which elements of the student's Individualized Education Plan,  
Education Plan, English Learner Plan, or 504 plan will be met. A  
private school may update specialized services and therapies  
offered if a school district updates its list of equitable  
services offered, or at a student's grade level transition,  
whichever comes first. In addition, within 30 days of the school  
district providing an eligible student with a private school  
services plan, ~~before enrollment with the parent must be~~  
~~informed of what modifications, accommodations, and therapies~~
