11 specific nationally recognized benchmarks to identify progress
12 toward a graduate passage rate goal. The board must terminate a
13 program pursuant to chapter 120 if the program director fails to
14 submit a written remediation plan or fails to appear before the
15 board and present the remediation plan no later than 6 months
16 after the date of the program being placed on probation. The
17 program's director is also subject to discipline under s.
18 456.072(1)(k) for such failure. The program must remain on
19 probationary status until it achieves a graduate passage rate
20 that equals or exceeds the required passage rate for ~~any~~ 1
21 calendar year. The board must ~~shall~~ deny a program application
22 for a new prelicensure nursing education program submitted by an
23 educational institution if the institution has an existing
24 program that is already on probationary status.

25 3. Upon the program's achievement of a graduate passage
26 rate that equals or exceeds the required passage rate, the
27 board, at its next regularly scheduled meeting following release
28 of the program's graduate passage rate by the National Council
29 of State Boards of Nursing, shall remove the program's
30 probationary status. If the program, during the 2 calendar years
31 following its placement on probationary status, does not
