defined in this section.

1002.331 High-performing charter schools.—

(2) A high-performing charter school is authorized to:

(a) Increase its student enrollment once per school year
to more than the capacity identified in the charter, but student
enrollment may not exceed the capacity of the facility at the
time the enrollment increase will take effect. Facility capacity
for purposes of expansion must ~~shall~~ include any improvements to
an existing facility or any new facility in which the students

(b) Expand grade levels within kindergarten through grade
12 to add grade levels not already served if any annual

476 (d) Consolidate under a single charter the charters of

478 school district by the charter schools' governing board
479 regardless of the renewal cycle.

480 (e) Receive a modification of its charter to a term of 15
481 years or a 15-year charter renewal. The charter may be modified
482 or renewed for a shorter term at the option of the high-
483 performing charter school. The charter must be consistent with
484 s. 1002.33(7)(a)19. and (10)(h) and (i), is subject to annual
485 review by the sponsor, and may be terminated during its term
486 pursuant to s. 1002.33(8).

487 (f) Assume the charter of an existing charter school
488 within the same school district in which it operates. Any
489 request to assume a charter must be initiated by a school in a
490 written format to the high-performing charter school.

491
492 A high-performing charter school shall notify its sponsor in

494 expand grade levels the following school year. The written
495 notice shall specify the amount of the enrollment increase and
496 the grade levels that will be added, as applicable. If a charter
497 school notifies the sponsor of its intent to expand, the sponsor
498 shall modify the charter within 90 days to include the new
499 enrollment maximum and may not make any other changes. The
500 sponsor may deny a request to increase the enrollment of a high-
